A cartoon illustration featuring a vibrant rainbow with seven distinct bands of color (red, orange, yellow, green, blue, purple, and red) arching across a bright blue sky. The rainbow appears to be emerging from a dark grey, jagged volcano on the right side of the frame. A small, white, stylized figure with a black outline is perched on the peak of the volcano, with grey smoke or steam rising from behind it. The background is a solid light blue. Two white, fluffy clouds are positioned at the top of the image, one on the left and one on the right, partially obscuring the rainbow. The overall style is simple and colorful, typical of children's educational materials.
