A black and white line drawing of a boat with five people watching a large sun with rays and clouds on the horizon. The sun is a large circle with several jagged rays extending upwards and outwards. Two large, fluffy clouds are positioned on either side of the sun. The boat is on the water, with five stylized figures inside. One figure at the back of the boat has their arms raised in a gesture of praise or awe. The water is represented by simple horizontal lines. In the bottom right corner, there is a small black square containing a white heart symbol.
