Markuu Ciise dhulka ku noolaa wuxuu xertiisa u sheegay Jannada. Wuxuu ugu yeeray "Gurigii Aabbahay", oo wuxuu yidhi guryo badan ayaa ku yaal.

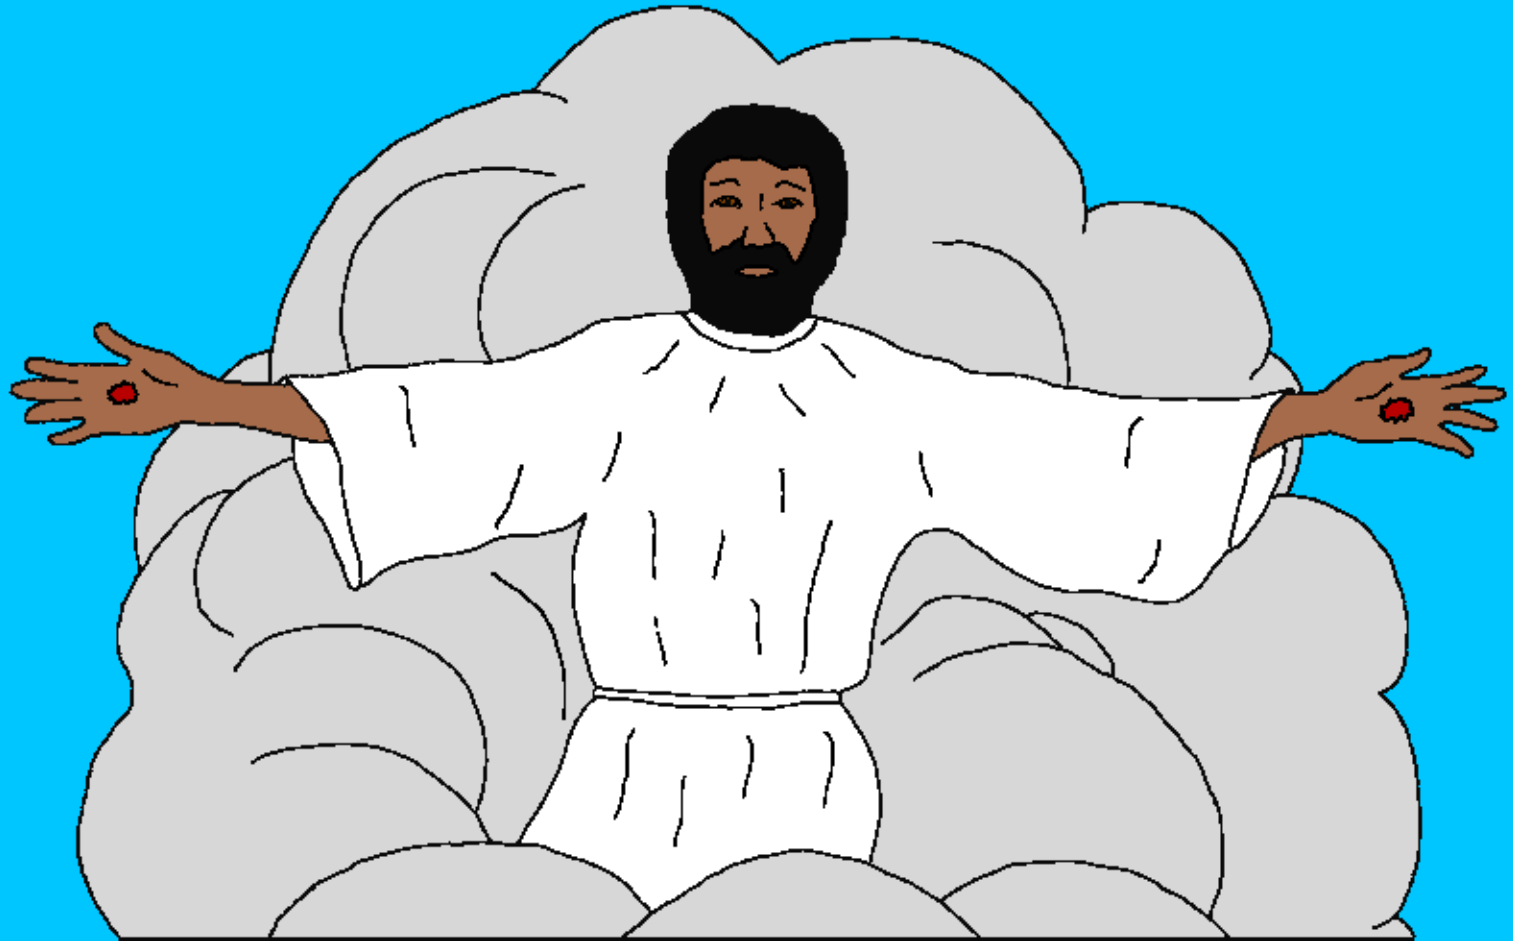

Guri waa guri weyn, qurux badan. Jannadu way ka ballaaran tahay kana qurux badan tahay guri kasta oo dhulka ku yaal.

Ciise wuxuu yidhi, "Waxaan u tegayaa inaan meel idiin diyaariyo. Oo haddaan tago oo aan meel idiin diyaariyo, waan soo noqon doonaa oo naftaydaan idin ku aqbali doonaa."

Ciise wuxuu aaday Jannada, markuu ka sara kacay kuwii dhintay. Intii xertiisii fiirineysay, ayaa Ciise kor loo qaaday, oo daruur baa indhahoodii ka qarisay iyagii.

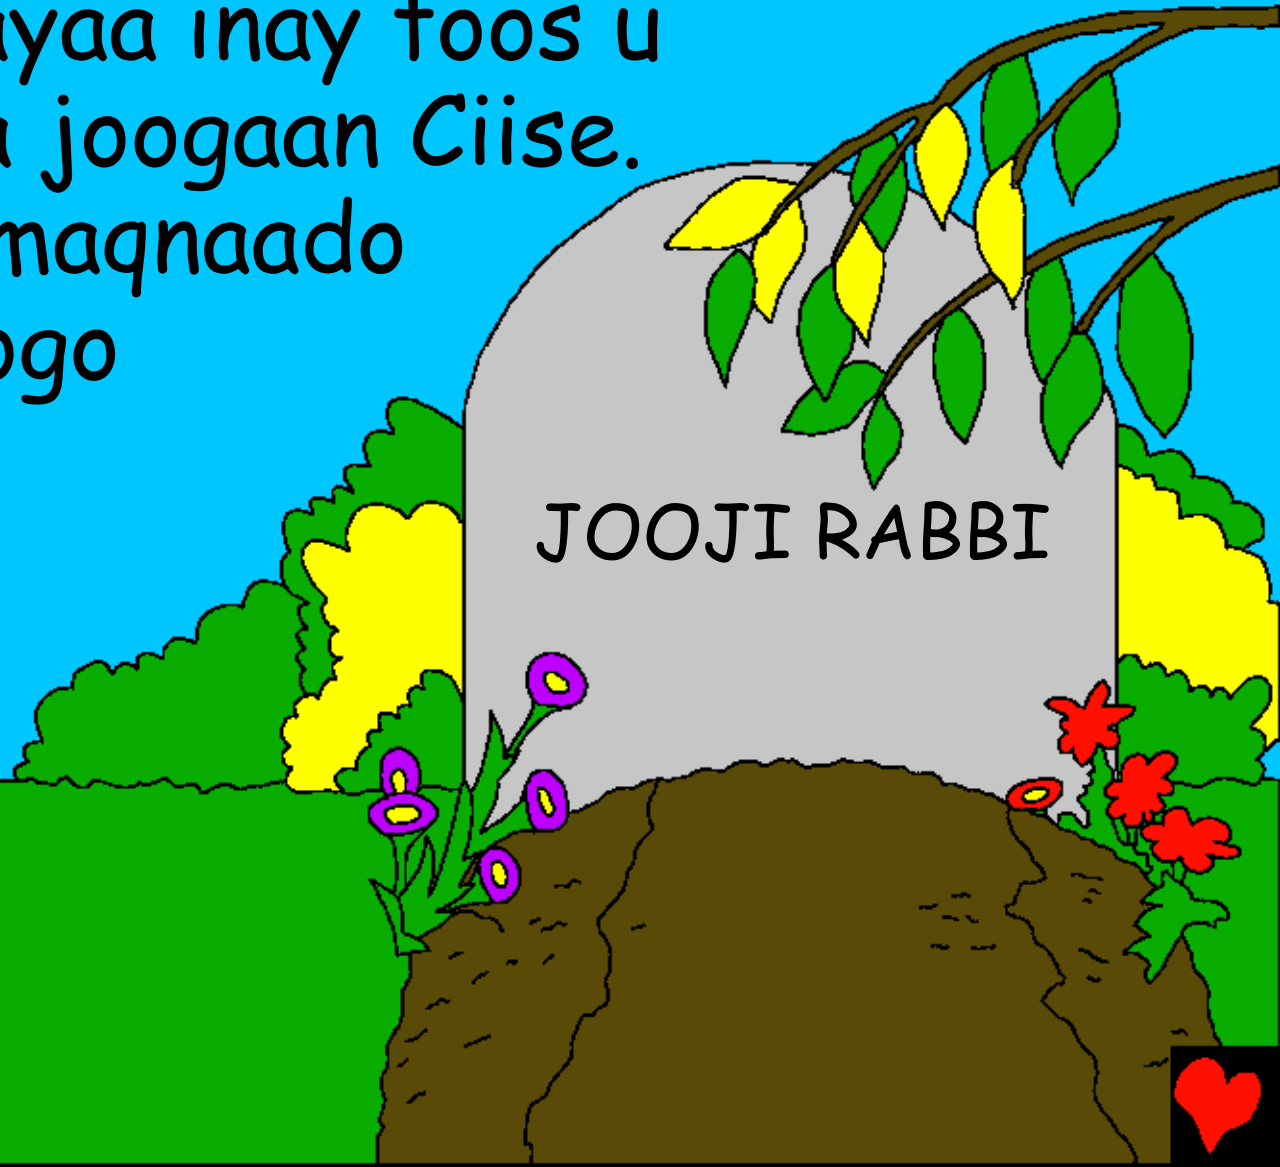

Tan iyo markaas, Masiixiyiintu waxay xusuusteen ballanqaadkii Ciise ee ahaa inay soo noqdaan oo ay helaan.

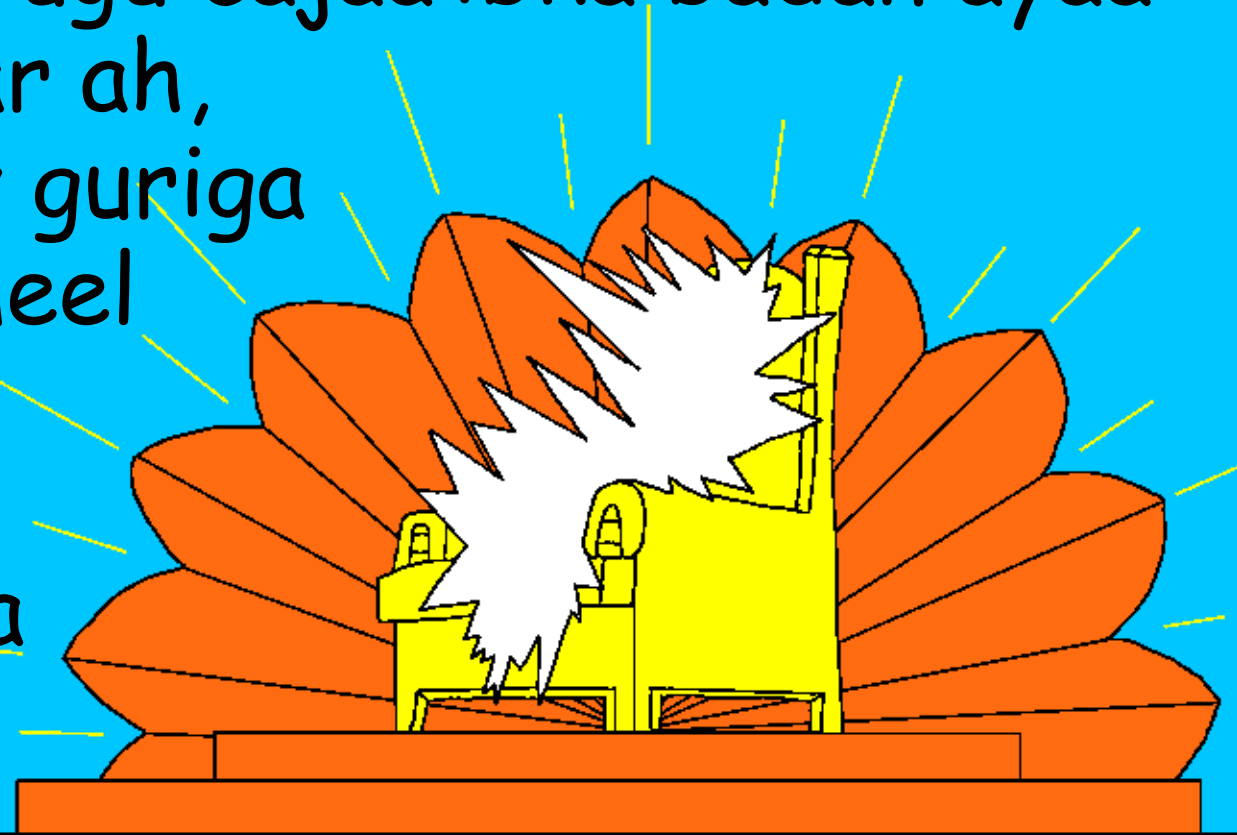

Ciise wuxuu sheegay inuu ku soo laaban doono si lama filaan ah, markii ugu yaraan la filaayay.

Laakiin ka warran Masiixiyiinta dhinta
intuusan imaan ka hor? Baybalku
wuxuu sheegayaa inay toos u
aadaan inay la joogaan Ciise.
In jirka laga maqnaado
waa in lala joogo
Rabbiga.

Muujintii, buuggii ugu dambeeyay ee
Kitaabka Quduuska ah, wuxuu inoo
sheegayaa sida ay samadu u tahay mid
cajiiba. Waxa ugu cajaa'ibka badan ayaa
ah, in qaab gaar ah,
Jannadu tahay guriga
Ilaah. Ilaah meel
walba wuu
joogaa, laakiin
carshigiisu waa
Jannada.

Malaa'igta iyo waxyaalaha kale ee
jannada ku jiraa waxay ku caabudaan
Jannada. Sidaas oo kale
dhammaan dadka Ilaahay
ee dhintay ee Jannada
aaday. Waxay ku
luuqeeyaan
heeso gaar
ah oo Ilaah.

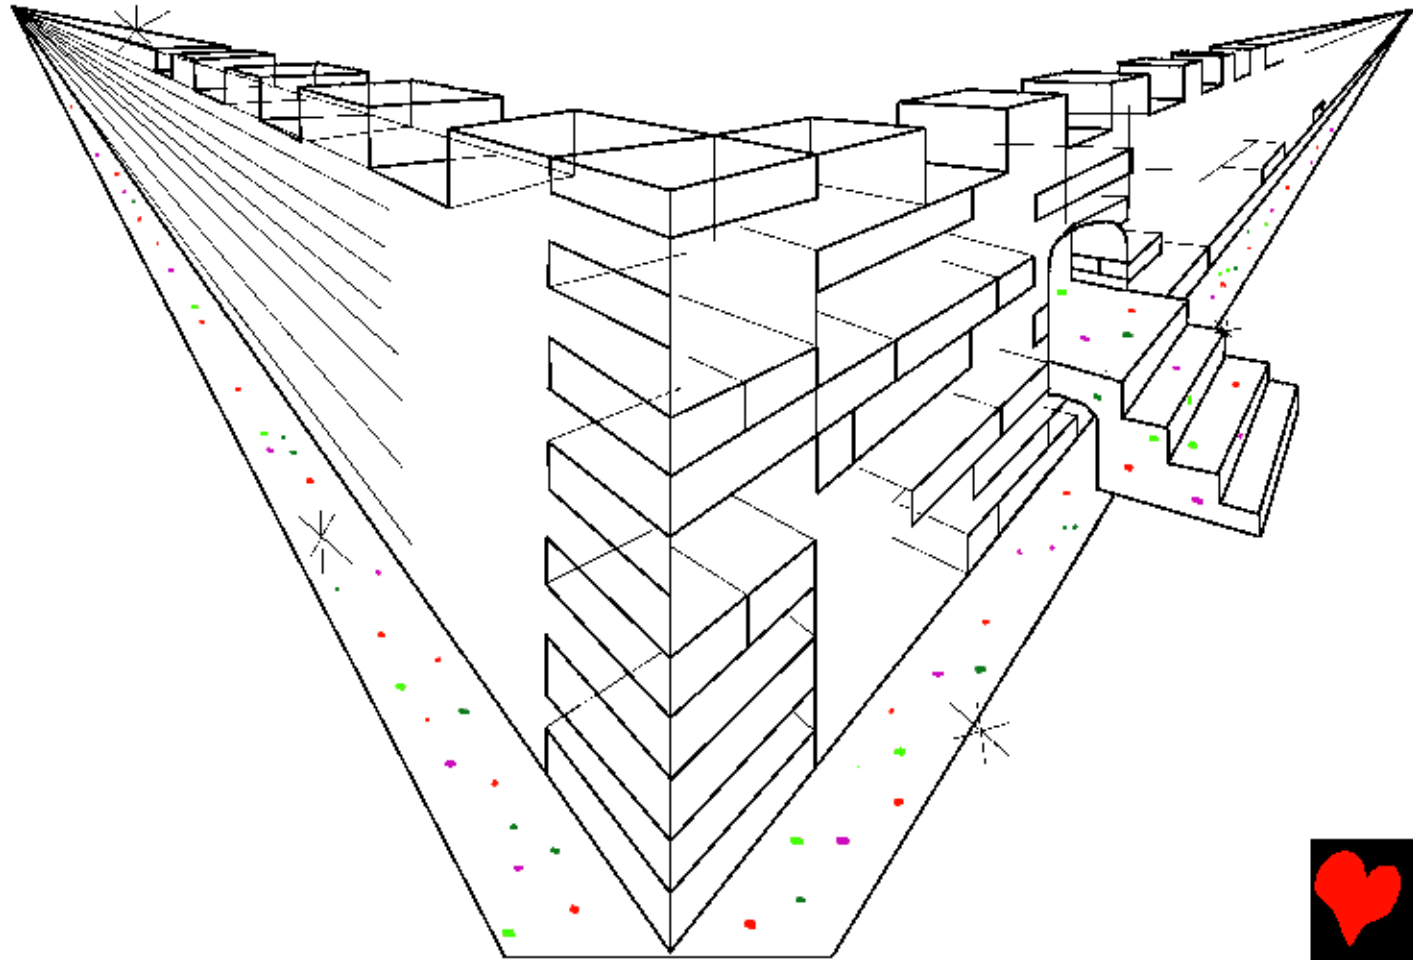

Waa kuwan erayada qaar ka mid ah hees
ay qaadayaan: WAAD KU
FILANTAHAY INAAD
ILAAHAY INAGA
FURSATAY ...

... DHIIGAGA KAGA JIRA QABIIL
KASTA IYO UMAD KASTA
OO AAD NAGU
SAMAYSAY BOQORO
IYO WADAADO
ILAAHAY.
(Muujintii
5:9)

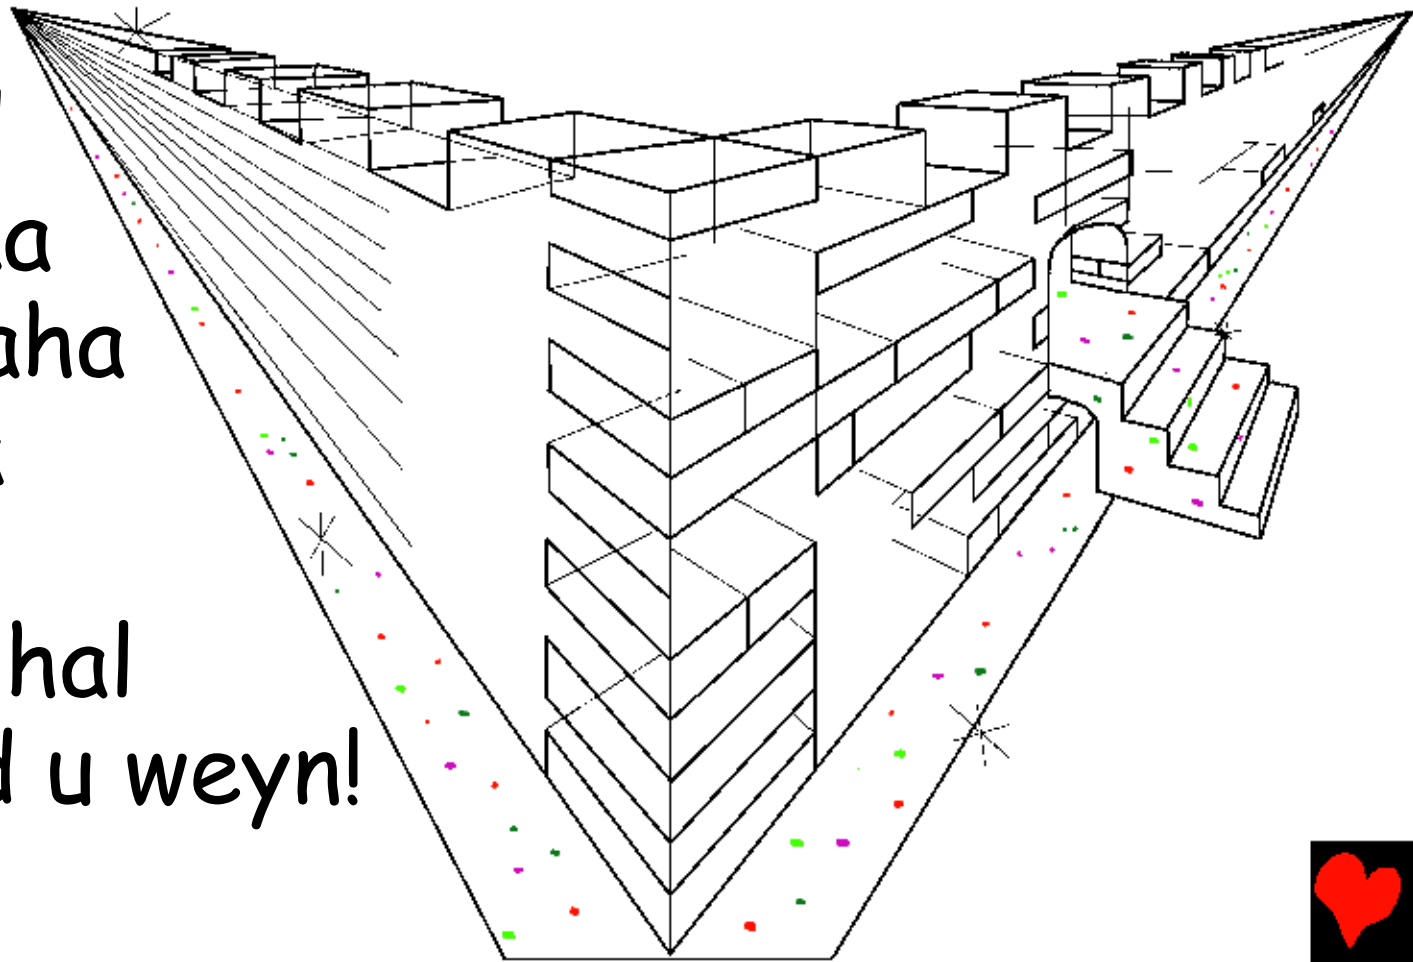

Bogagga ugu dambeeya ee Kitaabka Quduuska ah waxay Jannada ku tilmaamayaan "Yeruusaalem Cusub". Aad iyo aad buu u weyn yahay, derbi dheerna ka baxsan yahay.

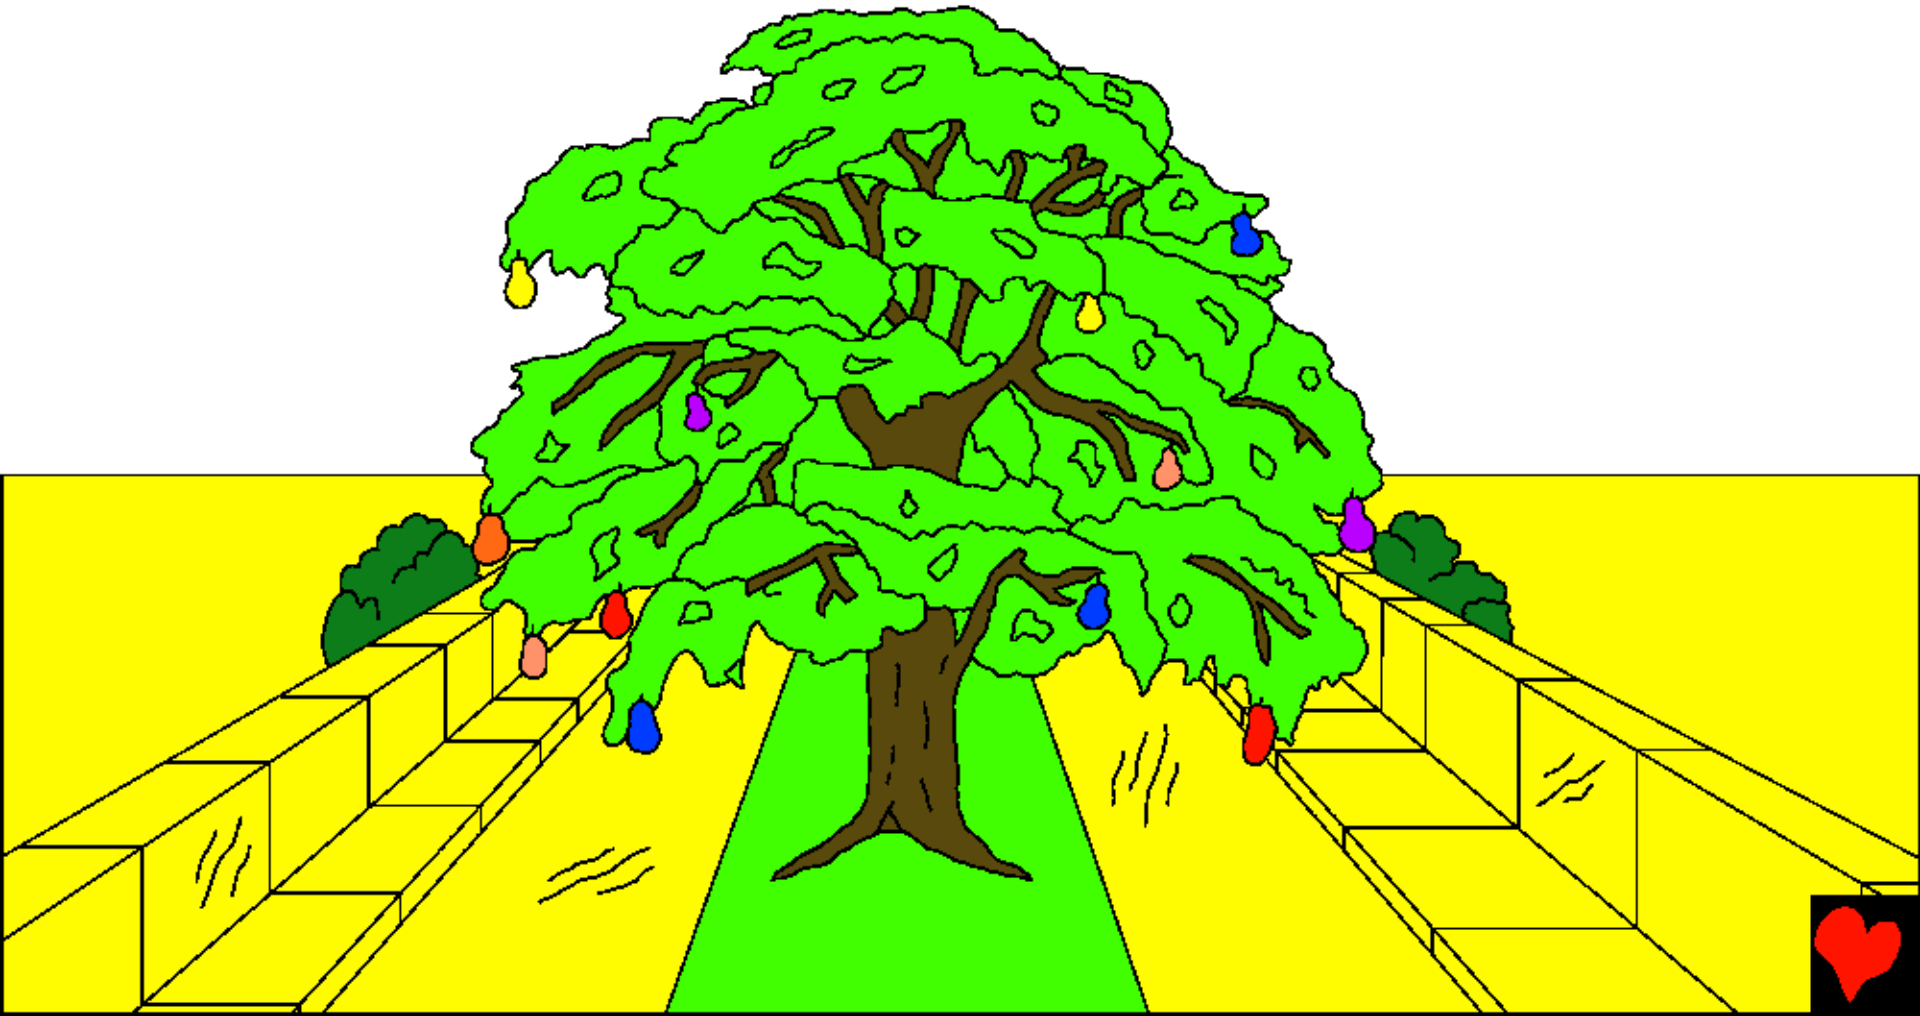

Darbigu waa dhagax yasbid, oo u dhalaalaya sidii madarad oo kale. Jewels iyo dhagaxyo qaali ah ayaa daboolaya aasaaska derbiga, oo dhalaalaya midabbo qurux badan.

Mid kasta oo ka mid ah irdaha magaalada ayaa laga sameeyay hal luul oo aad u weyn!

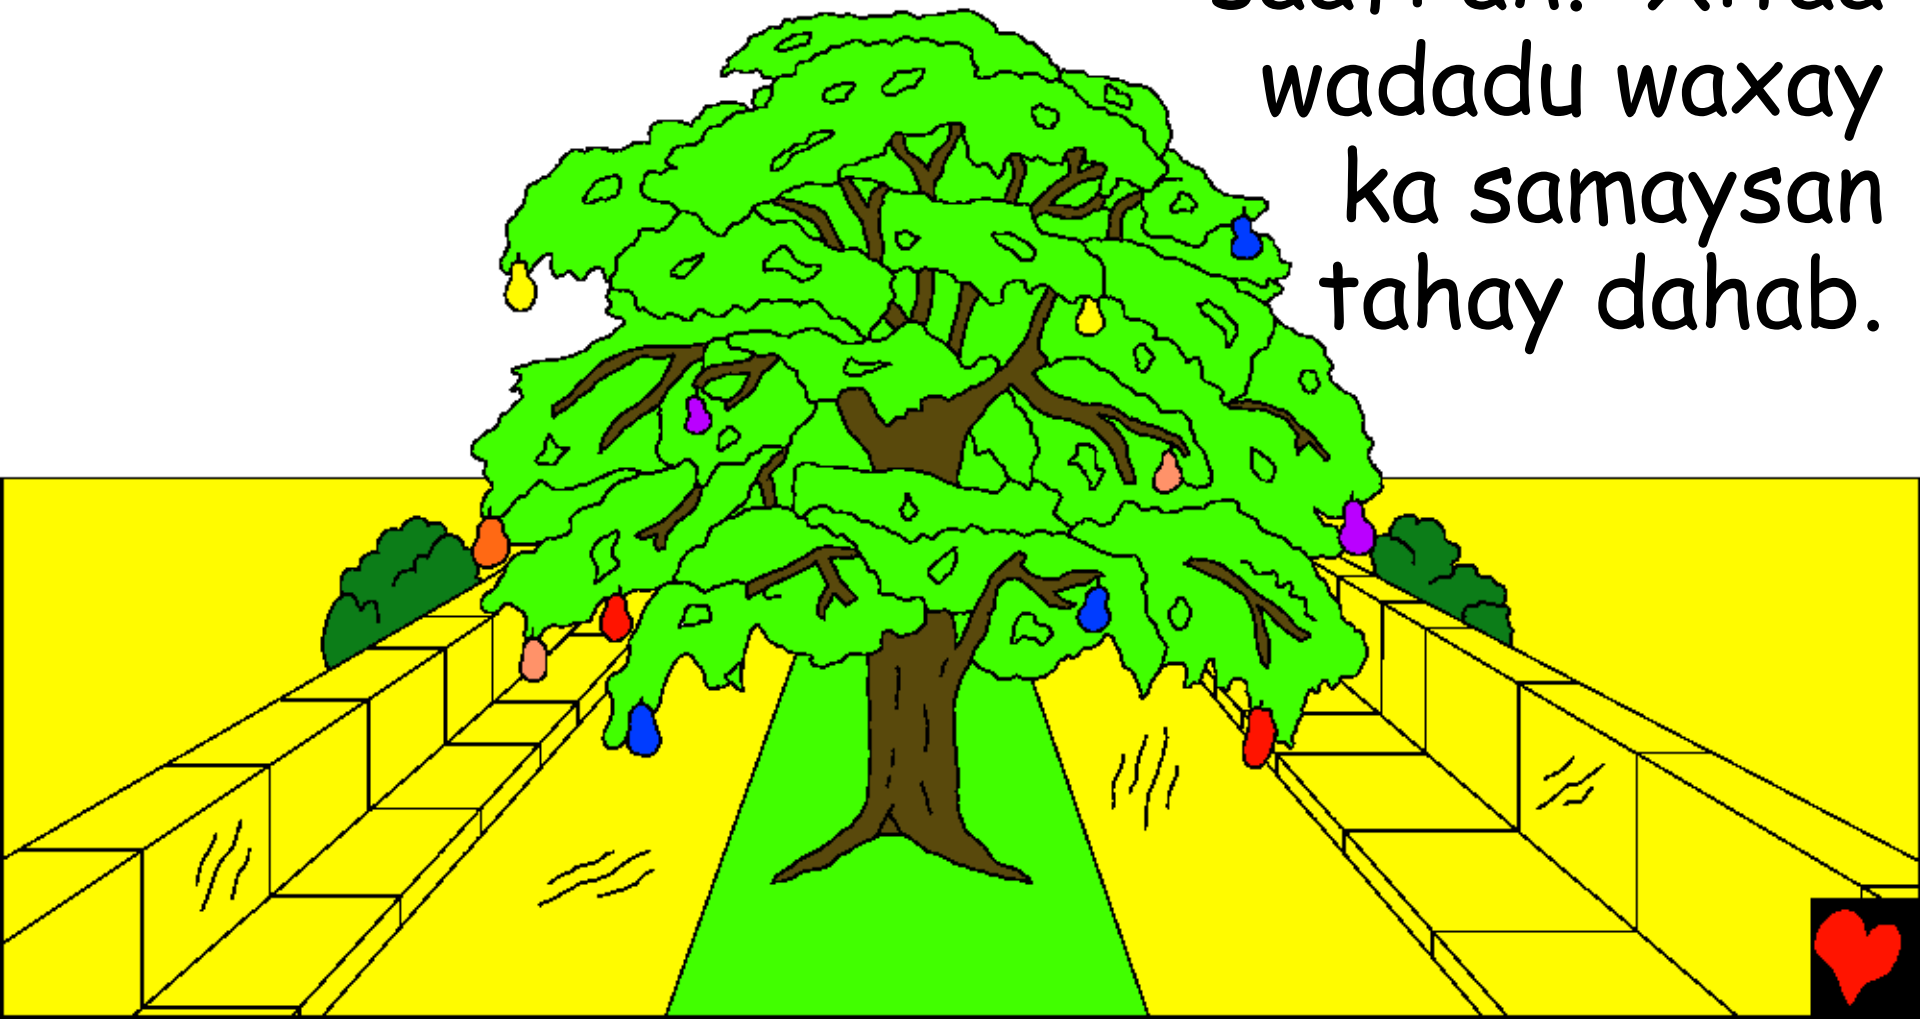

Albaabadaas aadka u quruxda badan
waligood lama xidho. Aan guda galno oo
aan fiirino hareeraha ... WOW!

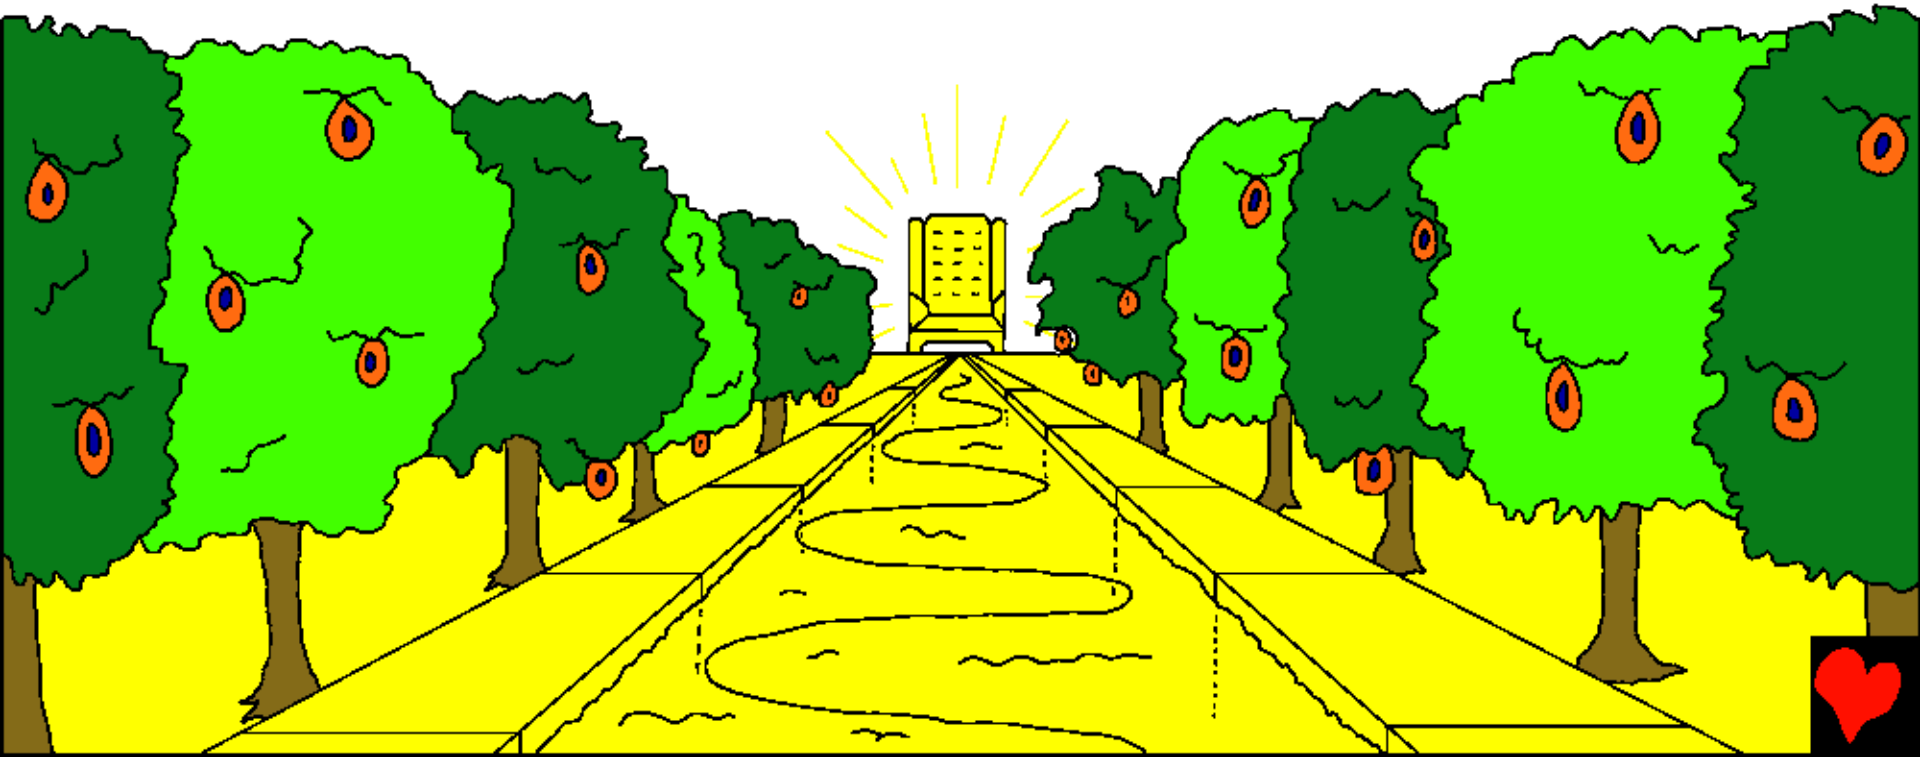

Jannada xitaa waa ka qurux badan tahay
gudaha. Magaalada waxay ka samaysan
tahay dahab saafi ah, sida muraayad

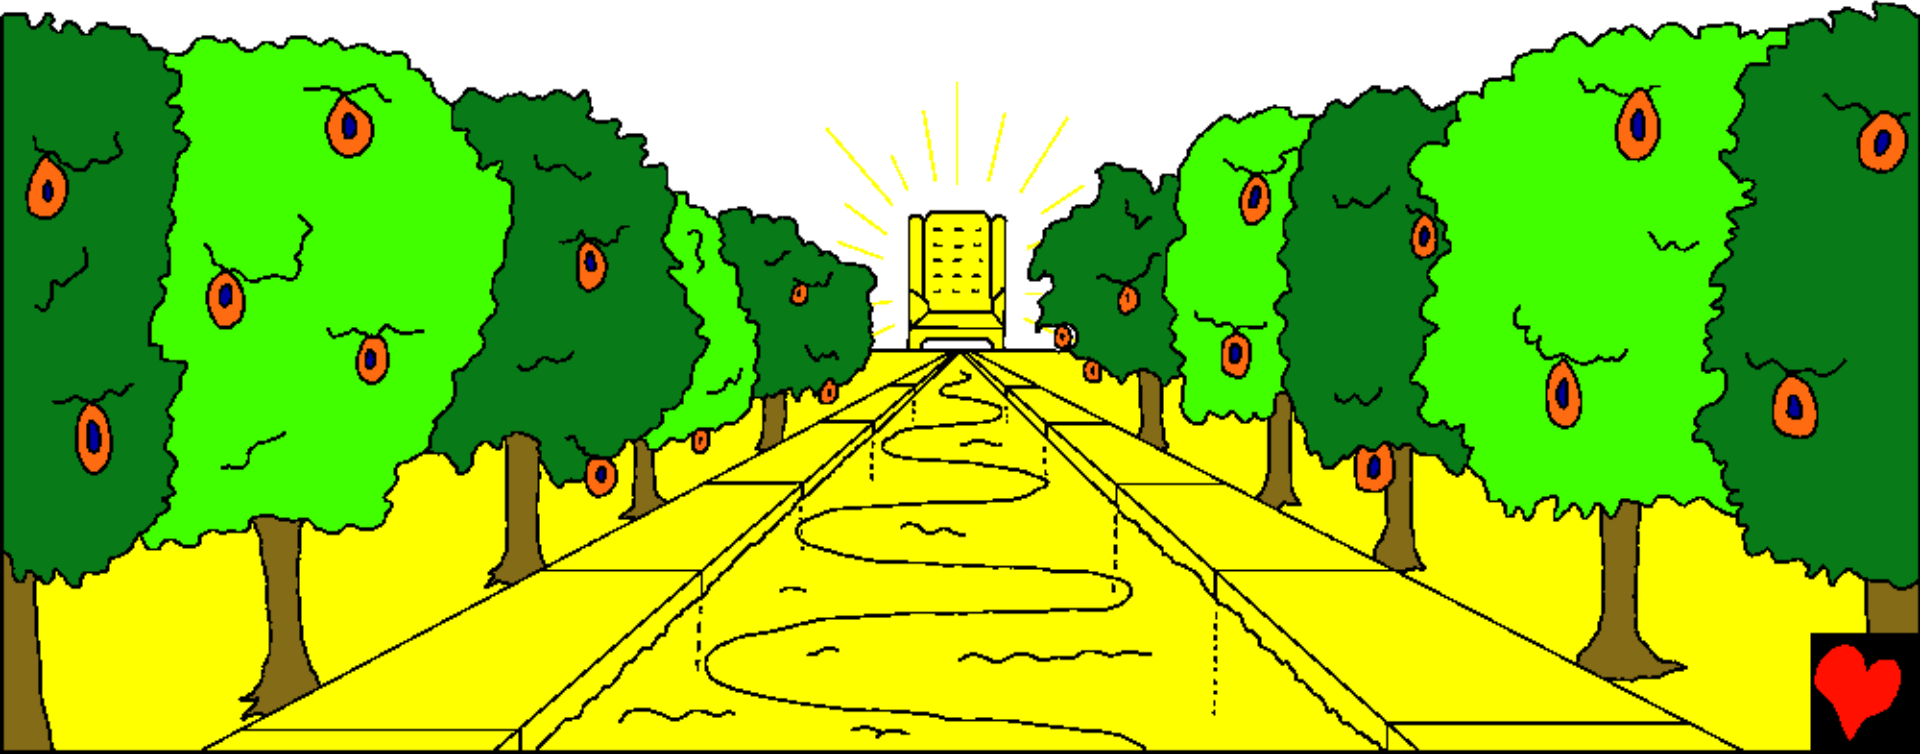

saafi ah. Xitaa
wadadu waxay
ka samaysan
tahay dahab.

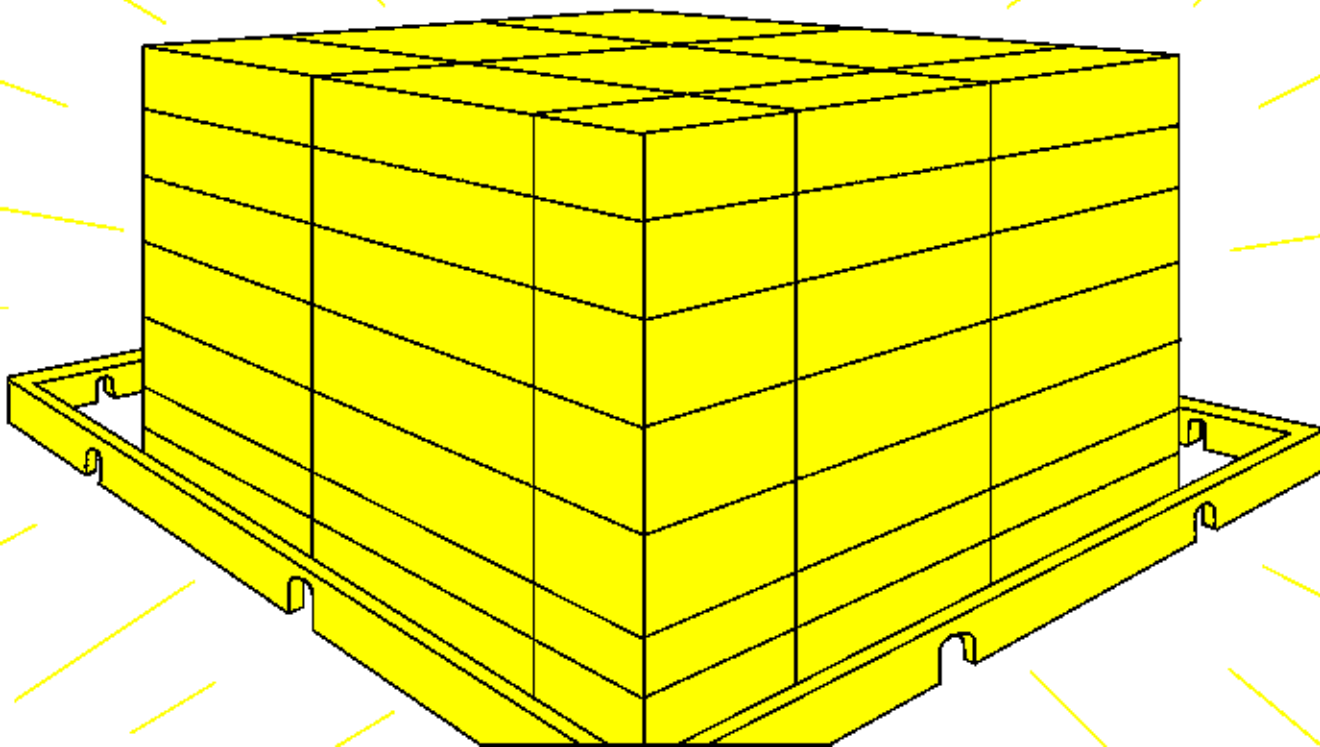

Webi qurux badan, oo cad oo ka mid ah
biyaha nolosha ayaa ka soo baxa carshiga
Ilaah. Webiga dhinacyadiisa waxaa ku
yaal geedka nolosha, oo markii ugu
horraysay laga helay Beer Ceeden.

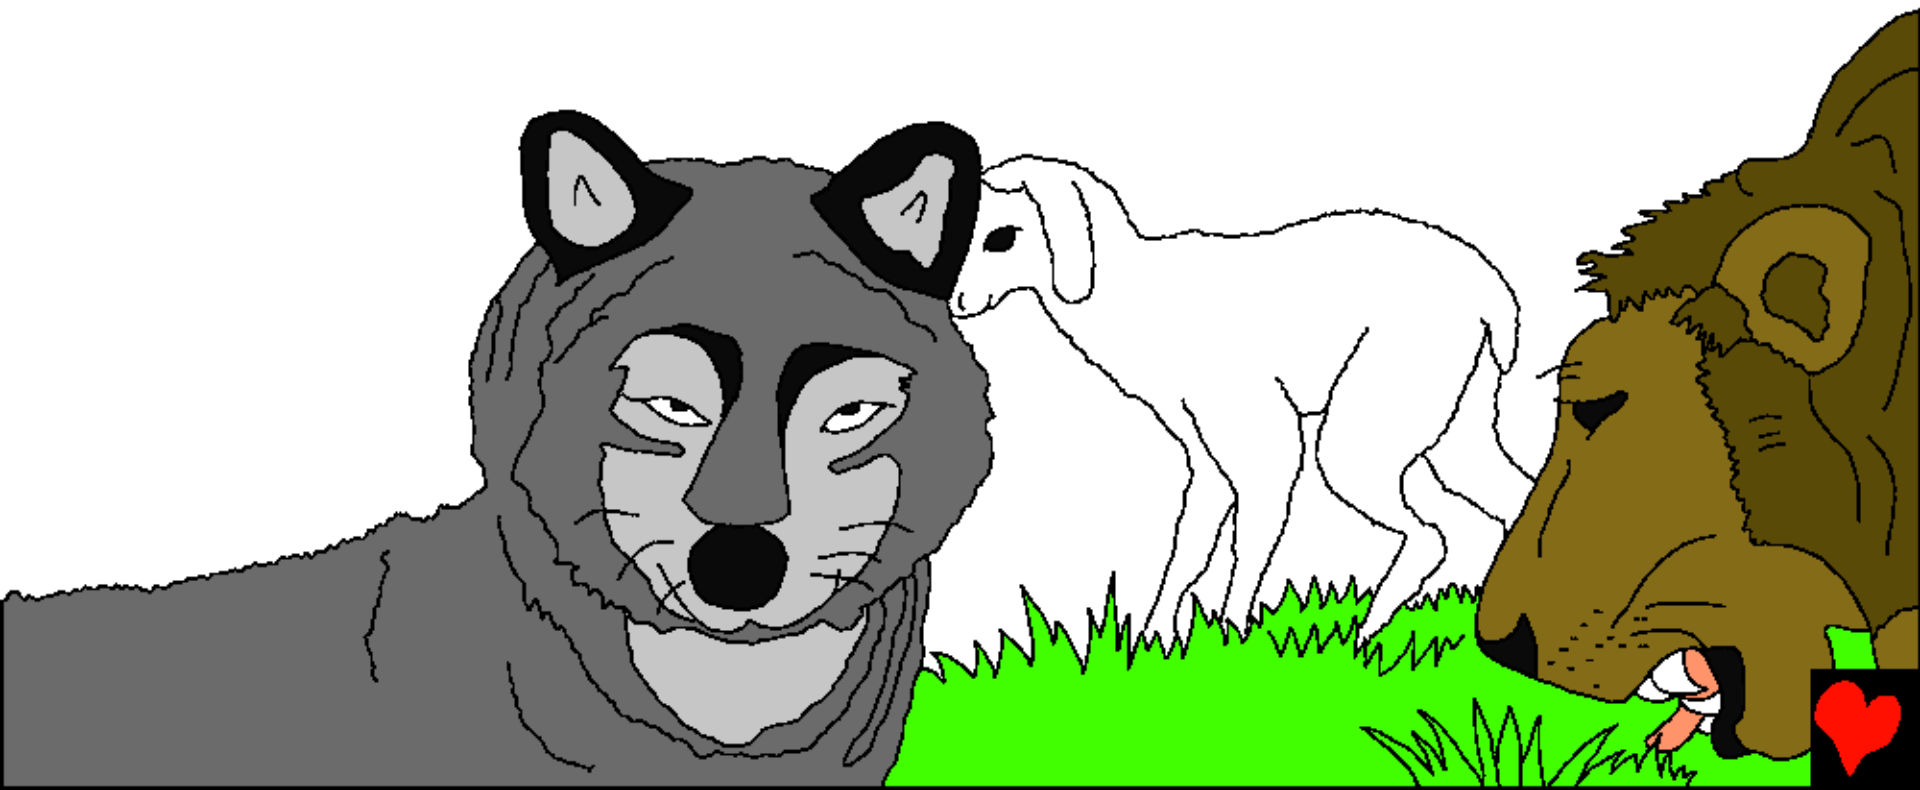

Geedkani waa mid gaar ah. Waxay dhashaa laba iyo toban nooc oo miro ah, nooc kala duwan bil kasta. Iyo caleemaha geedka nolosha oo loogu talagalay bogsiinta quruumaha.

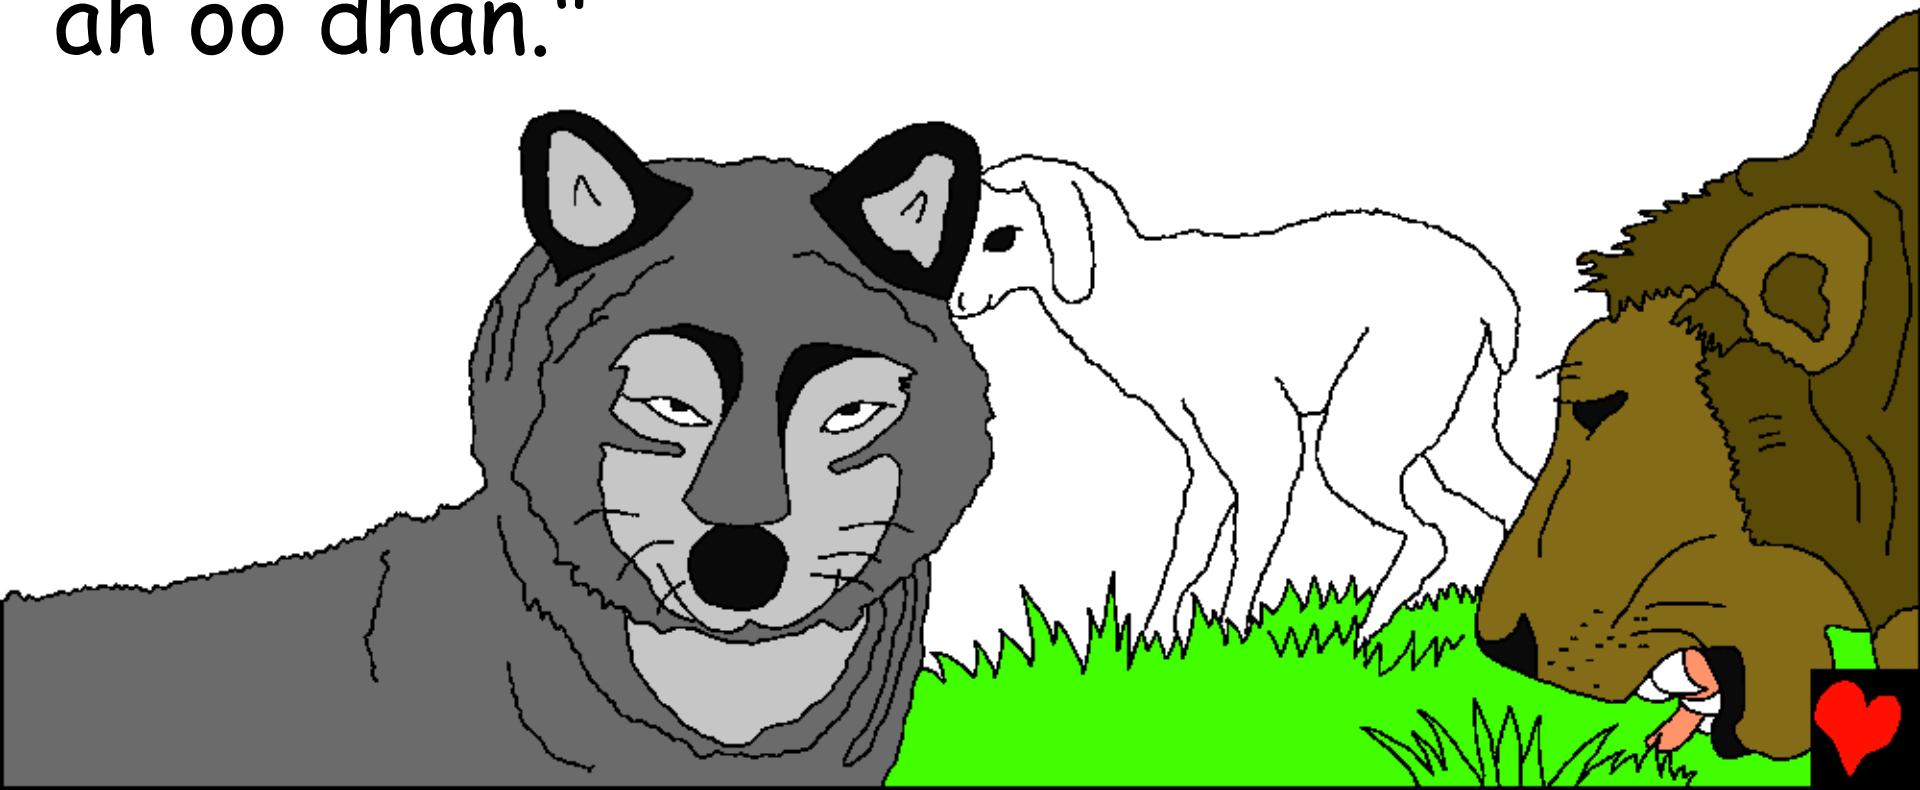

Jannada uma baahna cadceedda ama
dayaxa iftiin. Ammaanta Ilaah ayaa ka
buuxisa iftiin yaab leh. Weligaa
habeenna halkaas ma yaal.

Xitaa xayawaannada Jannada ku jira way ka duwan yihiin. Dhammaantood waa dabiicad iyo saaxiibtinimo. Yeyda iyo baraarku waxay wada daaqayaan doogga.

Xitaa libaaxyada xoogga badanu waxay cuni doonaan caws sida dibiga oo kale. Rabbigu wuxuu leeyahay, "Iyagu waxba kuma yeeli doonaan, waxna kuma baabbi'in doonaan buurtayda quduuska ah oo dhan."

Markaan hareeraha eegno, waxaan
ogaanay inay jiraan waxyaabo Jannada
ka maqan. Hadal xanaaq
leh weligood lama
maqlo. Qofna lama
dagaallamayo ama
danayste
Albaabadu kuma
xirna, maxaa
yeelay tuugo kuma
jirto Jannada.

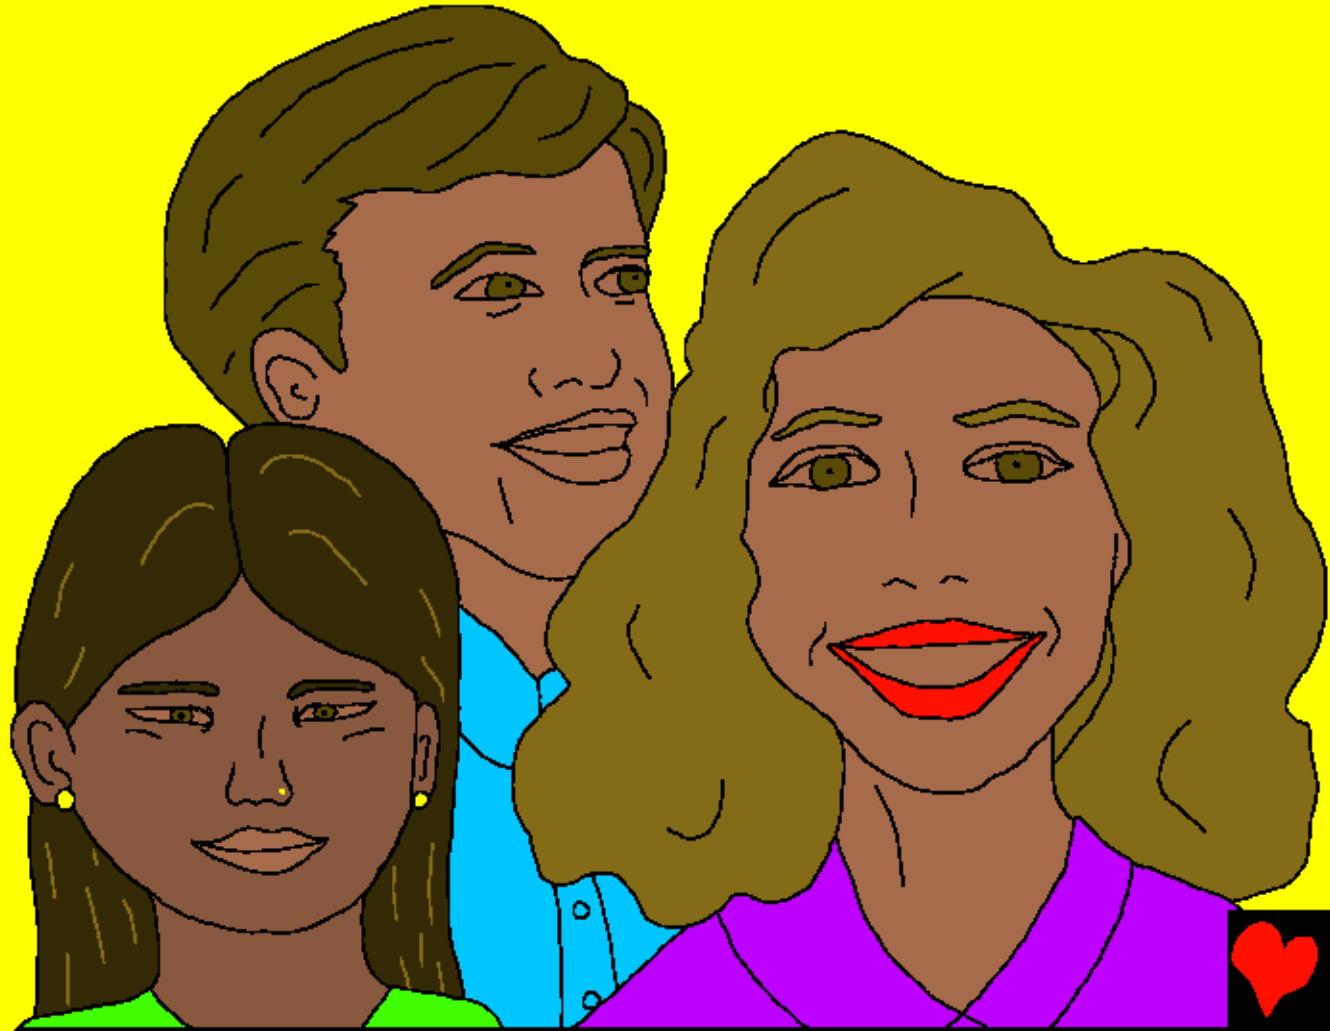

Ma jiraan beenaalayaal,
gacankudhiiglayaal,
saaxiriin, ama dad kale
oo shar leh. Jannada
wax dambi ah oo ka
jiraa ma jiraan.

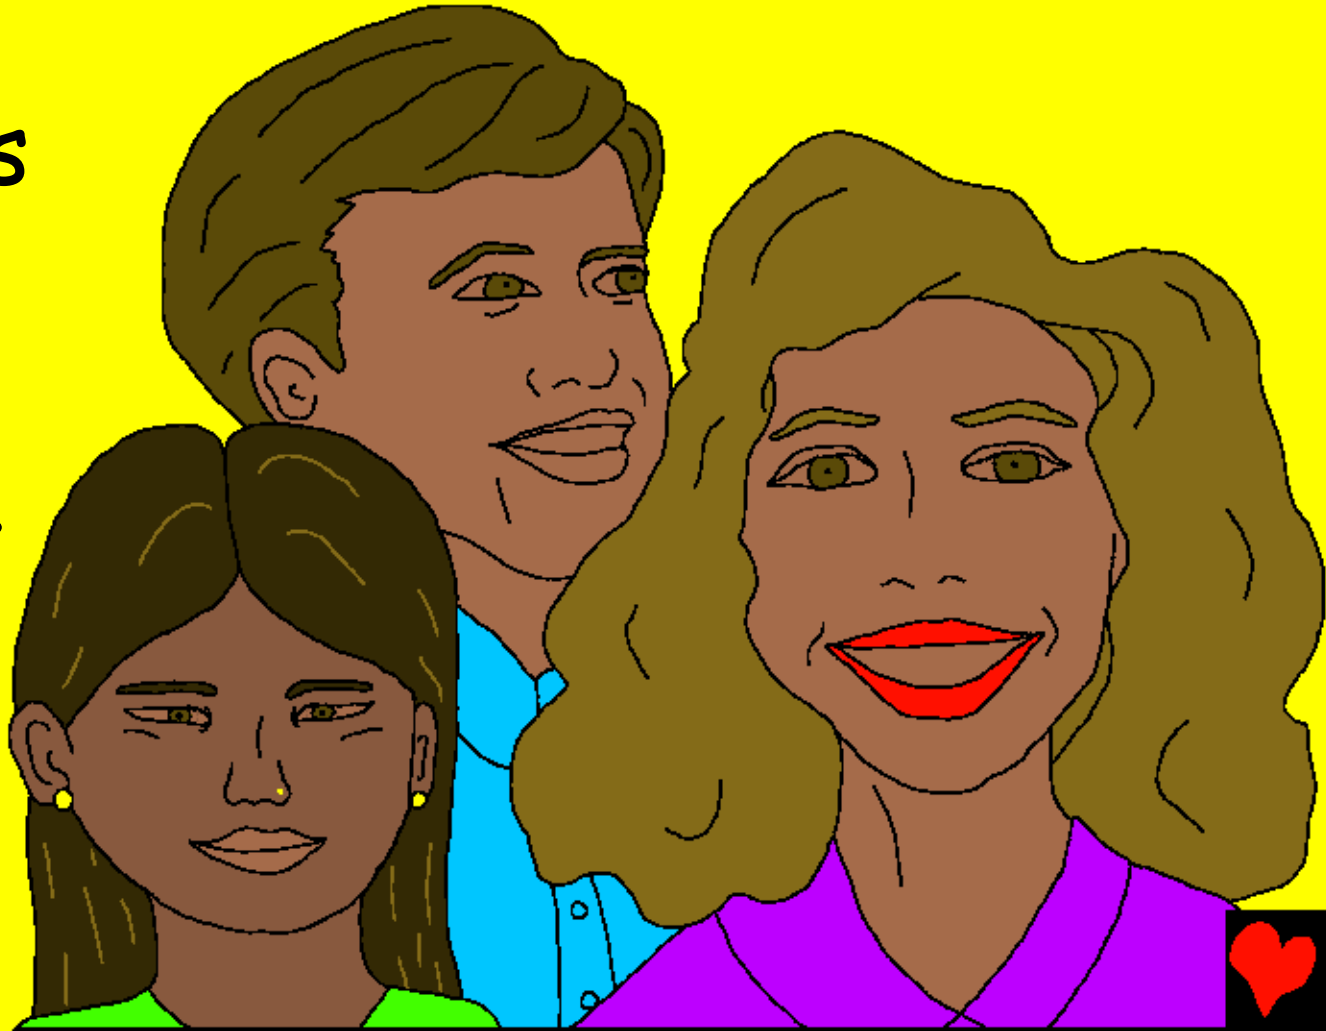

Jannada Ilaahay agtiisa ilmo
dambe ma joogto. Mararka
qaarkood, dadka Eebbe wey
ooyaan murugo aad u weyn oo
noloshan aawadeed. Jannada
dhexdeeda, Ilaah ayaa ilmada
oo dhan ka tirtiri doona.

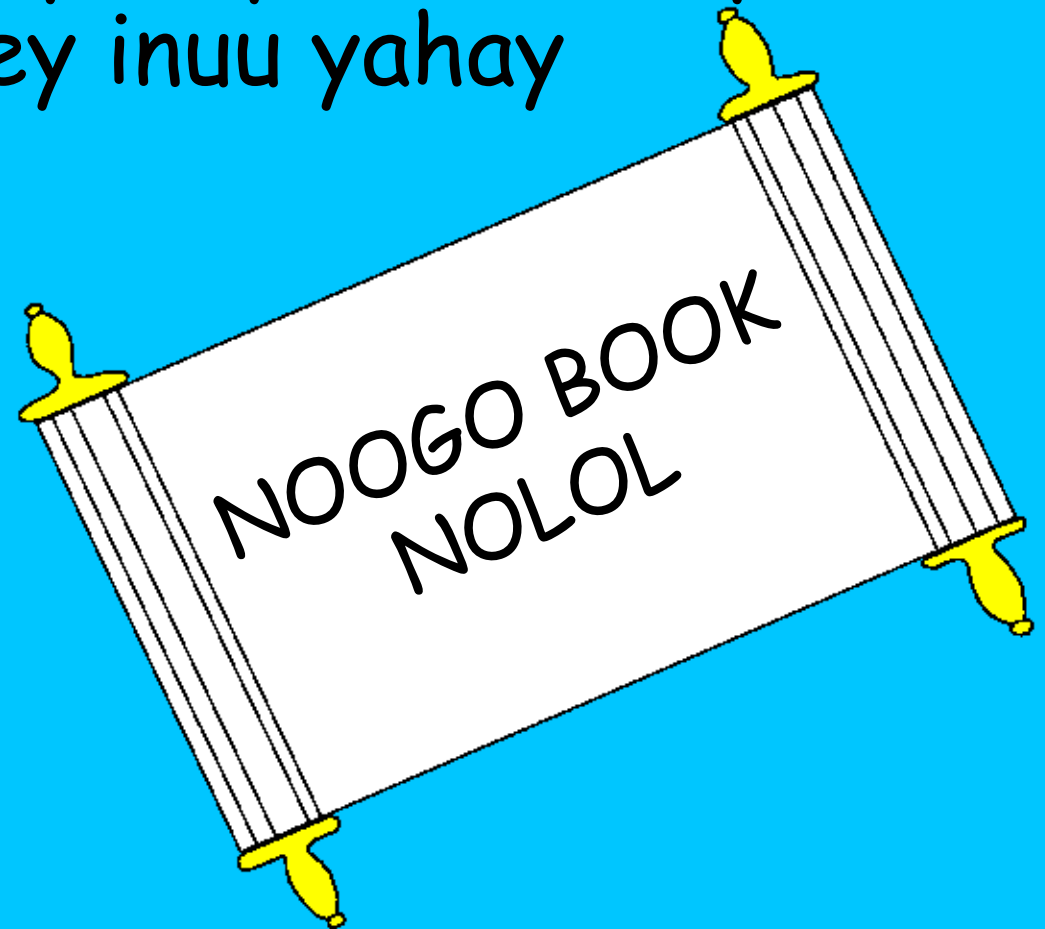

Jannada wax dhimasho ahi kuma jiraan,
sidoo kale. Dadka Ilaah weligood waxay
la jiri doonaan Rabbiga.

Ma jirto murugo kale, oohin ma leh, iyo
xanuun ma leh. Cudur majiro, kala tag
la'aan, aas aas majiro. Qof kasta oo
Jannada ku
jiraa weligiis
wuu ku
faraxsan
yahay Ilaah.

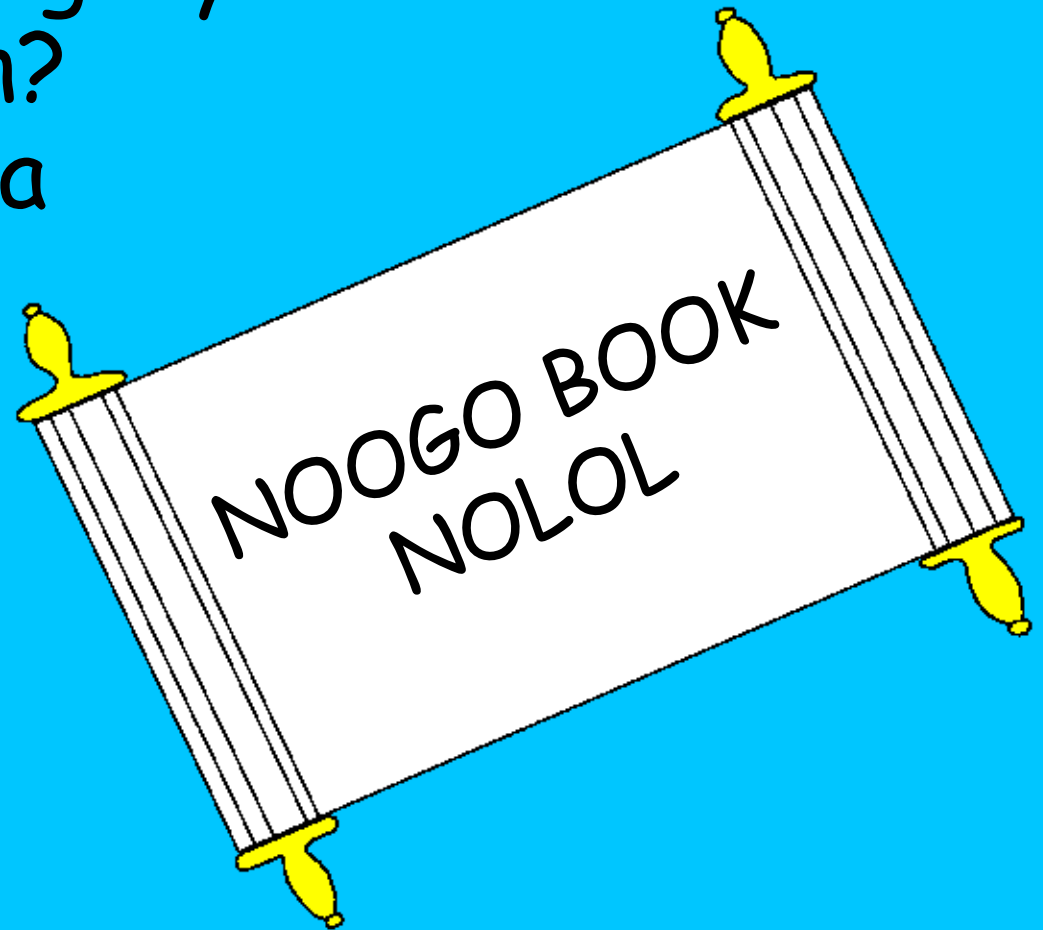

Waxa ugu wanaagsan, Jannada waxaa loogu talagalay wiilasha iyo gabdhaha (iyo dadka waaweynba) ee rumeysan Ciise Masiix inuu yahay Badbaadiyahooda una hoggaansamey inuu yahay Sayidkooda.

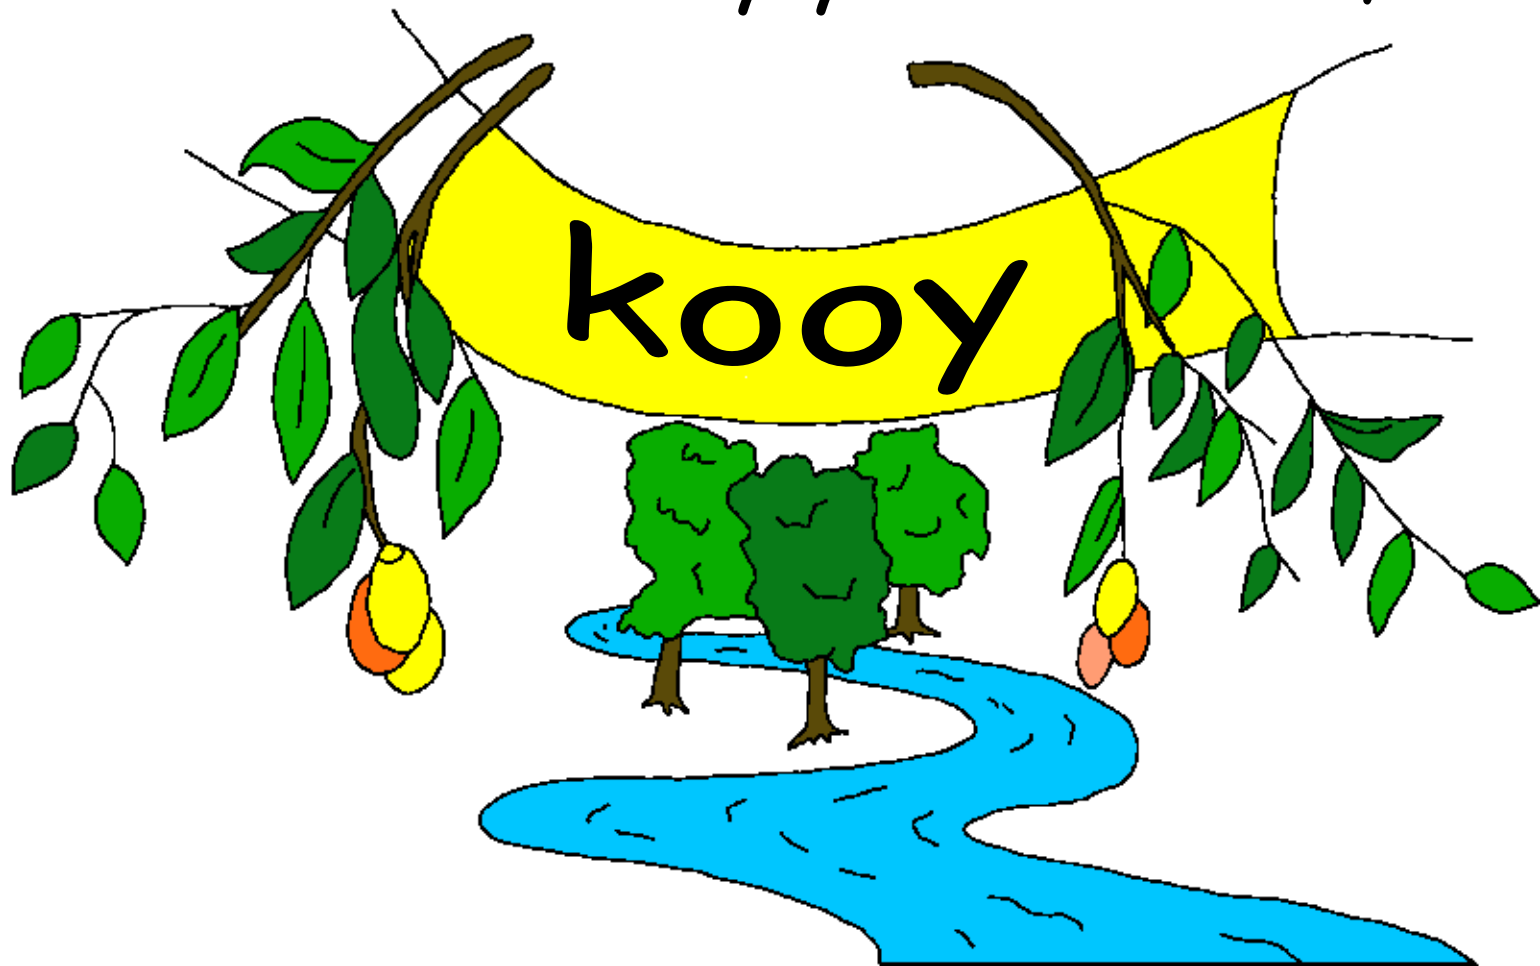

Jannada dhexdeeda waxaa ku yaal buug
la yiraahdo Buugga Nololsha Wanka.
Waxaa ka buuxa magacyada dadka.
Ma taqaannaa magacyadooda
halkaas ku qoran?
Dhammaan dadka
Ciise isku
halleeyey.

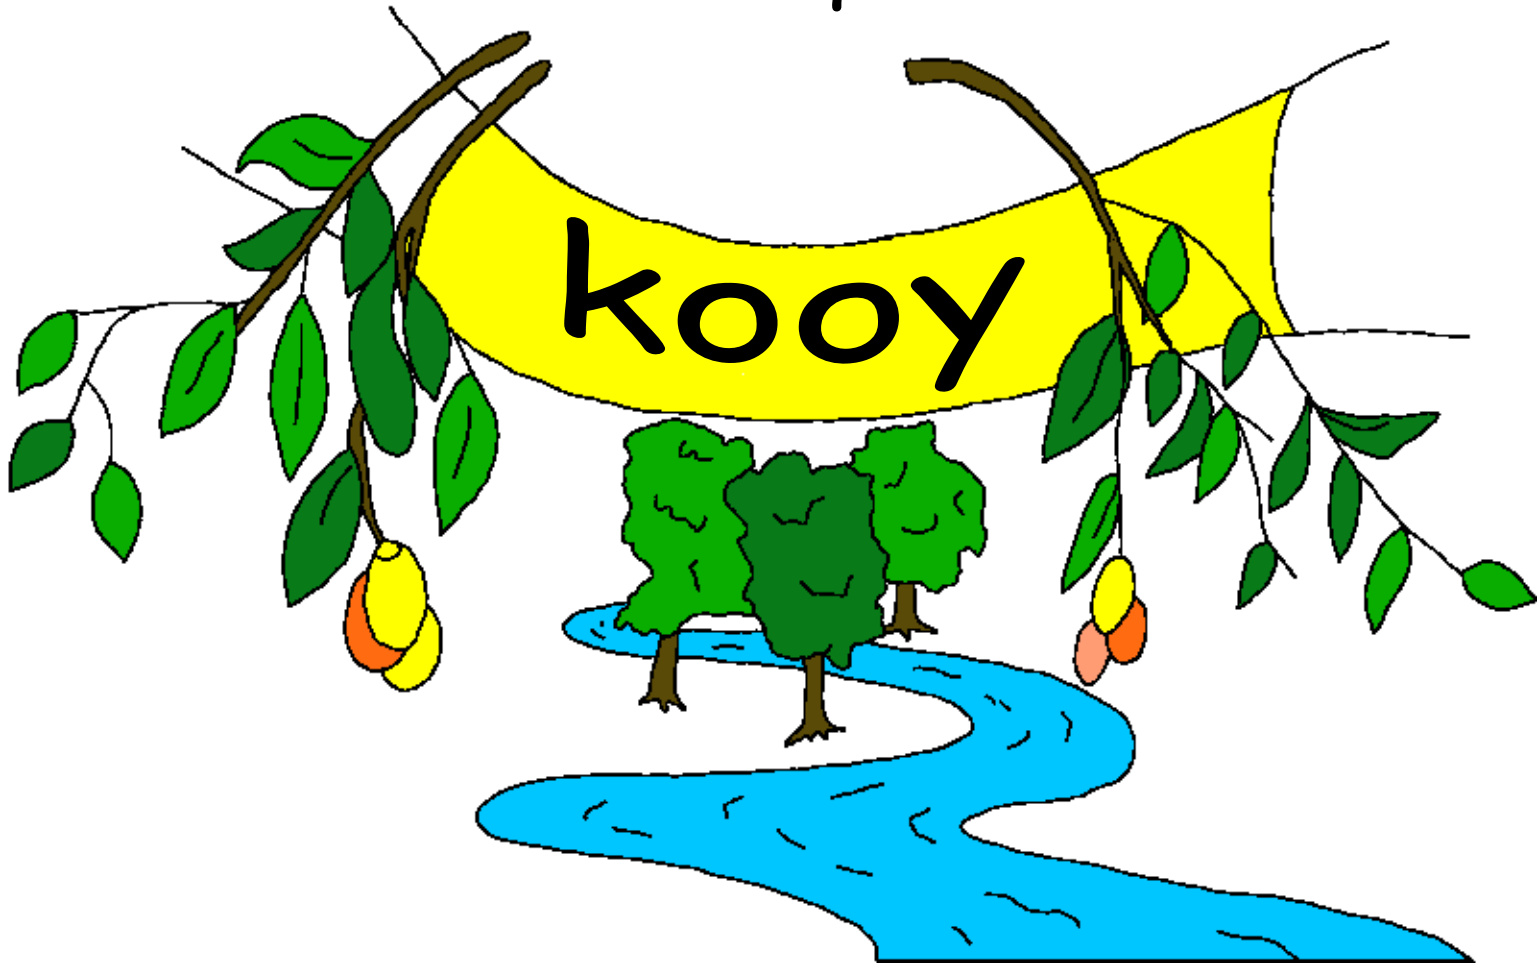

Magacaagu
ma jiraa?

Erayshii in dambeeyay ee Kitaabka
Quduuska ahi ee Jannada ki saabsan waa
martigaad cajiib ah. Ruuxa iyo
aroosadduna waxay yidhaahdaan, Kaalay!

Oo kii maqlaana ha yidhaahdo, Kooy! Oo
kii harraadsanuna ha kooyo, oo ku alla kii
doonayaaba biyaha nolosha hadiyad ahaan
ha in qaato.
