An illustration of a rainy day. In the foreground, a dark-colored car is parked on a wet surface, with rain falling on it. To the left, a person wearing a white hat and a dark jacket is walking away from the viewer. The background shows a dark, rainy sky with diagonal lines representing rain. The overall color palette is dark and moody, with shades of green, brown, and black.

A colorful illustration of a landscape. In the top left, a bright yellow sun with rays is partially obscured by a white cloud. The sun's rays are depicted as thick yellow and white beams. In the center, a white bull with curved horns is shown in profile, facing right. The background features a range of mountains in shades of green and grey. The sky is a solid light blue. The foreground shows a dark grey ground surface with some brown rectangular blocks. In the bottom right corner, there is a small red heart icon on a black square background.
