WALA KASTA ALLAH AYAA
SAMEEYAY! Markuu Eebbe abuuray
ninkii ugu horreeyay, Aadan, wala la
deggenaa Beerta Ceeden xaaskiisa
Xaawa. Wala ahaayeen kuwo sifiican

ugu faraxsan adeecida
ilaahay iyo ku raaxaysiga
joogitaankiisa
ilaa hiraab
uun ...

"Ilaah miyuu idinku yidhi in cuntooy geed kasta?"

Abeesadii ayaa Xaawa weydiisay. "Waan cuni karnaa midho kasta laakiin mid uun," ayay ku jawaabtay.

"Haddii aan cunno ama taabno midhahaas, waan dhiman doonnaa." Abeesadii ayaa si qosol leh u tiri: "Ma dhiman doontid."

"Waxaad noqon
doontaa sida Ilaah
oo kale." Xaawa
waxay dooneysay
midhaha geedkaas.
Waxay dhegeysatay
abeesadii wayna
cuntay midhihiisii.

Ka dib markay Xaawo caasiday
Ilaah waxay u horseeday Aadan
inuu sidoo kale cuno midhaha.

Aadam waxay ahayd inuu
yiraahdo, "Maya!
Ma caasiyi doono
erayga
Ilaah."

Markii Aadan iyo
Xaawo dembaabeen, labadooduba way
ogaayeen inay qaawan yihiin. Waxay u tolayeen
caleemo berde ah dufan, wayna isqariyeen
waxayna ku dhuunteen duurka ilaahay agtiisa.

Xilliga qabow ee fiidkii ayaa Ilaah u yimid beerta.
Wuxuu ogaa wixii ay sameeyeen Adam iyo
Xaawa. Aadan wuxuu eedeeyey Xaawa.

Xaawo ayaa maska dusha ka saartay. Ilaah
wuxuu yidhi, abeesadu waa inkaaran
tahay, naagtuna xanuun bay lahaan
doontaa markay carruurta dhalaan.

"Aadamow, maxaa yeelay waad
dembaabtay, dhulkuna
wuxuu ku inkaaran
yahay godxan iyo
yamaarug."

Ilaah wuxuu Aadan iyo Xaawa
ka saaray jardiinadii cajiibka
ahayd. Maxaa yeelay, iyagu
way dembaabeen, oo waxaa
laga soocay
Ilaahii
nolosha
siyey!

Ilaah wuxuu u
sameeyay seef ololaysa si ay
iyaga u joojiyaan. Ilaah wuxuu
Aadan iyo Xaawa u sameeyey
jubbado maqaar ah. Xagee
buu Eebbe
kala baxay
hargaha?

Waqti ka dib, goys baa u dhashay Adam iyo Xaawo.
Wiilkoodii ugu horreeyay, Qaabiil, wuxuu ahaa nin
beerta ka shaqeeya. Wiilkooda labaad, Haabiil,
wuxuu ahaa adhijir.

Maalin baa Qaabiil Ilaah hadiyad ahaan ugu keenay
xoogaa khudrad ah. Haabiil wuxuu hadiyad ahaan u
keenay qaar ka mid ah idaha ugu fiican. Ilaah wuu
ku farxay hadiyadda Haabiil.

Ilaah kuma farxin hadiyadda
Qaabiil. Qaabiil aad buu u
xanaaqay. Laakiin Eebbe wuxuu
yidhi, "Haddaad waxa saxda ah
samaysid, miyaan lagaa aqbali
doonin?"

Qaabiil xanaaqiisii ma uu bixin.
Muddo ka dib berrinkii ayuu ku
kacay Haabiil oo uu dilay!

Ilaah wuxuu la hadlay Qaabiil. "Aaway walaalkaa, Haabiil?" "Ma aqaano," Qaabiil wuu been sheegay. Ma aniga ayaa ilaaliya walaalkay? Ilaah wuxuu ku ciqaabay Qaabiil isagoo ka qaaday awooddiisii tacabka beeraha kana dhigay mid warwareega.

Qaabiilna Rabbiga hortiiisuu ka tegey. Wuxuu guursaday gabar ay dhaleen Adam iyo Xaawa. Qoys bay kiciyeen. Markiiba, Qaabiil awowgiis iyo ayeyyadiis ayaa sii buuxiyay magaaladii uu aasaasay.

Dhanka kale, goyska Aadan iyo
Xaawo si dhakhso leh ayey u kaceen.
Beryahaas dadku aad bay uga cimri
dheeraayeen maanta.

Markii wiilkeedii Seth dhashay, Xaawa waxay tidhi, "Ilaah wuxuu i siiyey Set, oo aan ku beddelo Haabiil." Set wuxuu ahaa nin cibaado badan oo noolaa 912 sano wuxuuna dhalay caruur badan.

Adduunyada, dadku way sii xumaanayeen
markii jiilba jiil kale raacayay. Ugu
dambayntii, Ilaah wuxuu go'aansaday
inuu baabi'iyoo aadanaha iyo
Dugaagga iyo shimbiraha oo
dhan. Eebbe waa
ka xumahay

inuu dadka
abuuray.
Laakiin nin
keliya ayaa Eebbe
ka farxiyey ...

Ninkani wuxuu ahaa Nuux. Farac reer Set ah,
Nuux wuxuu ahaa mid xaq ah oo aan eed lahayn.
Wuxuu la socday Ilaah. Wuxuu kaloo
baray saddexdiisa wiil inay adeecaan
Ilaah. Haddaba Ilaah
wuxuu qorsheeyey
inuu Nuux u
adeegsado

si aad
u yaab

badan
oo gaar
ah!
