A cartoon illustration featuring a vibrant rainbow with seven distinct color bands (red, orange, yellow, green, blue, purple, and red) arching across a bright blue sky. The rainbow appears to be emerging from a dark grey, rocky volcano on the right side of the frame. A small, white, stylized figure with a black outline is perched on the peak of the volcano, looking towards the rainbow. The background is a solid light blue. Two white, fluffy clouds are positioned at the top of the scene, one on the left and one on the right. The overall style is simple and colorful, typical of children's educational materials.
