A colorful illustration of a landscape. In the top left, a bright yellow sun with rays is partially obscured by a white cloud. Three thick, white, curved horns, resembling those of a bull, are positioned in the center-left. A yellow beam of light shines from the sun towards the horns. In the foreground, there is a wooden structure made of several stacked, dark brown rectangular blocks. To the right, there are green and grey mountains. The sky is a solid light blue, and the ground is a mix of green and grey. In the bottom right corner, there is a small red heart icon on a black background.
