Shati: May xaq inlataa ini ada nugul kusameysati ama daabacati
sheekadun ilaa inti ada in gadanah.

1

Nuux wuxuu ahaa nin
Ilaahay caabuda. Dadka
kale oo dhami way necbeen
oo caasiyeen ilaahay. Maalin
maalmaha ka mid ah, ayaa
Eebbe yidhi wax laga naxo.

"Waan baabbi'in
doonaa
dunidan sharka
ah," Ilaah ayaa u
sheegay
Nuux.

Qoyskaaga oo keliya
ayaa badbaadi
doona."

2

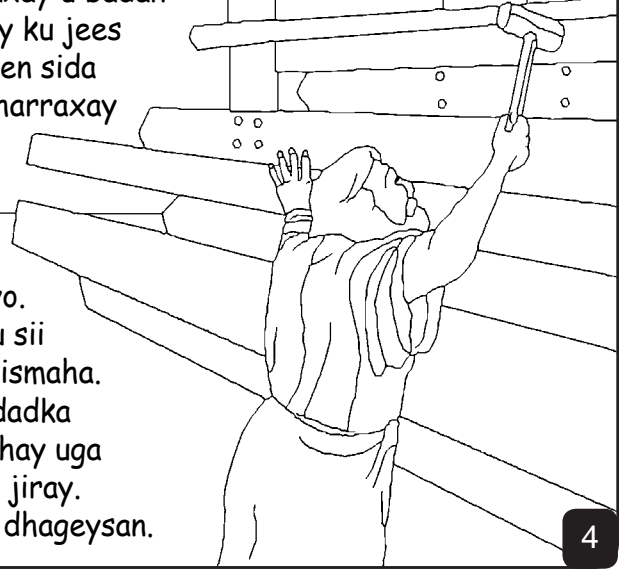

Ilaah wuxuu Nuux uga digay daad weyn inuu yimaado oo dhulka qariyo. "Nuux samayso dooni alwaax ah, doon weyn oo ku filan qoyskaaga iyo xayawaan badan," Ilaah wuxuu Nuux siiyay tilmaamo sax ah. Nuux mashquul buu galay!

3

Dadku waxay u badan tahay inay ku jees jeesi jireen sida Nuux u sharraxay sababta uu doon u

samaynayo. Nuux wuu sii waday dhismaha. Isaguna dadka ayuu Ilaahay uga sheekayn jiray. Cidna ma dhageysan.

4

Nuux wuxuu lahaa rumaysad weyn. Wuu rumeeyey Ilaah inkasta oo roob uusan horay u di'in. Markiiba doontii ayaa diyaar loo ahaa in lagu raro alaab.

5

Hadda waxaa yimid xayawaankii. Ilaah wuxuu keenay toddobo ka mid ah noocyada qaar, laba kalena. Shimbiraha waaweyn iyo kuwa yaryar, xayawaanada yaryar iyo kuwa dhaadheer ayaa waxay gaadeen dhanka doonta.

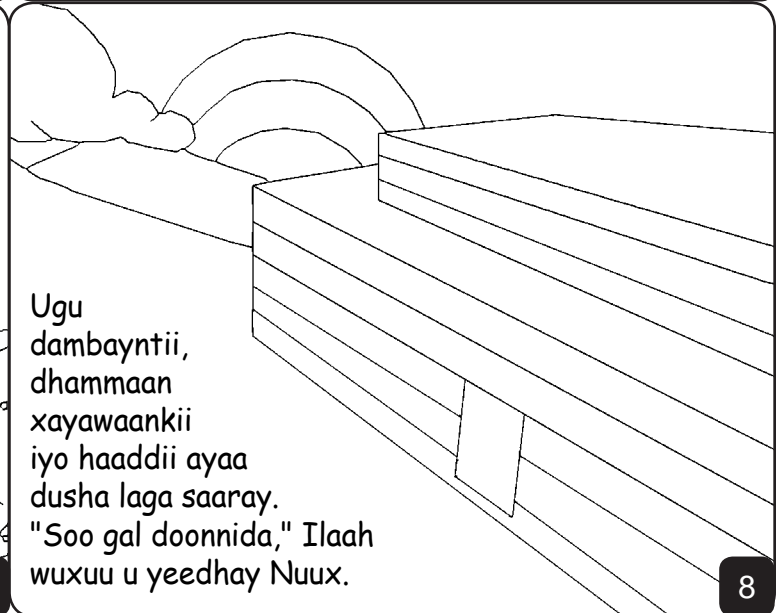

6

Malaha dadku waxay ku qaylinayeen aflagaado Nuux intuu xoolaha raray. Kama joojin dembiga ay Ilaah ka galeen. Iyagu ma ay weydiisan in ay galaan doonnida.

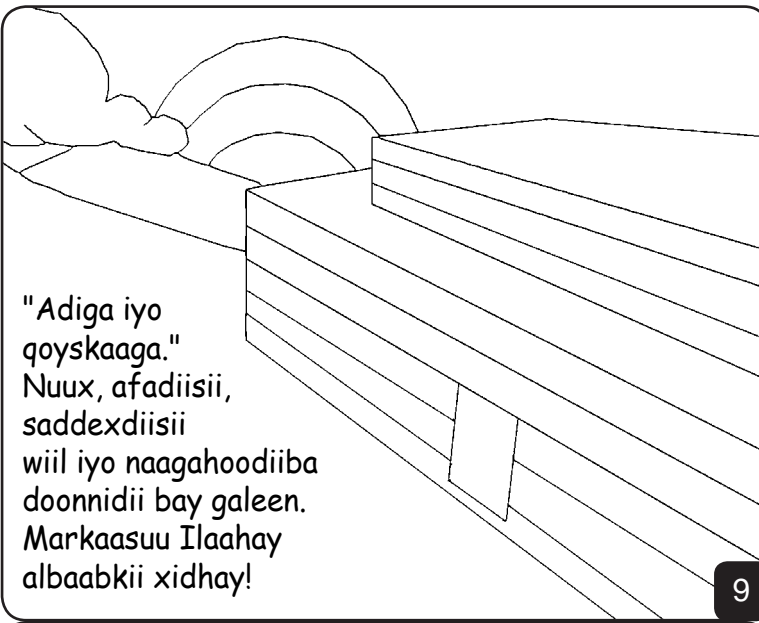

7

Ugu dambayntii, dhammaan xayawaankii iyo haaddii ayaa dusha laga saaray. "Soo gal doonnida," Ilaah wuxuu u yeedhay Nuux.

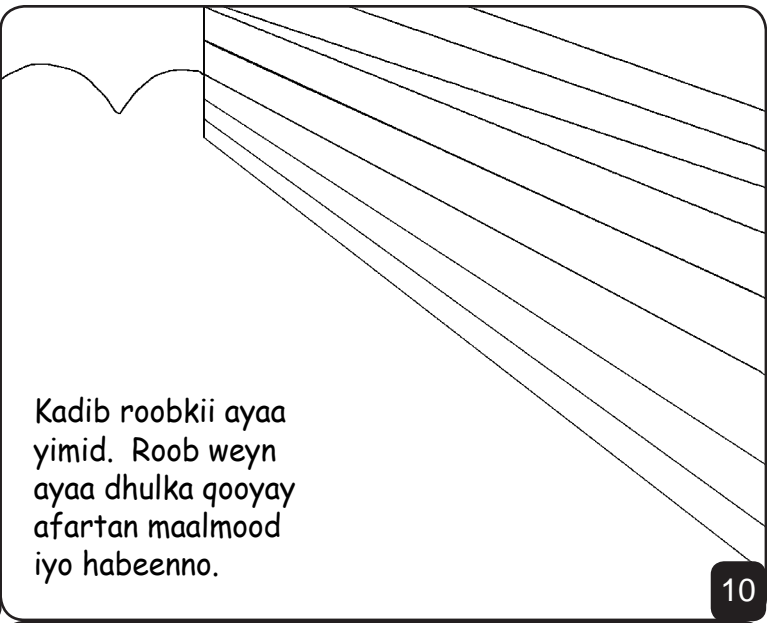

8

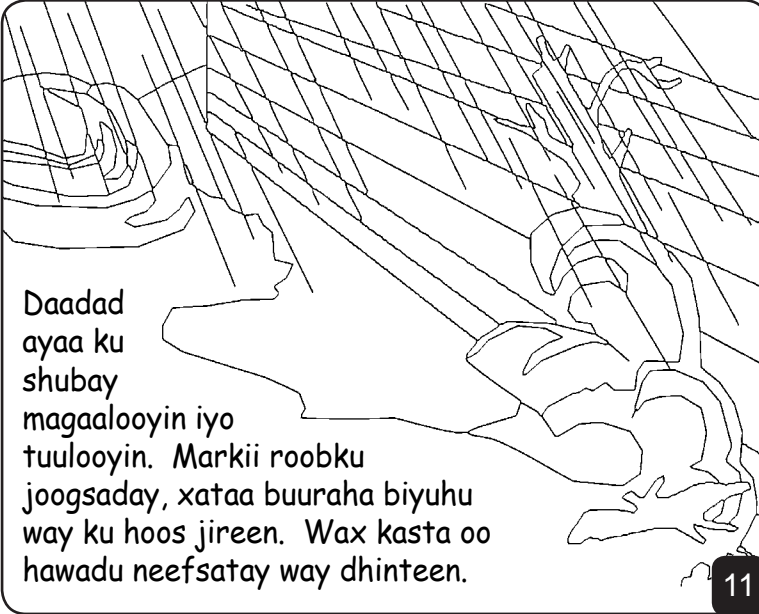

"Adiga iyo
qoyskaaga."
Nuux, afadiisii,
saddexdiisii
wiil iyo naagahoodiiba
doonnidii bay galeen.
Markaasuu Ilaahay
albaabkii xidhay!

9

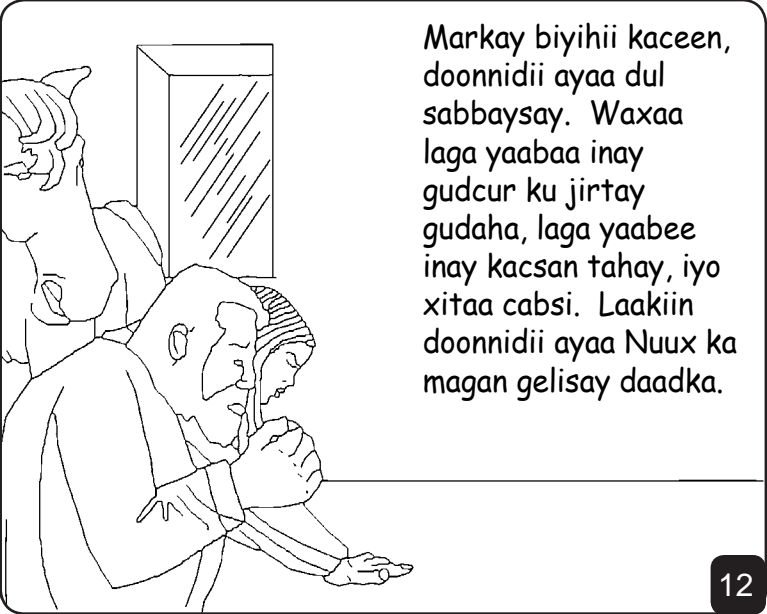

Kadib roobkii ayaa
yimid. Roob weyn
ayaa dhulka qooyay
afartan maalmood
iyo habeenno.

10

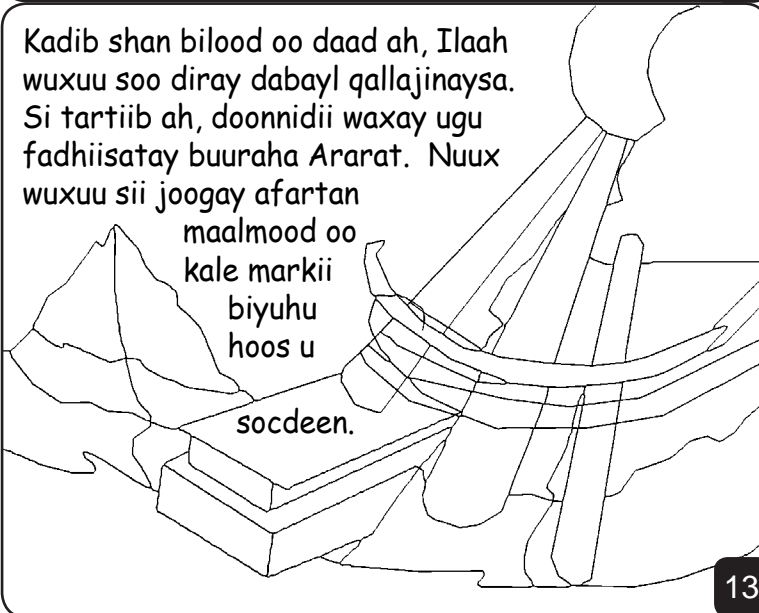

Daadad
ayaa ku
shubay
magaalooyin iyo
tuulooyin. Markii roobku
joogsaday, xataa buuraha biyuhu
way ku hoos jireen. Wax kasta oo
hawadu neefsatay way dhinteen.

11

Markay biyihii kaceen,
doonnidii ayaa dul
sabbaysay. Waxaa
laga yaabaa inay
gudcur ku jirtay
gudaha, laga yaabee
inay kacsan tahay, iyo
xitaa cabsi. Laakiin
doonnidii ayaa Nuux ka
magan gelisay daadka.

12

Kadib shan bilood oo daad ah, Ilaah
wuxuu soo diray dabayl qallajinaysa.
Si tartiib ah, doonnidii waxay ugu
fadhiisatay buuraha Ararat. Nuux
wuxuu sii joogay afartan
maalmood oo
kale markii
biyuhu
hoos u
socdeen.

13

Nuux wuxuu diray daaqad furan oo ka mid ah tuke
iyo qoolley. Qoolleydii ma helin meel qalalan oo
nadiif ah oo ay ku nasato, qoolleyduna waxay ku
noqotay Nuux.

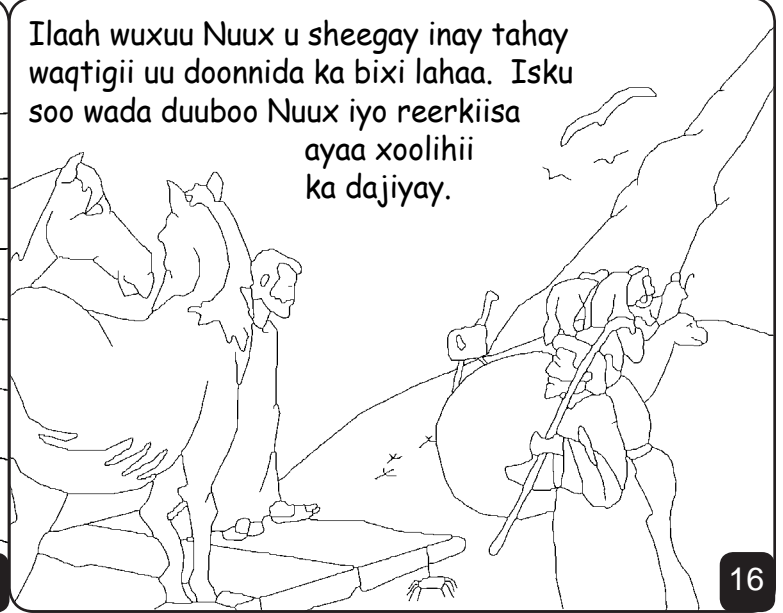

14

Toddobaad ka dib, Nuux mar kale ayuu isku dayay. Qoolleydii waxay la soo noqotay caleemo saytuun ah afkeeda. Toddobaadkii xigay Nuux wuxuu oga in dhulku qallalay maxaa yeelay qoolleydii ma ay soo noqon.

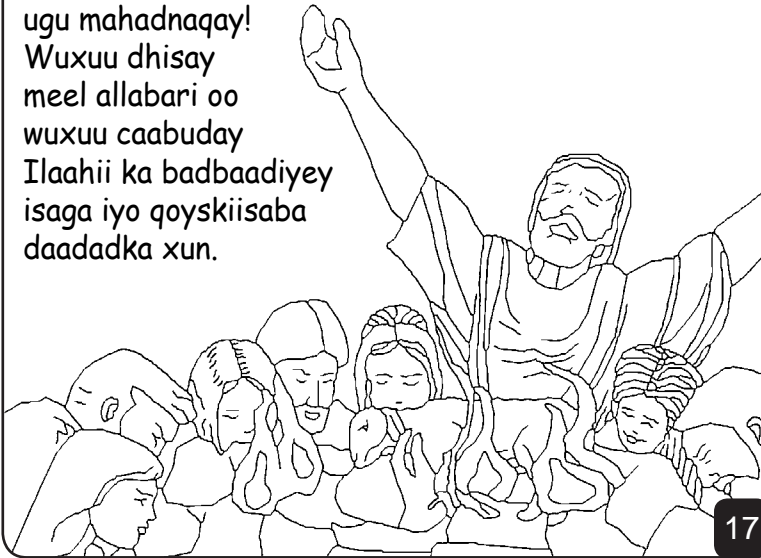

15

Ilaah wuxuu Nuux u sheegay inay tahay waqtigii uu doonnida ka bixi lahaa. Isku soo wada duuboo Nuux iyo reerkiisa ayaa xoolihii ka dajiyay.

16

Nuux sidee buu ugu mahadnaqay! Wuxuu dhisay meel allabari oo wuxuu caabuday Ilaahii ka badbaadiyey isaga iyo qoyskiisaba daadadka xun.

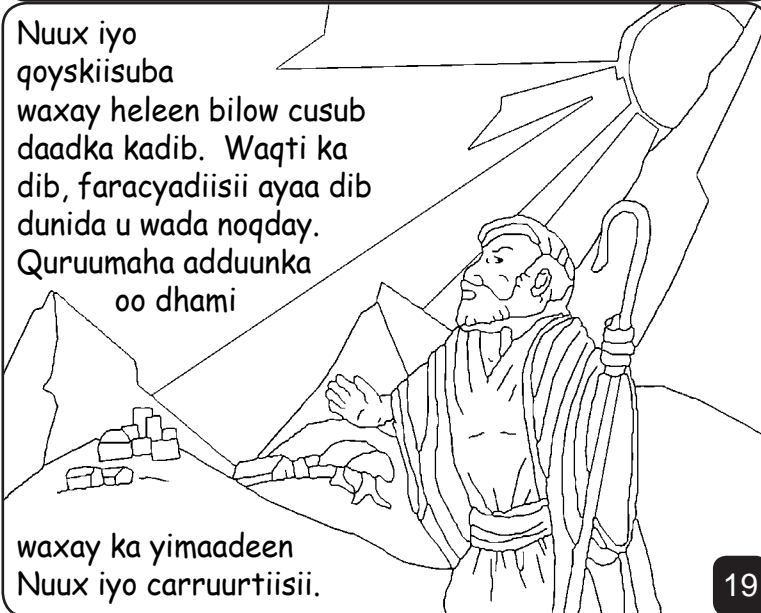

17

Ilaah wuxuu Nuux siiyay ballanqaad cajiib ah. Marnaba dib uma soo diri doono daad si uu u xukumo dembiga aadanaha.

Ilaah wuxuu siiyay xusuusin weyn oo ku saabsan ballanqaadkiisii. Qaanso roobaadka waxay ahayd calaamadda ballanqaadka Eebbe.

18

Nuux iyo qoyskiisuba waxay heleen bilow cusub daadka kadib. Waqti ka dib, faracyadiisii ayaa dib dunida u wada noqday. Quruumaha adduunka oo dhami

waxay ka yimaadeen Nuux iyo carruurtiisii.

19

Nuux iyo Daadkii weynaa
