Ye nani yatuumbite? Ibibulia, ulukani lwa nguluvi
lukutwelesa ukuta iasili ya munu we yavangite.
Idaha sana inguluvi yamuumbite umunu va kwanza na
kumukemela Adamu. Inguluvi yamuumbite Adamu
ukuhuma ku mavumbi ga lilongo lya dunia.

Seyikwingidzaga ipumuzi
Adamu nave se iva
mumi. Yamvisile

mubusitani
inofu
yeyikemelwa
Edeni.

2

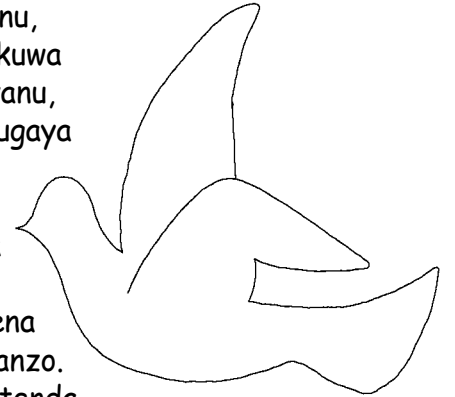

Kabula inguluvu siyilamuumba Adamu, yaumbite ulimwengu mnofu na kuvika ifinu ifinofu fyefishangaza. Hatua kwa hatua yaumbite ifilima na milima, amaua gegihumya iharufu inofu, na mibiki imitali, seyikufipamba ifidege kwa magala na nzuki dzedzidzumba dzumba, inyangumi

dzedzikwegala na makola gegitambala.
Kiukweli inguluvu
yaumbite kila kinu.

3

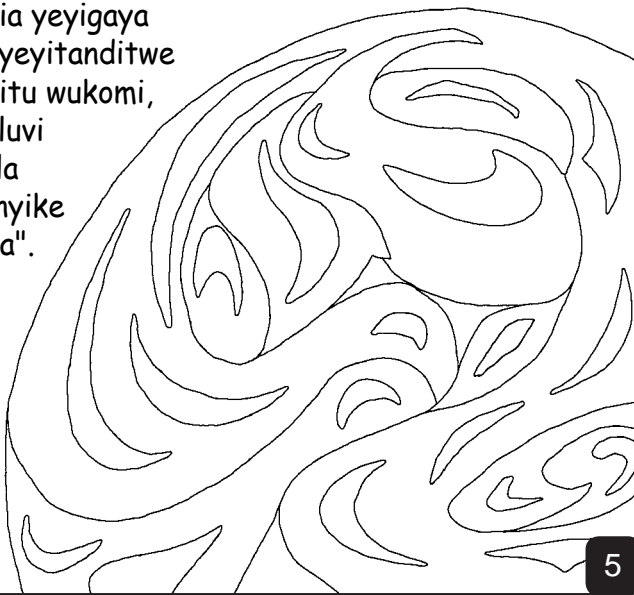

Kumwanzo kabisa, kabula inguluvu siyilaumba kinu, kwekugaya kinu isipokuwa inguluvu, kwekugaya vanu, mahali wa kinu, kwekugaya mwanga wala kilo, kwekugaya pasi wala kuchanya, kwekugaya igolo wala milawu. Kwekuna inguluvu yiyena ambayo yeyigaya mwanzo. Pambele inguluvu seyitenda.

Kumwanzo inguluvu yaumbite kuchanya (pepo) na idunia.

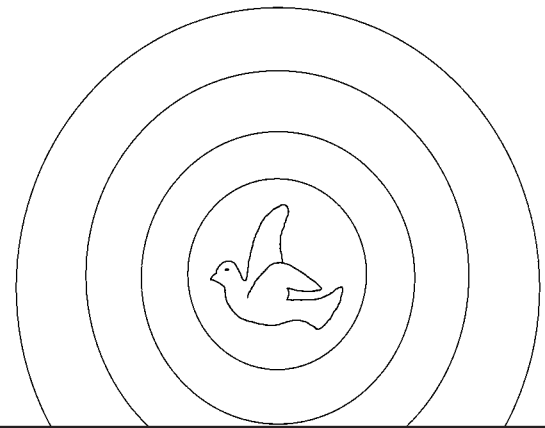

4

Na idunia yeyigaya kinu na yeyitanditwe na uwutitu wukomi, ino inguluvu seyitigila "legufanyike umwanga".

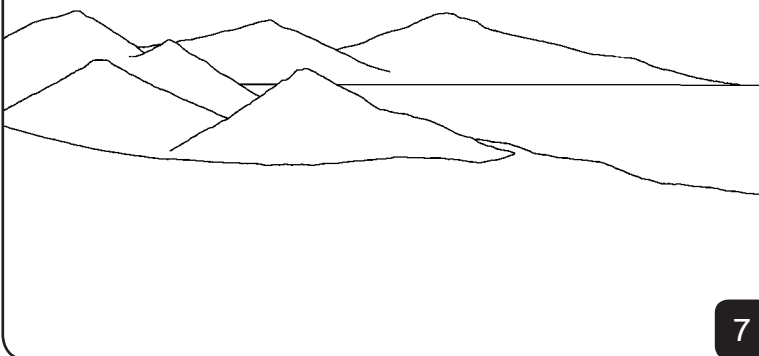

5

Segwifanyika umwanga. Inguluvu seyikemela umwanga pamunyi na wutitu pakilo. Na kilo na munyi seyiva isiku ya kwanza.

6

Isiku ya wuvili inguluvu yaletite ibahari ngomi, ibahari na madziva pasi pa mbingu, isiku ya tatu inguluvu se yita "ino iinji ing'afu yitokele" se yitokela.

7

Inguluvu yaamulishe na masoli, mauwa, fidzaka na mibiki ukhumila, sefihumilila. Na pamunyi na pakilo se yiva siku ya udatu.

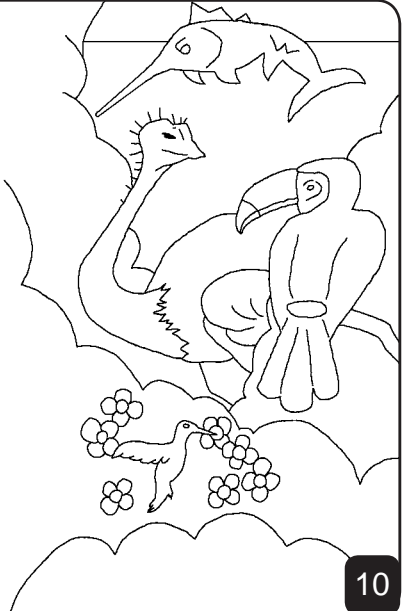

8

Kisha inguluvi seyiumba ilidzuva na mwedzi, pamoja na nyota nzolofu ambadzo kugaya munu yeiwesa ukudzivalila. Na pakilo na munyi sewiva isiku ya ine.

9

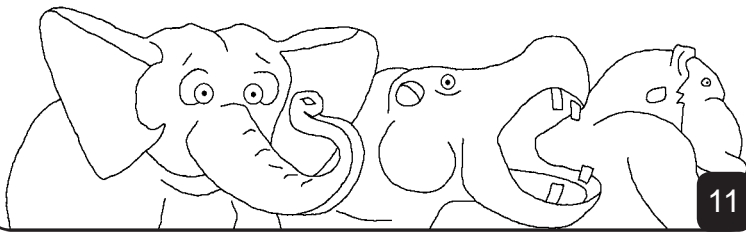

Ifiumbe fya kubahalini, isamaki na fidege fyafwatile ukuumbwa, isiku ya uhanu inguluvi yaumbite isamaki, mbuni, na fidege fyefidzumba dzumba. Inguluvi yaumbite kila aina ya samaki na kumemya ululenga lwa inyi, kila fidege ili kwikelela inyi, ibahari na kuchanya. Na kilo na pamunyi seyiva siku ya wuhanu.

10

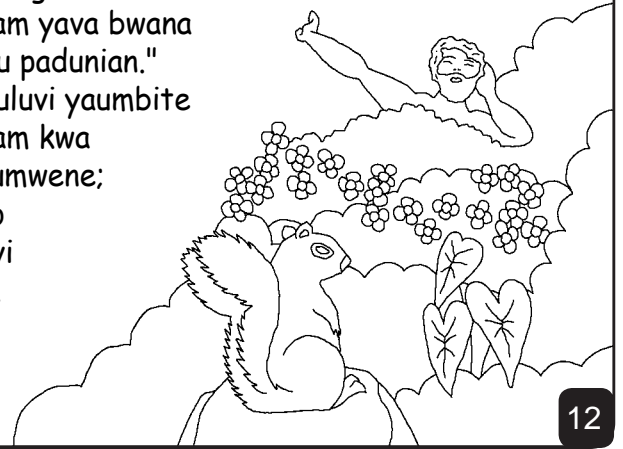

Inguluvi yaumbite tenaa. Atge "Yileke idunia yilete ifiumbe vingi fitai..." Kila aina ya vanyama na gongoli na reptilia vasile, kwwkuna ndembwe ngomi, ngedege na mamba, iminyoo, isimbilisi, twiga, na mapaka. Kila aina ya mnyama aumbitwe isiku iyo.

Na pakilo na pamunyi seyiva siku ya sita.

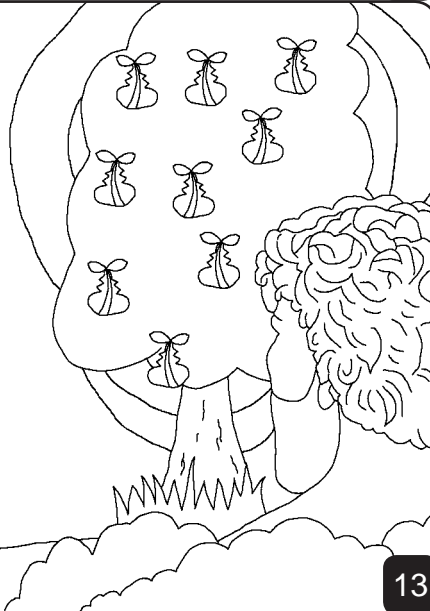

11

Inguluvi yaumbite kinu kingi isiku ya sita, kinu Cha kipekee Sana. kila kinu che tayari kumwanadam. Kwekuna chakulya mnyi na vanyama kwaajili yakwe. Inguluvi yatge "leke tuumbe umwanadam yava bwana vakila kinu padunian." Hivyo inguluvi yaumbite umwanadam kwa kwiwana umwene; kwamfano kwanguluvi yaumbite.

12

Inguluvi yamlonje Adam." Lye chewisaka kubustan, Ila ulalya kuhuma mubiki gwa luhara na makosa, pe ulye kuhuma kumbiki gula wifwa".

13

Kisha inguluvi yatge "si lunofu umbaba ikale iyena. Ndimsakila umnyakumtanga" nguluvi. Avakemelye avanyama na ndege mbevali kwa Adam. Adam avapelye mbevali amatawa. Bila Shaka eana luhara sana. Lakin Kat yao kugaya yamfwaite Adam .

14

Inguluvi yampelye Adam itulo zito. Amhesise ulubafu lwa kushoto na kuhuma ulubafu lwakushoto Adam aumbitwe umumama. Umumama yaumbitwe e munu mnofu na halali kwa Adam.

15

Inguluvi yaumbite kila kinu siku sita, seibariki siku ya Saba kutigila siku yakusupa. Katika bustan Adam nauvakwe eva veva kelye kumpulikisa umuvina vao, yavahudumilige na rafik yao.
