Yoshua
vafot
etgandan
so'ng
Isroilliklar
Xudoga

itoot etmay
qo'yishdi.

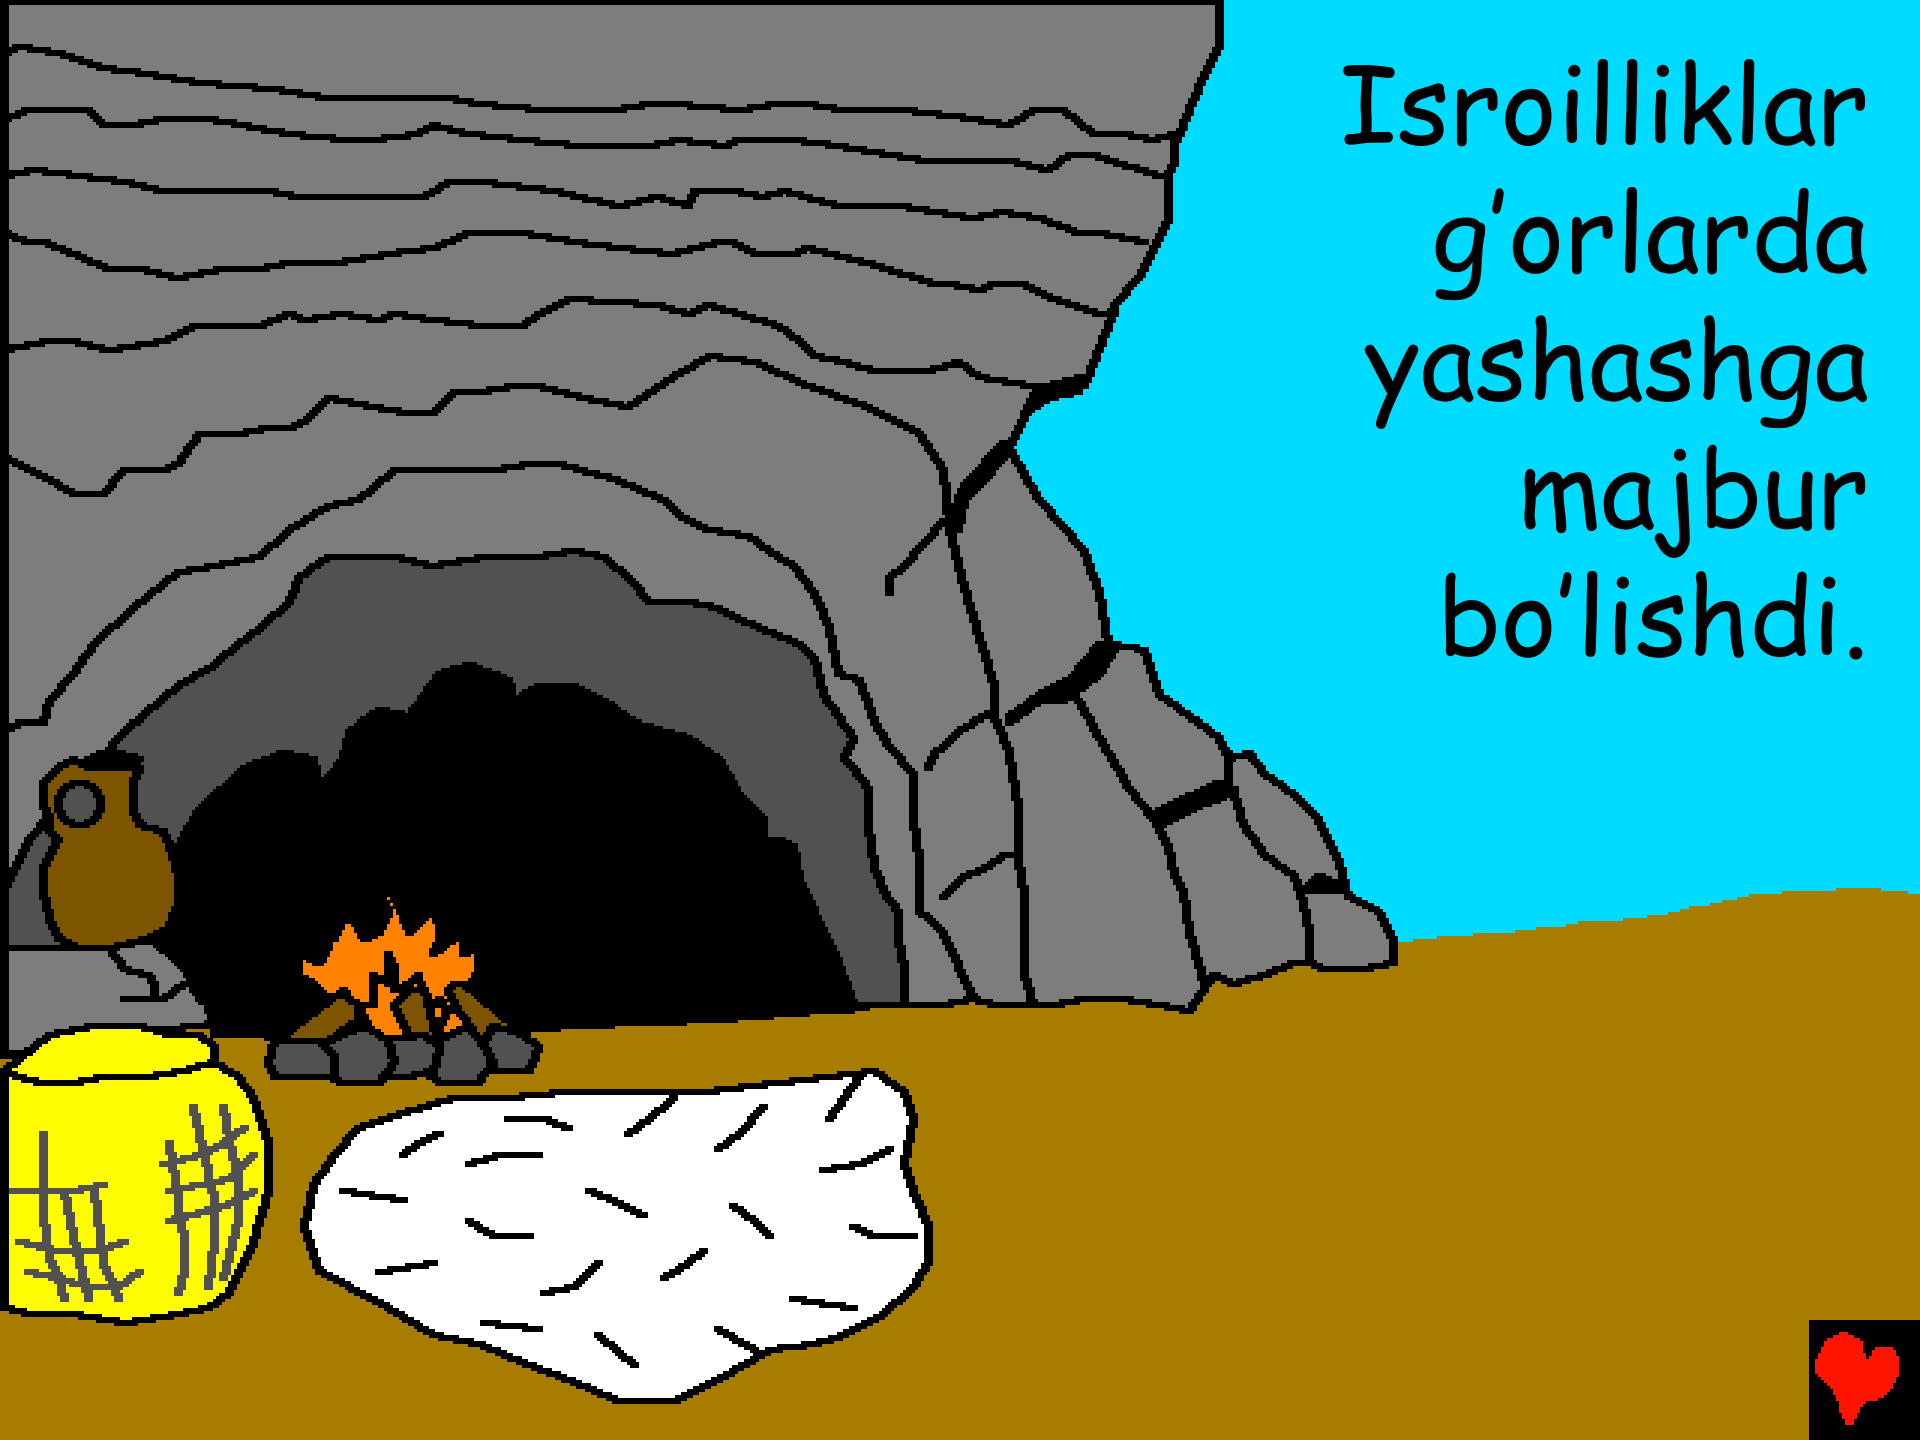

Shuning
uchun Xudo
ularni er
va uylarini
Midiyonliklar
yoqib

yuborishiga
yo'l qo'yib berdi.

Isroilliklar
g'orlarda
yashashga
majbur
bo'lishdi.

Gido'n ismli Isroillikni
bug'doy ekadigan
yashirin joyi
bor edi.

U g'allani katta
daraxt tagida,
sharob qisgichda
yashrincha

maydalardi.

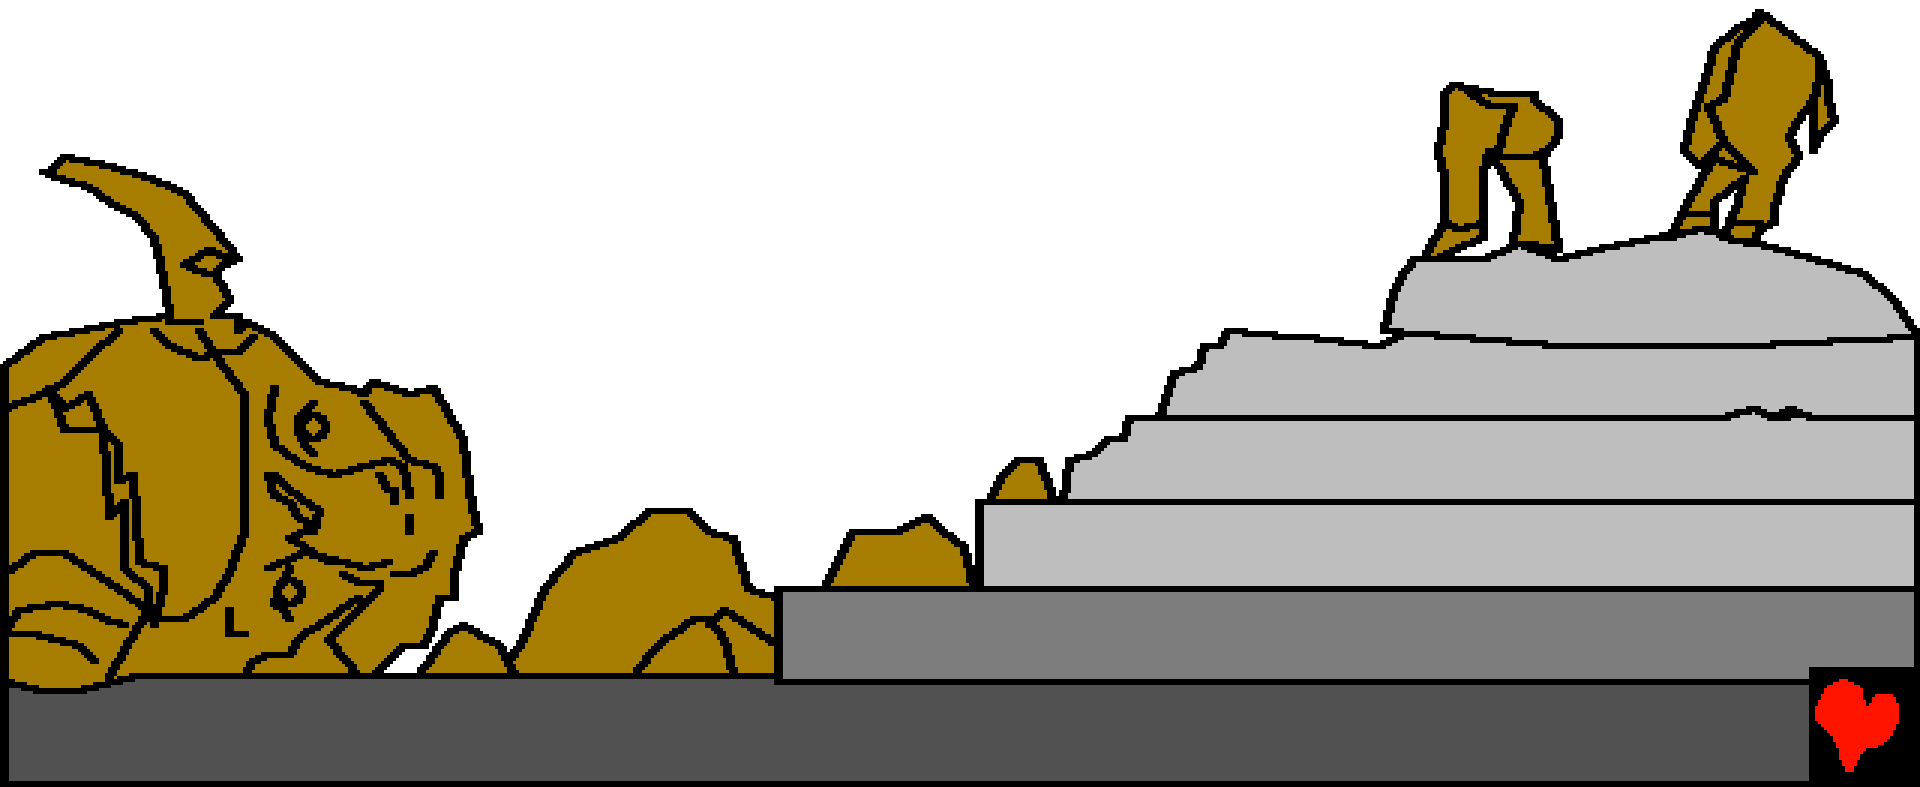

Midiyonliklar buni
bilishmasdi, lekin
Xudo bilardi.
Xudo Gido'nga
xabar

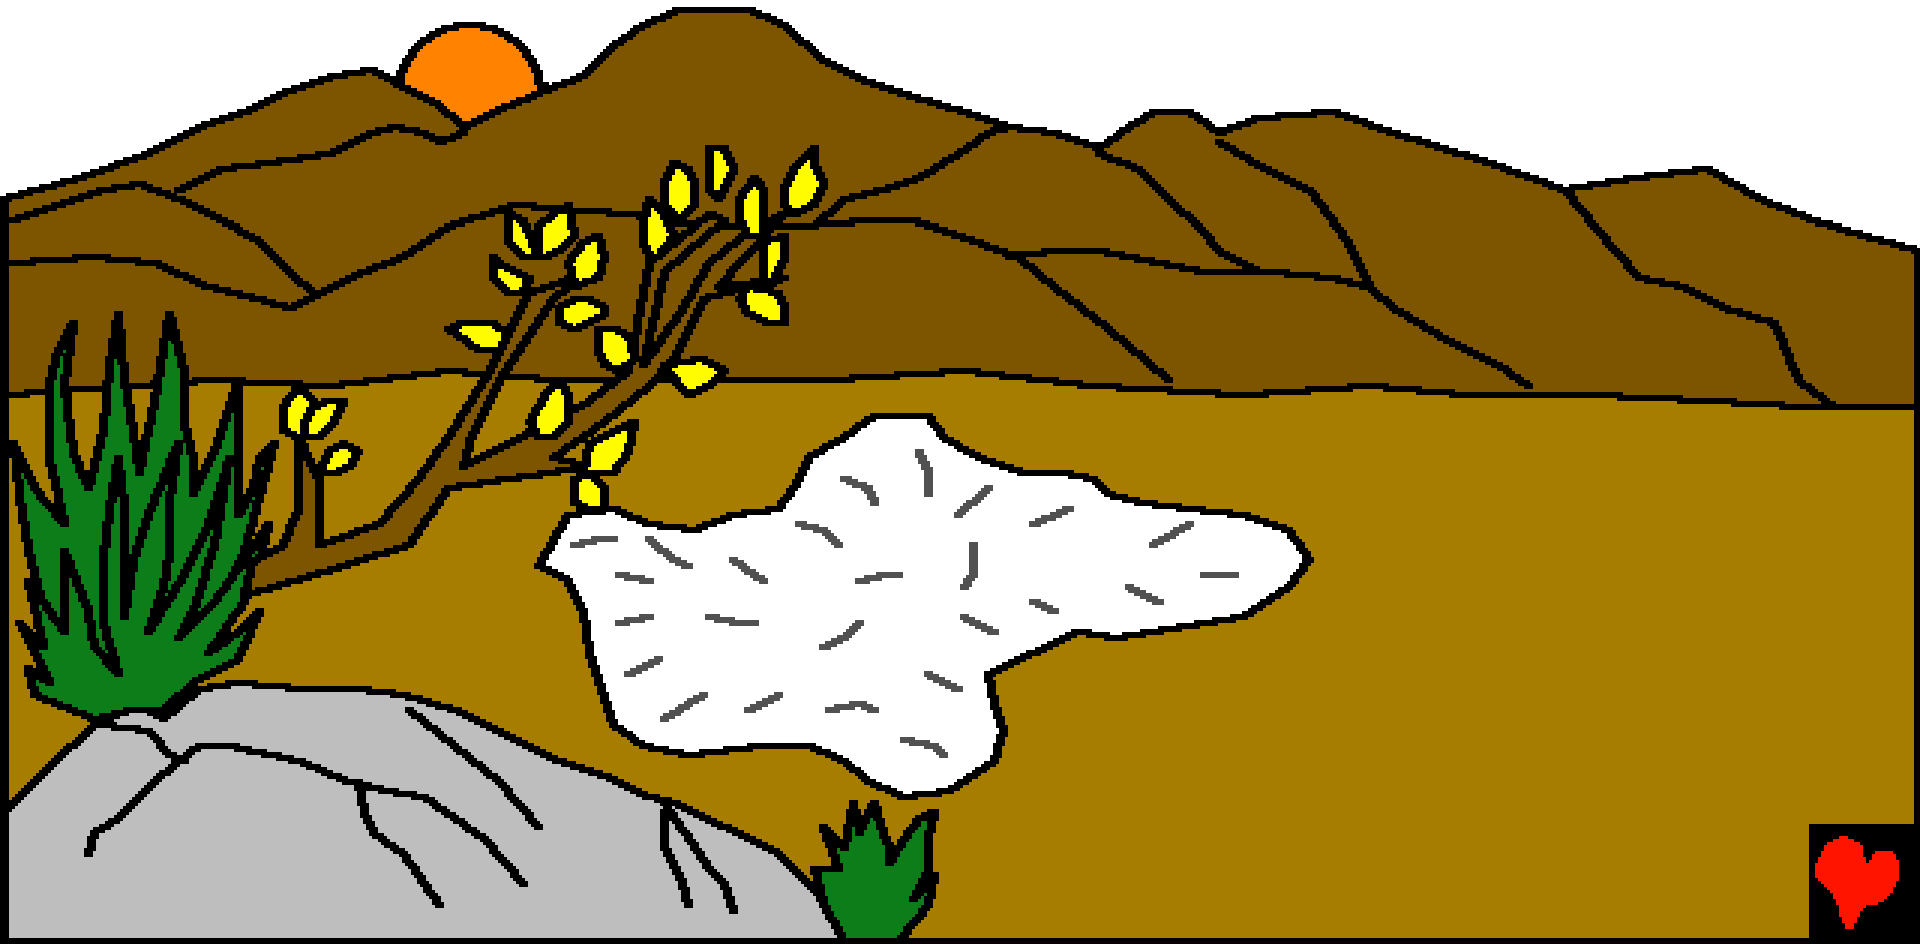

etkazish uchun
farishtasini
jo'natdi.

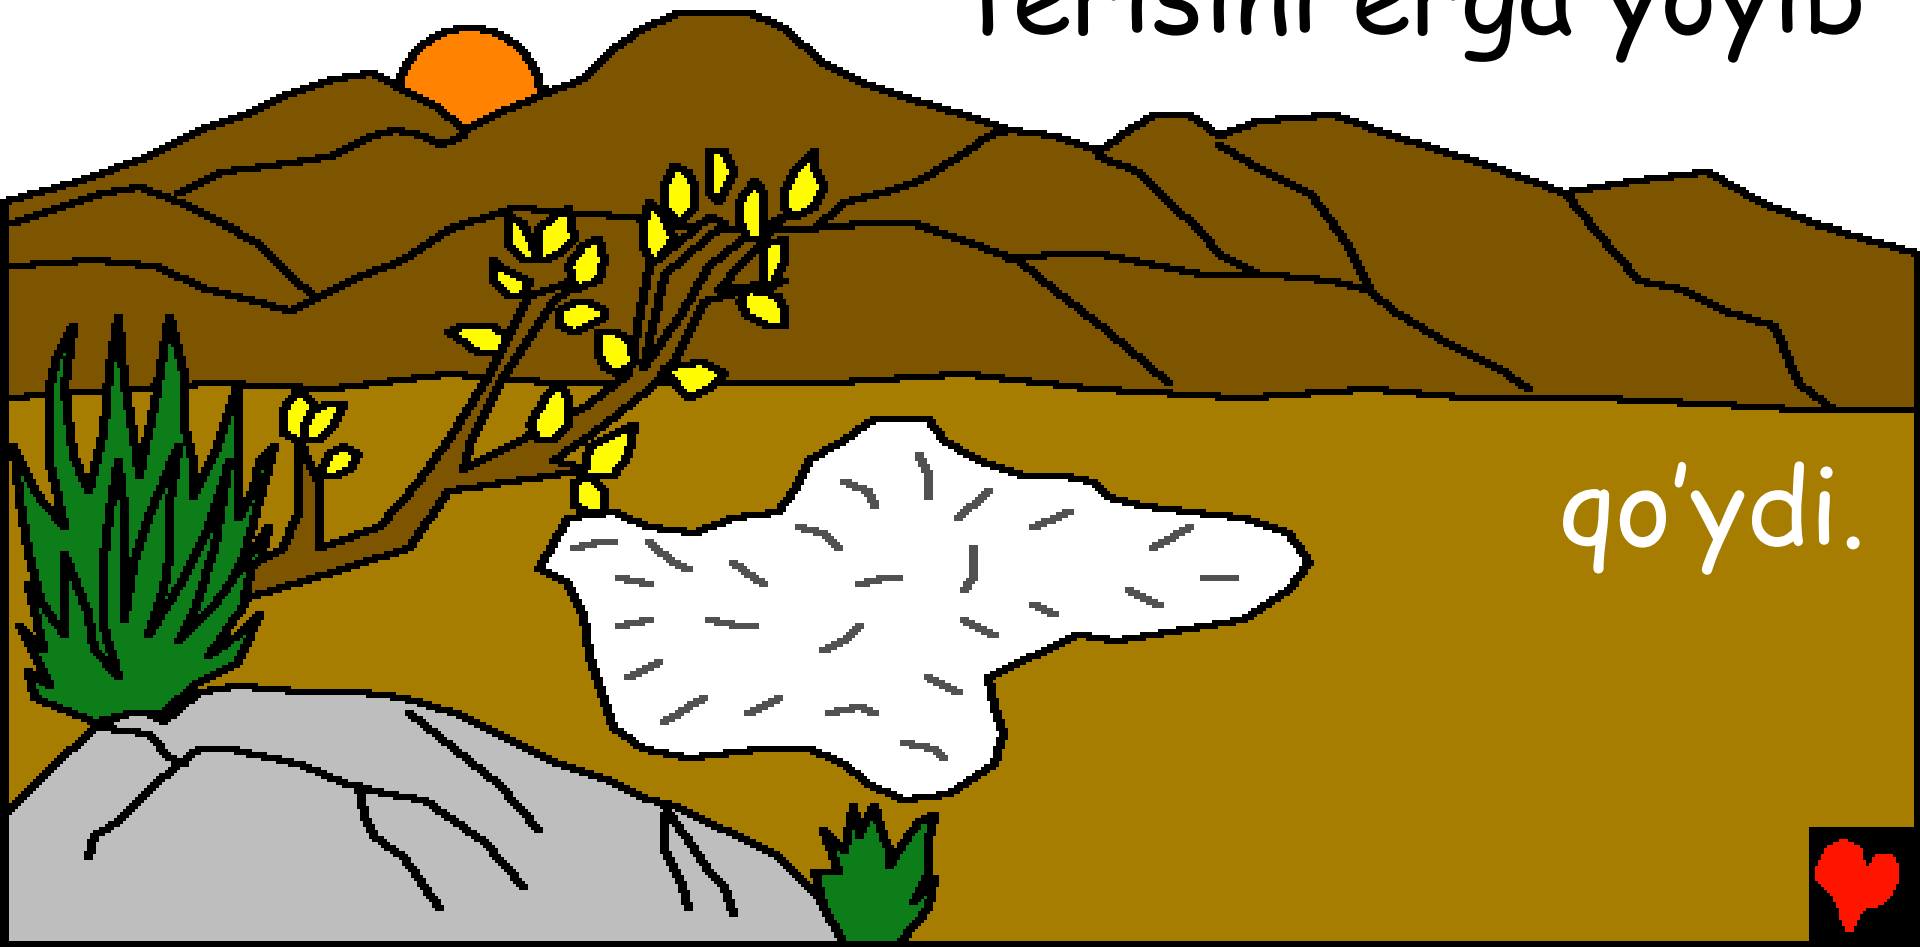

Xudo Gido'nga otasini butlarini
buzib, o'rniga Haqiqiy Xudoga
sajdagoh' qurishni buyurdi.
Gido'n shunday qildi.

Shuningdek Xudo Gido'n Isroil
qo'shiniga ham etakchilik qilishini
hoxladi. Ammo u qo'rqardi.

Xudo u bilan bo'lishini bilish
uchun Gido'n Xudodan biror alomat
ko'rsatishini so'radi. So'ng u qo'y
terisini erga yoyib

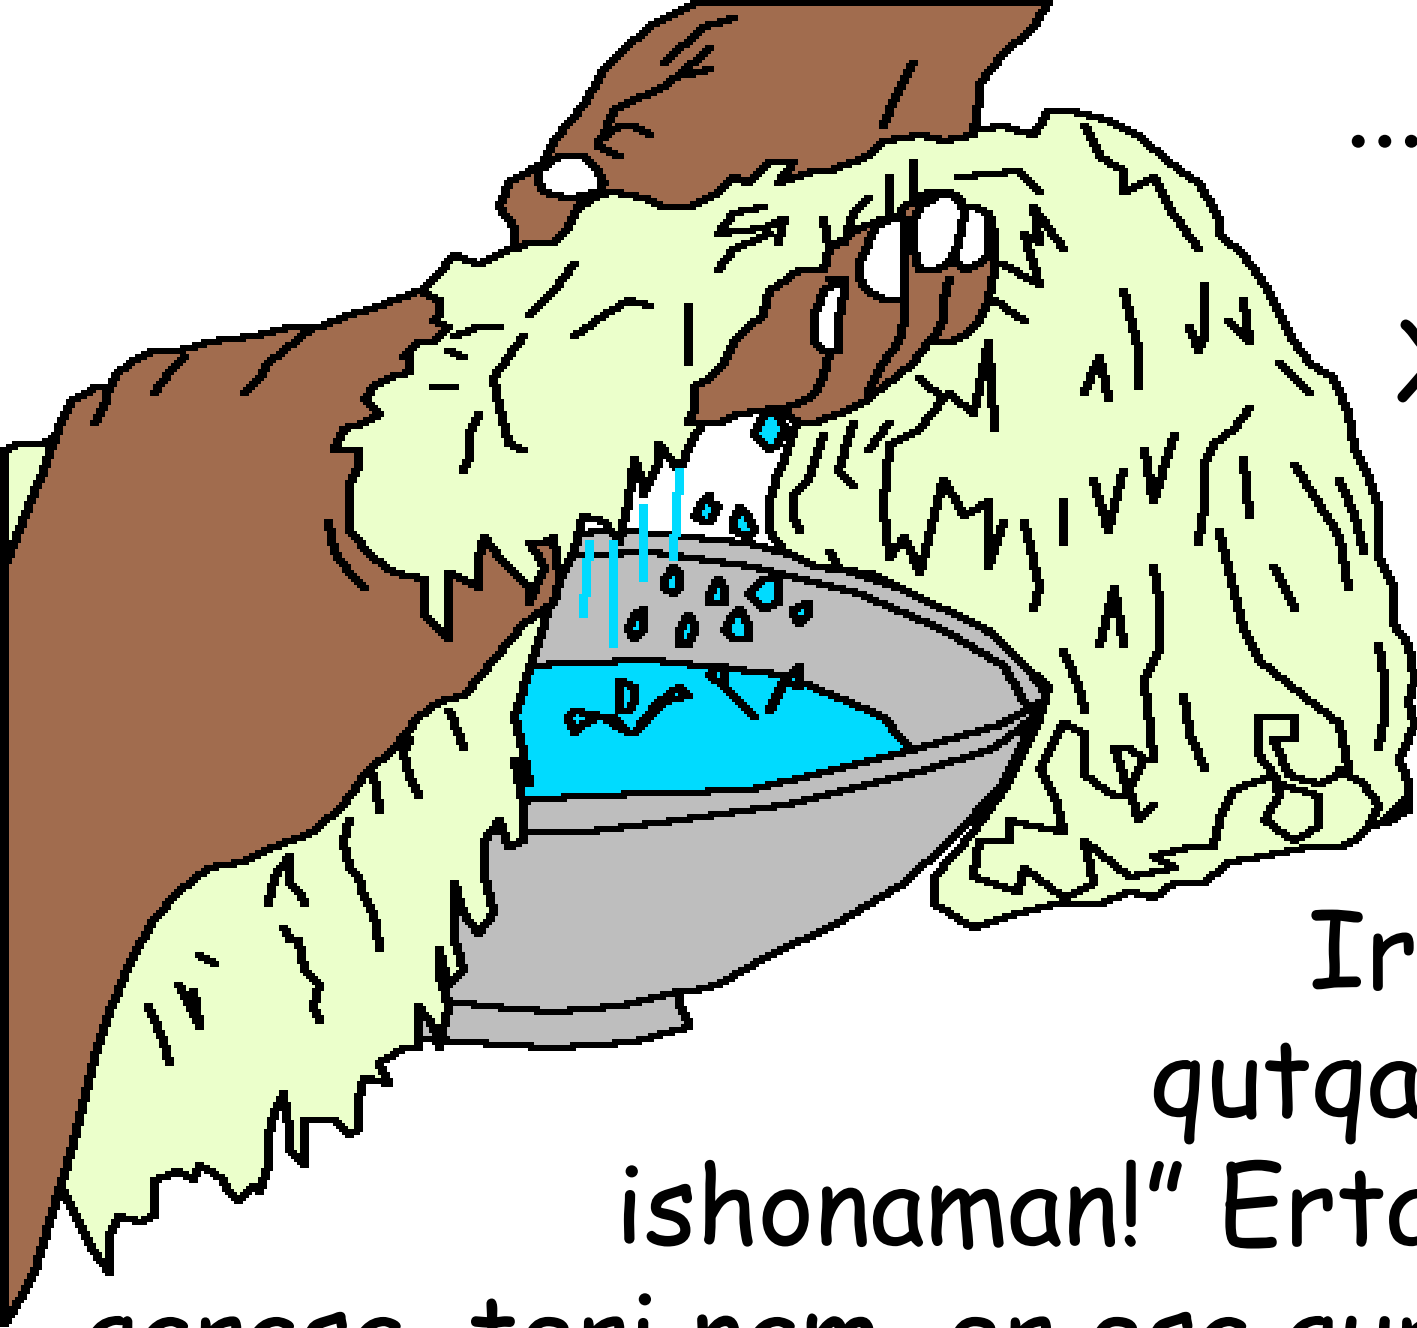

qo'ydi.

Gido'n ibodat
qilib, shunday dedi: "Agar
ertalab teri nam bo'lib, ...

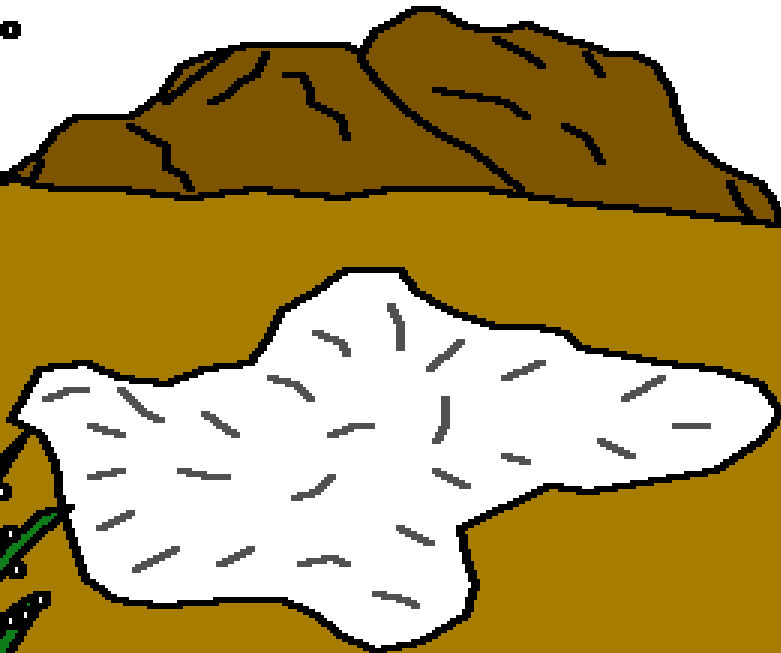

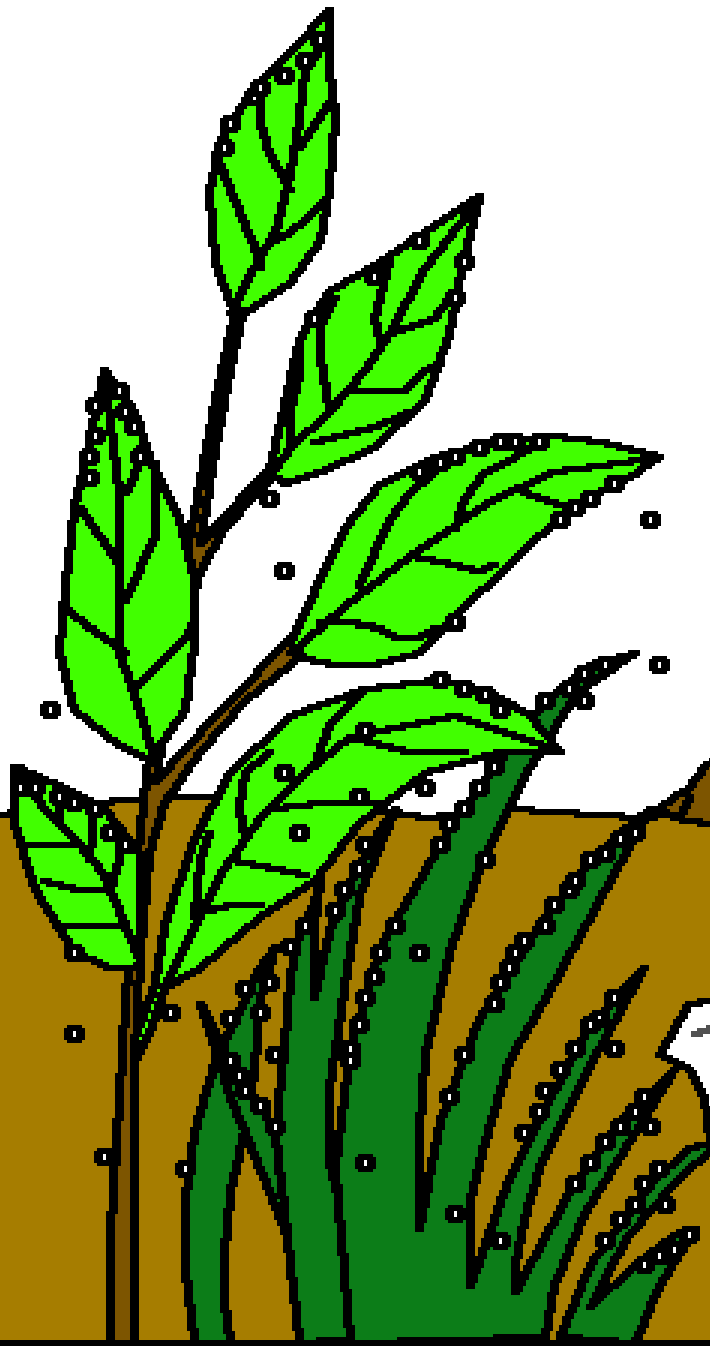

... er quruq
bo'lsa,
Xudovand
Sen
men
orqali

Iroilliklarni
qutqarishingga
ishonaman!" Ertalab turib
qarasa, teri nam, er esa quruq edi!

Ammo Gido'n hamon
shubhalanardi. Endi u
Xudodan erga namlik
yoborib, teri quruq
bo'lishini so'radi.
Ertalab

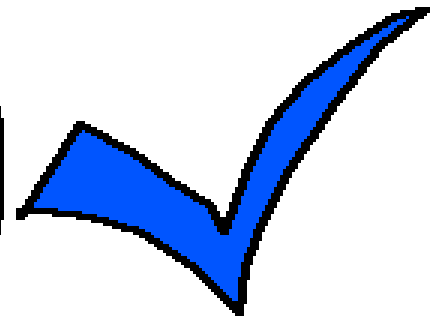

qarasa,
shunday
edi.

Gido'n 32000 qo'shin yig'di, lekin
Xudo uni 300 taga qisqartirdi.

~~32000~~
~~10000~~
300

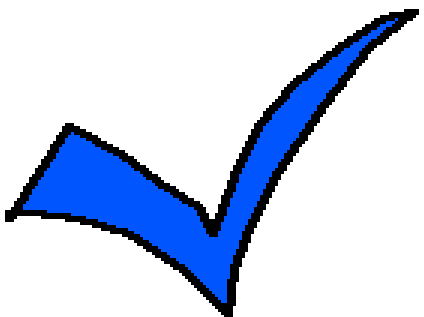

Xudo Isroilliklar "Biz o'z kuchimiz bilan g'olib bo'ldik!" deyishini istamadi. Chunki yagona Qutqaruvchi bu Xudovand edi.

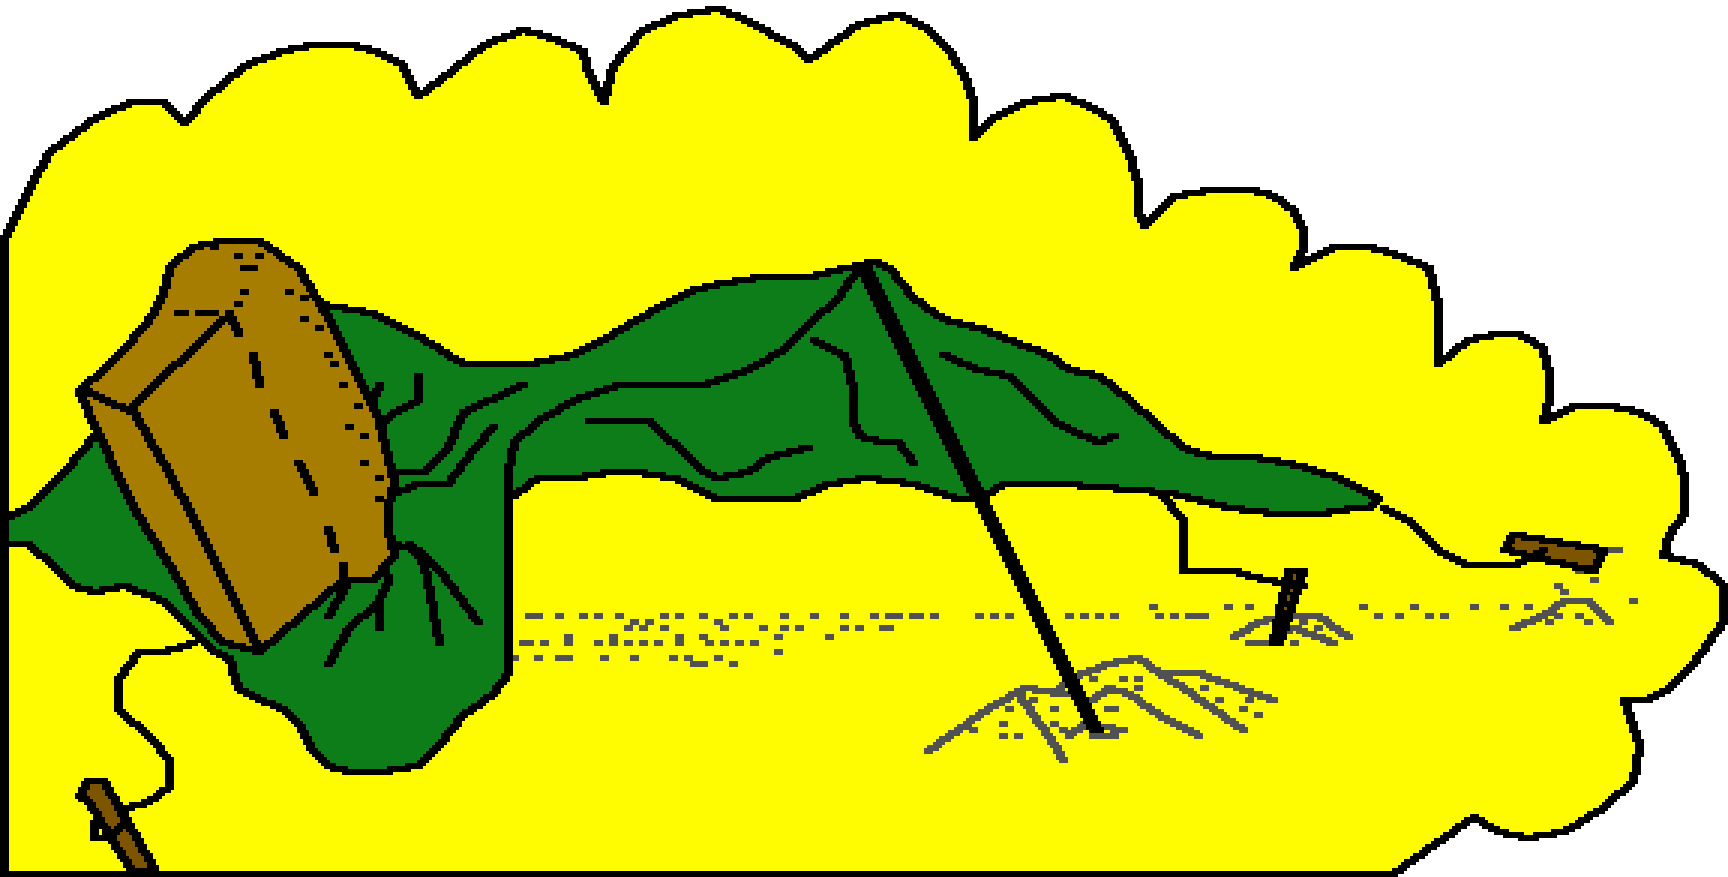

~~3 2 0 0 0~~

~~1 0 0 0 0~~

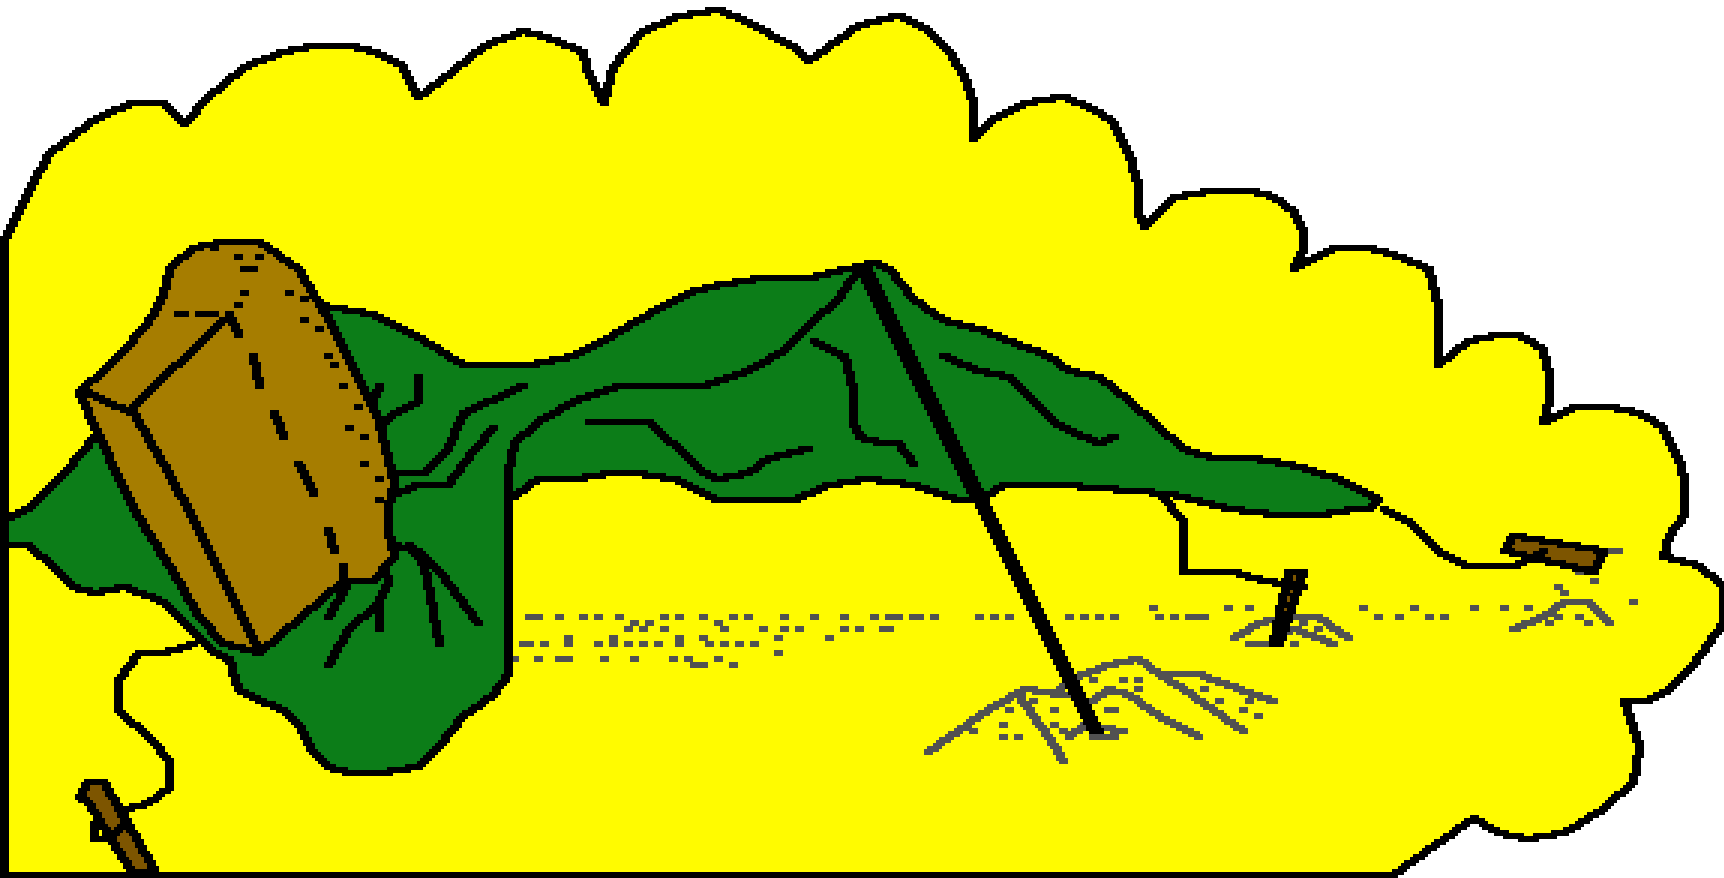

3 0 0

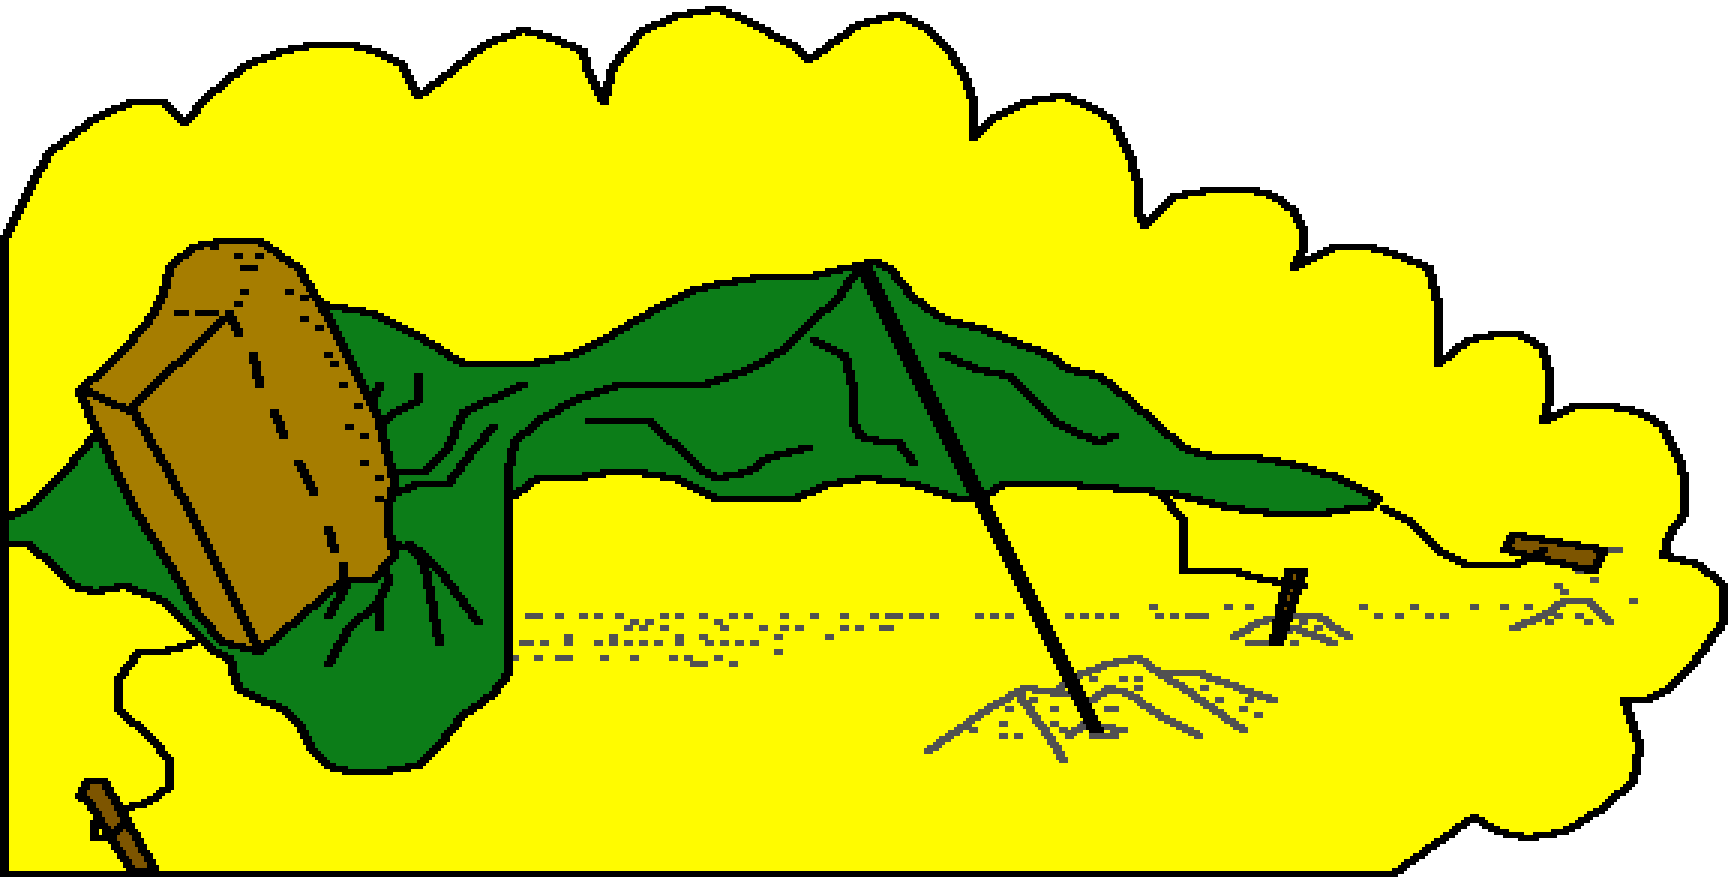

Gido'nda hamon qo'rquv bor edi.
Albatta Xudo buni bilardi.

Shuning uchun Xudo Midiyonlik
bir lashkar tushida bir burda non
Midiyonliklarni chodirini ustiga
tushib, ...

... uni buzganini Gido'n yashirincha eshitishiga yo'l qo'ydi.

Bu tushni eshitgan boshqa
Midiyonlik lashkar qo'rqib
ketdi. U: "Bu Gido'nni qilichi!"

-dedi. Bularning barisini
eshitgan Gido'n, Xudo unga
aniq g'alaba berishiga ishondi.

Gido'n kechasi
hujum qilishni
rejalashtirdi.

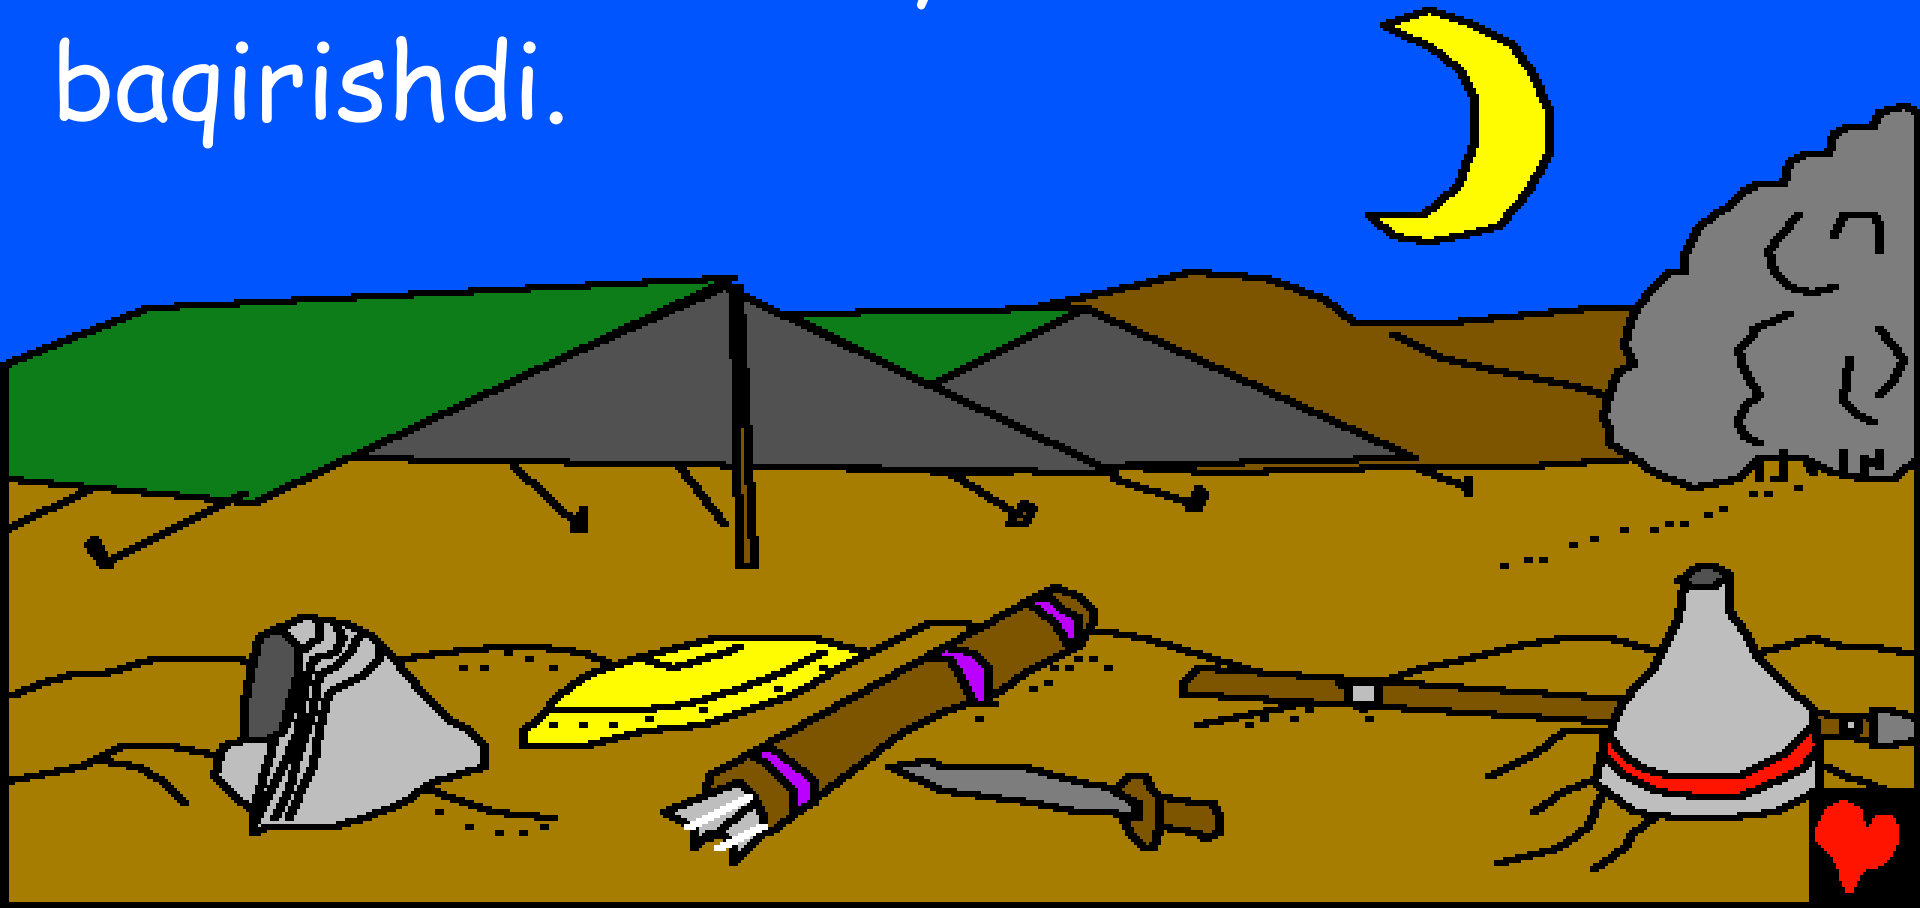

U lashkarlarining
har birini qo'liga
bittadan burg'u
va bo'sh ko'za
berdi.

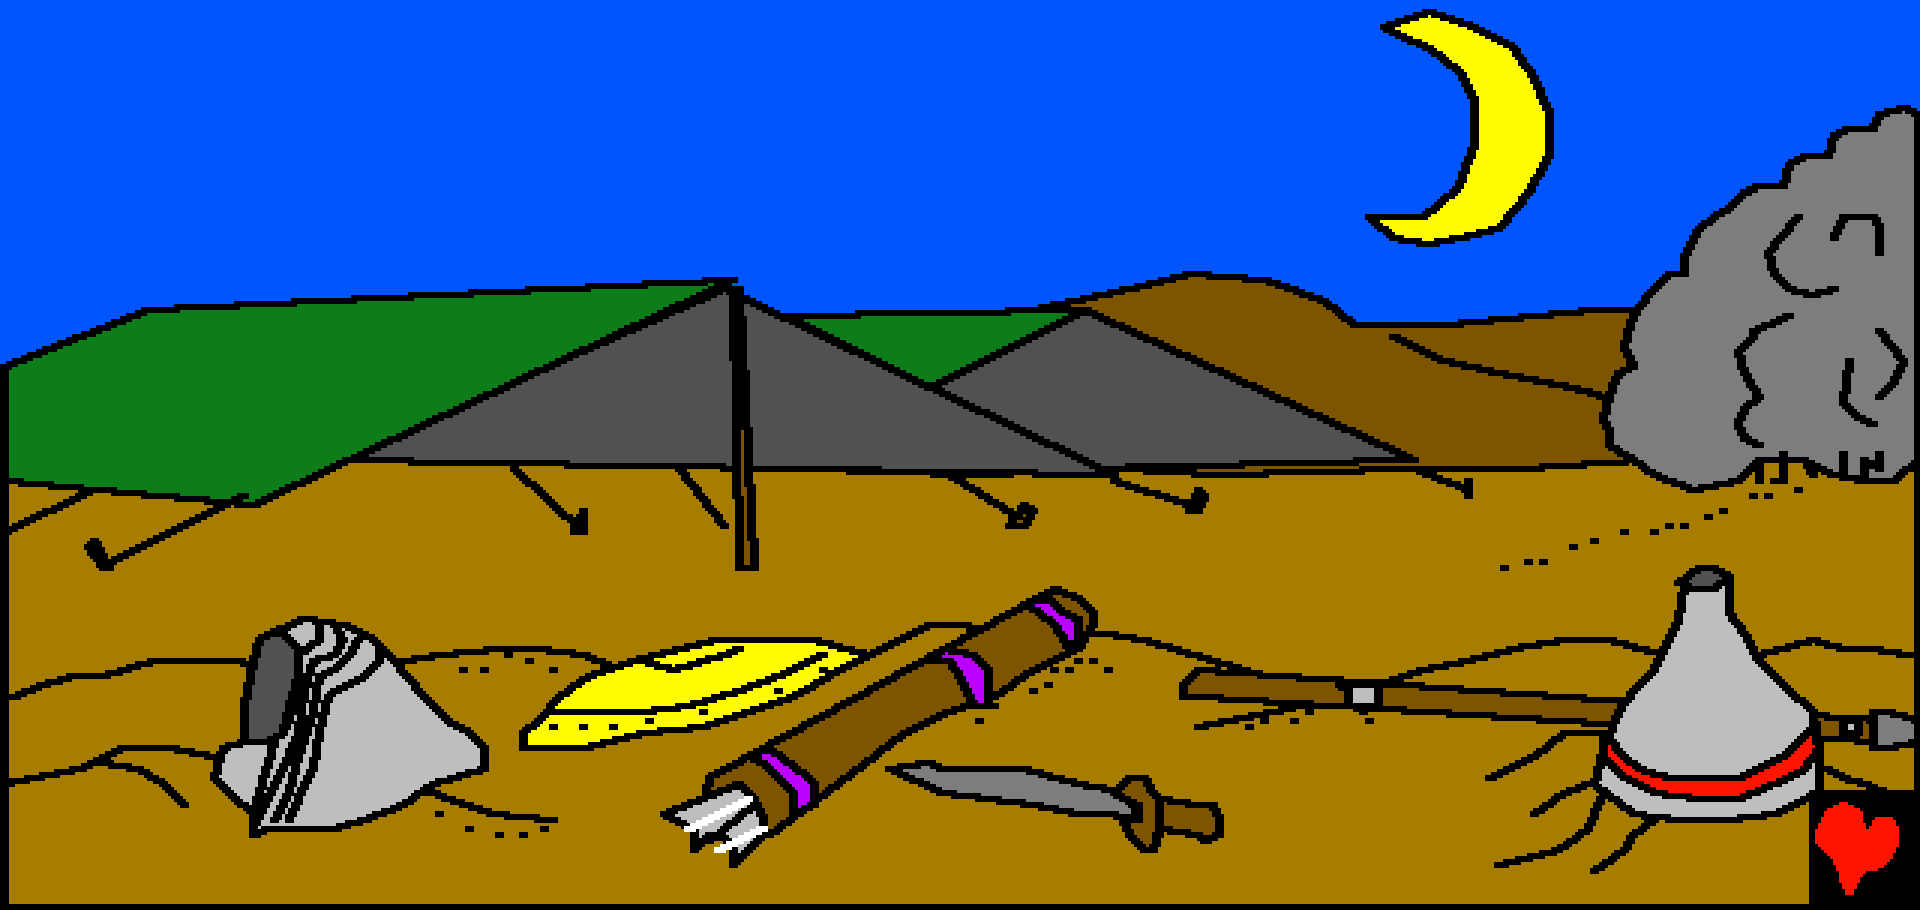

Ko'zalarni
ichida esa
bittadan
masha'la
bor edi.

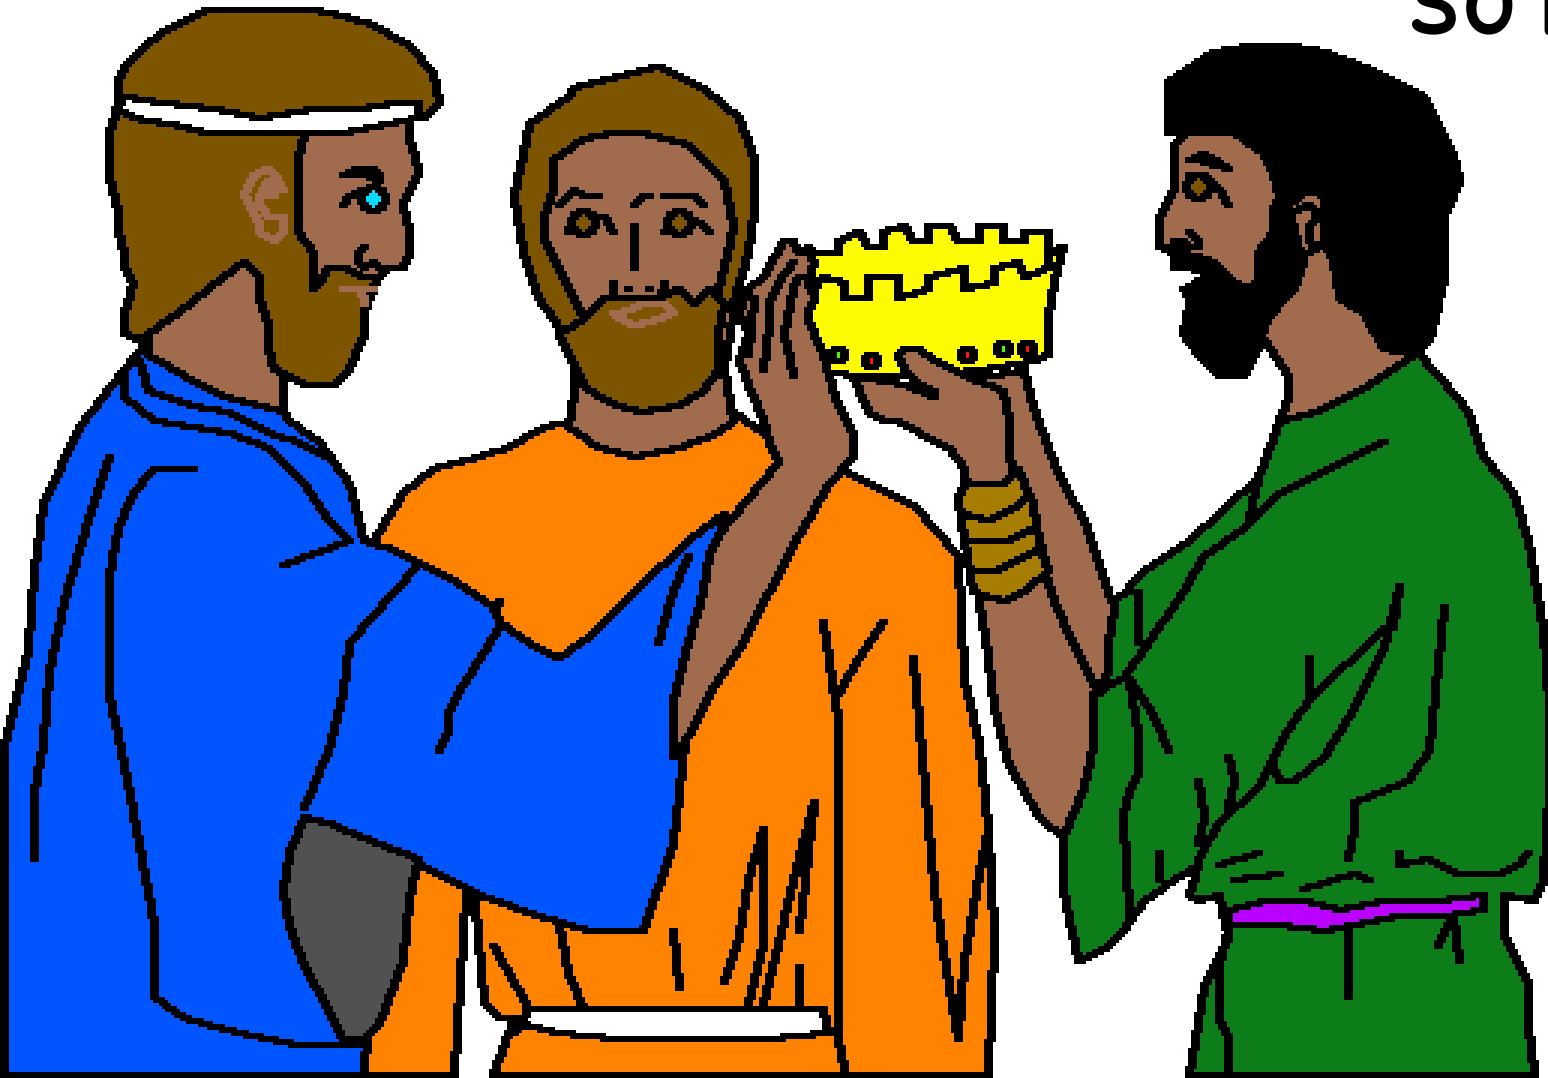

Gido'nni buyrug'iga binoan ular
dushman qala'siga yaqinlashganda,
bug'u chalib, ko'zani sindirishib,
masha'lni ko'tarib,
baqirishdi.

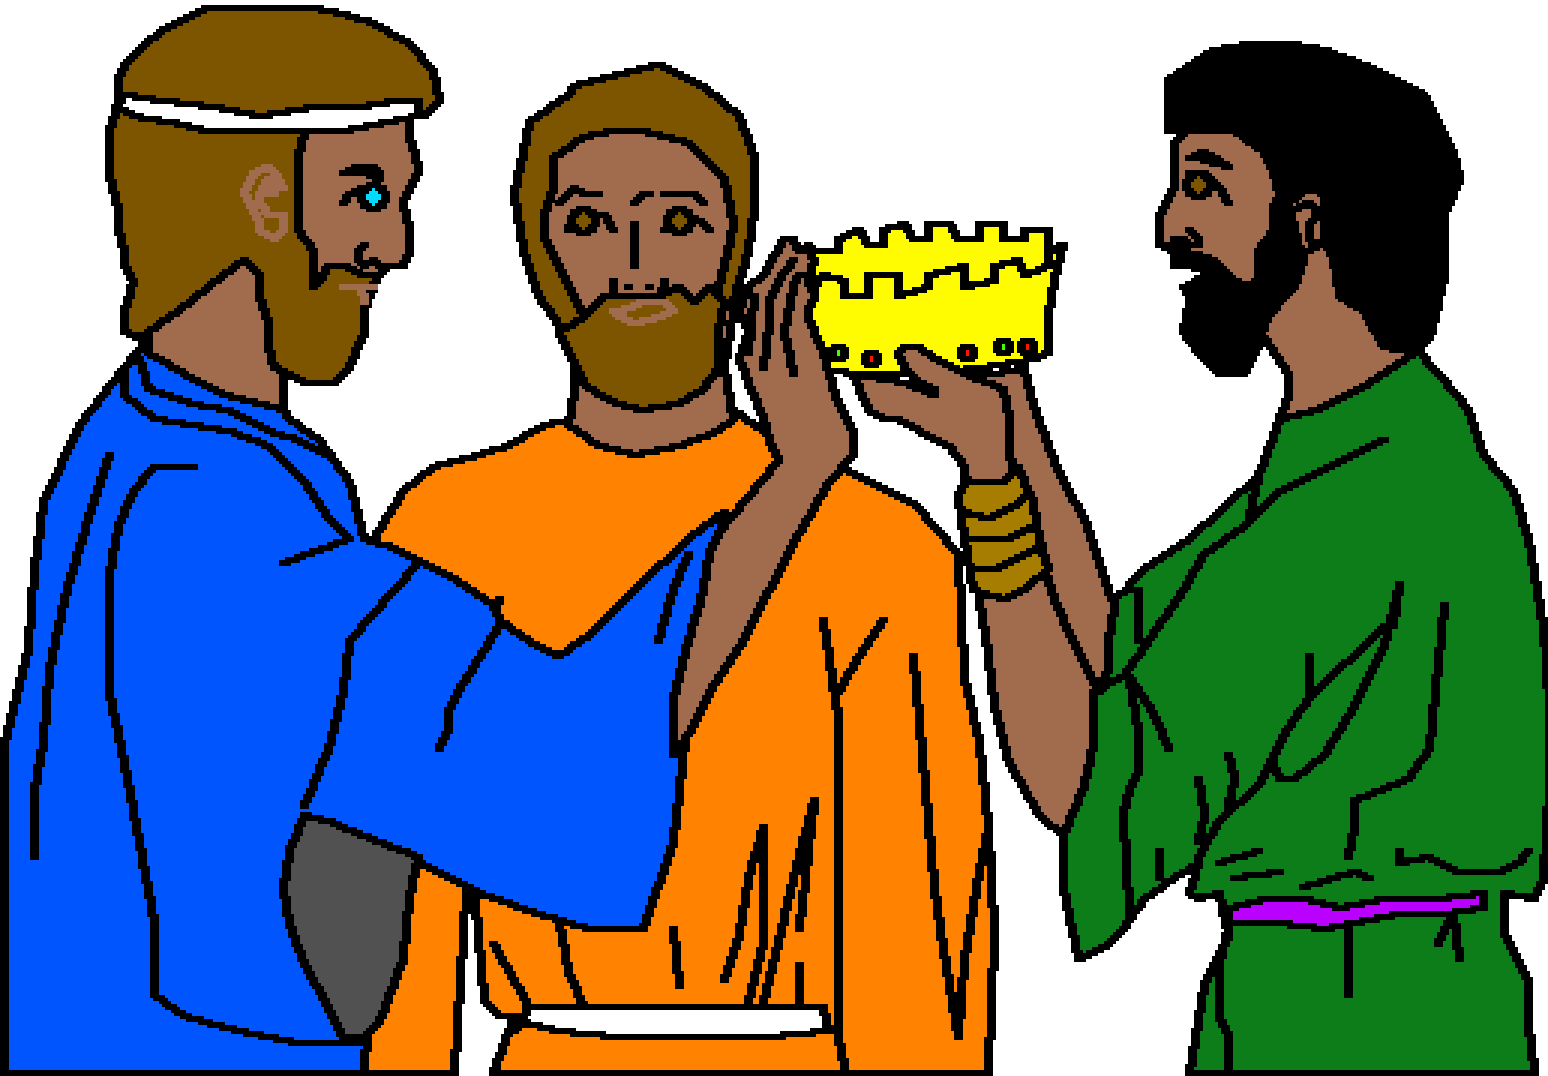

Bundan qo'rqib ketgan
Midiyonliklar qochib
ketishdi.

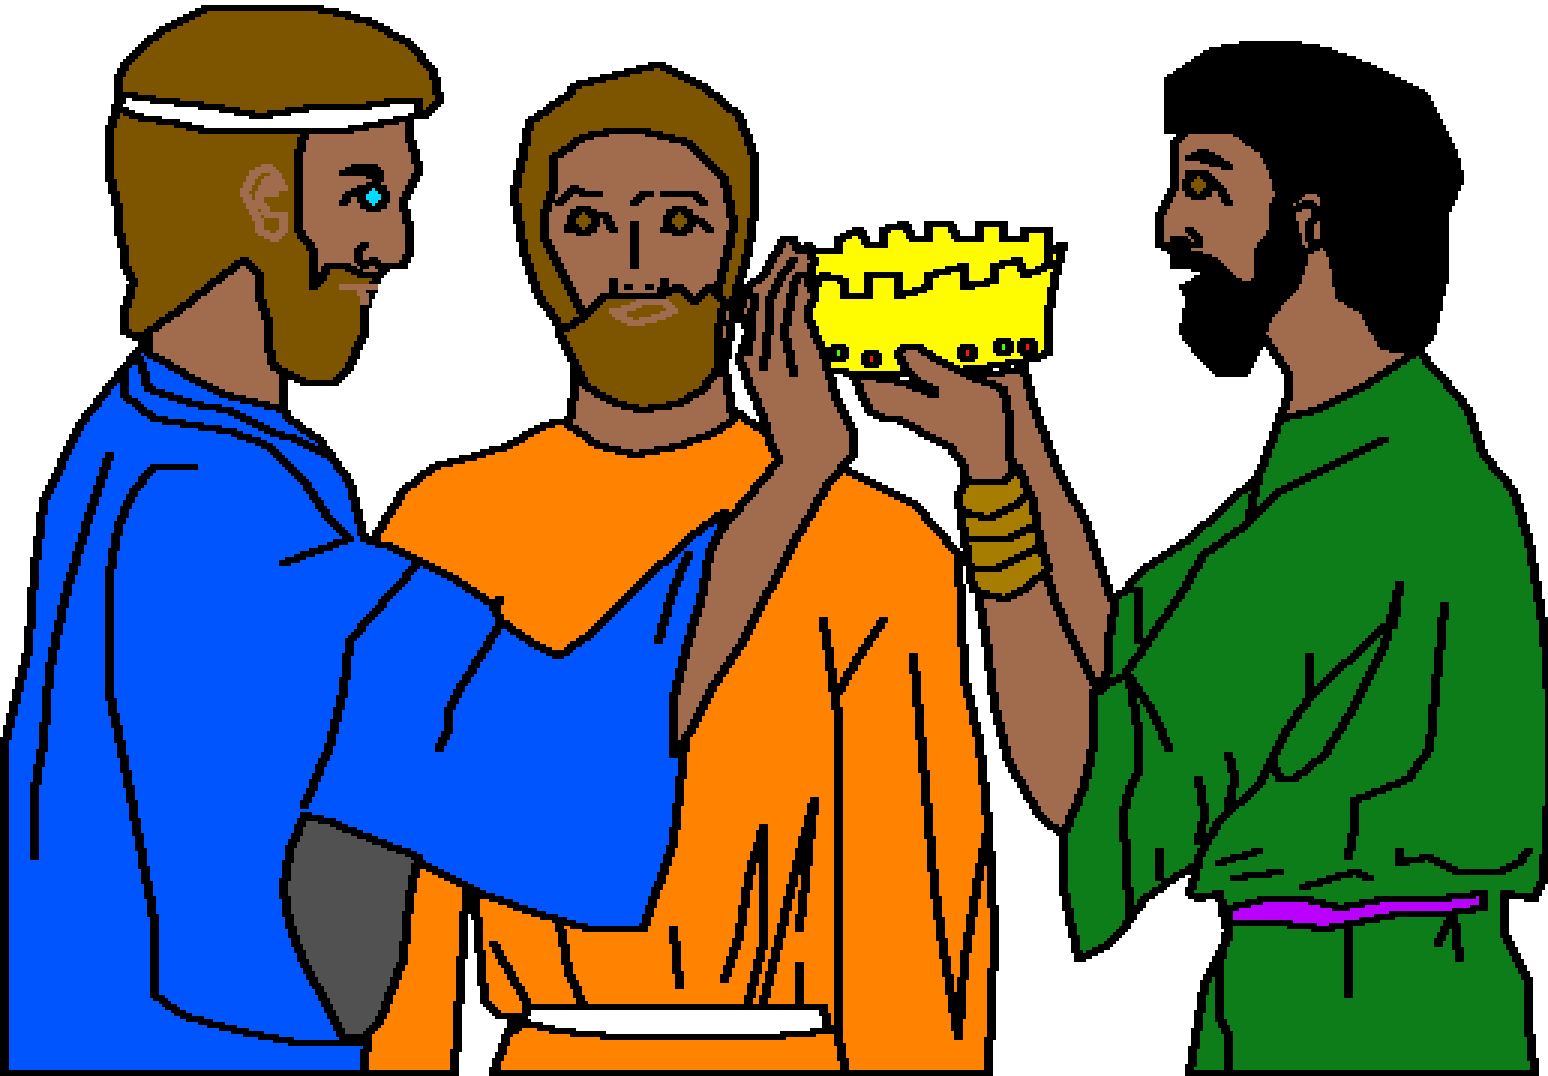

Bunday g'alabadan so'ng Isroilliklar
Gido'n ularga etakchilik qilishini
so'rashdi.

Ammo u: "Sizlarga men emas,
Xudovand etakchilik qiladi!" -dedi.

U faqatgina Xudovand barchaning
ustidan Hukmron ekanligini bilardi.

Gido'nning kichiik qo'shini

Hikoya Hudo Kalomi Injildan olingan

...dan topilgan

Hakamlar 6-9

"Kaloming ochilib qolganda ziyo ochar."

Zabur 119:130

Hikoya tugadi

Bu Kalomdagi Hikoya bizlarga, Hudoning bizlarni ajoyib qilib yaratganligi haqida va biz Uni tanib bilishimiz qanchalik muhim ekanligi haqida hikoya qilib beradi.

Hudo, biz ko'p yomonliklar qilganimizni biladi va U bu Yomonliklarni gunoh deb atadi. Gunohning evazi o'lim lekin Hudo olamni shunchalik sevdiki O'zining Yagona O'g'lini berdi, va U bizning gunohlarimiz uchun hochda o'ldi. U tirilib yana Osmonga ko'tarildi. Unga ishongan kishi halok bo'lmaydi balki abadiy hayotga ega bo'ladi. Agar sis Isoga ishonsangiz, Undan gunohlaringiz uchun kechirim so'rang, U gunoharingizni kechiradi. U sizning yuragingizga kelib yashaydi va siz U bilan abadiy yashaysiz.

Agar siz bu so'zlar haqiqatligiga
ishonsangiz, Hudoga shunday deb ayting:
Qadrli Iso, Men Sening Hudoliginga ishonaman,
Sen yer yuziga kelib mening gunohlarim uchun
o'lding, va Sen yana hozir tiriksan va bir kuni men
sen bilan abadiy bo'laman. Men hozir yangi hayot
bilan yashayman, iltimos mening hayotimga kel,
men Senga itoat qilishim uchun va Sening
frazanding bo'lishim uchun yordam ber.

Muqaddas Kalomni o'qib Hudo bilan har
kuni suhbatlashing! Yuhanno 3:16
