indatshana leyi nxa ungasoze uyithengise.

Ngelinye ilanga, phakathi kwethempela
likaNkulunkulu, umfundisi omdala, okwakuthiwa
nguZakhariya, wayetshisa impephe. Abanye
abantu babekhuleka phandle.
Njengalokho nje, uZachariya
waseqalisa ukuqhuqha.

Ingilosi yayisifikile. "Ungayethuki," yatsho ingilosi.
"UNkulunkulu ungithumile. Umkakho uzakuba
lendodana.

Umthumele ibizo lokuthi nguJohane. Uzabe egcwaliswe ngokukamoya ongcwele kusukela ukuzalwa kwakhe. Uzakudukisa abantu abanengi bakhangele kuNkulunkulu."

“Khuluma lathi Zakhariya.” Abantu abakade
bephandle bamangala. Babengakwazi ukuthi ingilosi
uGabriyeli yathi uZakhariya
uzabe engakwanisi ukukhuluma
umntwana aze azalwe ngoba
wayengakholwa umlayezo ovela
kuNkulunkulu. Wayecabanga
ukuthi umfazi wakho uguge
kakhulu ukuthi

engaba
lomntwana.

Efika endlini, uZakhariya wafika ebhala phansi konke akutshelwe yingilosi. Umkakhe u-Elizabethi wamangala kakhulu. Babehlezi bethandazela ingane. Kungabe kuzayenzakala kathesi?

Maduzane,
uElizabethi
wayesekwazi
ukuthi ingane
iyeza. Ngokunjalo
wadumisa
uNkulunkulu.
Ngelinye ilanga
uElizabethi
wavakatshelwa
ngumzawakhe
uMariya.
UMariya laye
wayekhangelele
ingane.

UElizabethi wezwa ingane yakhe esiswini
iseqa lapho uMariya efika. UElizabethi
wayesegcwaliswe nguMoya ongcwele.
Wayesekwazi ukuthi ingane kaMariya

yayizakuba yiNkosi
uJesu Kristu.

Bebonke,
amakhosikazi
lawa adumisa
uNkulunkulu
ngentokozo.

Indodana kaElizabethi yazalwa njengokuba
uNkulunkulu wayethembisile. "Limnikeze ibizo elithi
Zakhariya, njengobabawakhe,"
kwatsho amanye amapristi.
UZakhariya wasekhumbula
umlayezo ukaNkulunkulu.

UJohane wathi ekhula wayengani nguElija, indoda ebusisekileyo kaNkulunkulu. UJohane wayetshela abantu ukuthi uMesiya uyeza maduzane ukuzobabusisa. Ababusi bamaJuda babemzonda uJohane ngoba wathi kibo, "Phendukani! Litshiyane lezono." Babengafuni ukuzwa lutho ngezono zabo.

Abanye babembiza ngokuthi nguJohane umbhabhathizi ngoba wayetshonisa abantu emanzini ukuze batshengisele ukuphenduka ezonweni.

Ngelinye ilanga uJesu wasebuya kuJohane ukuzobhabhatizwa.

"Kumele ungibhabhatize," kwatsho uJohane. Kodwa uJesu wathi, "Makubenjalo."

UJohane wasembhabhathiza uJesu Kristu.

Ngemva
kokubhabhathizwa
kukaJesu, uJohane
wasebona uMoya
oNgcwele uyehla phezu
kukaJesu njengejuba.
Lokhu kwakuyisiboniso.
UJohane wayesazi ukuthi
uJesu wayeyindodana
kaNkulunkulu.
UJohane wayebiza
uJesu ngokuthi yiMvu
kaNkulunkulu Yena
onguye ozayesula
izono zomhlaba.

UJohane wadukisa
abanengi ukuba
balandele
uNkulunkulu. Kodwa
uHerodi, inkosi
eyayilomoya omubi,
yamjikela uJohane
entolongweni.
“Kulicala ukuba wena
ube loHerodiyasi,
umkakhe
kamnewenyu,
ukuba abe ngumfazi
wakho,” kwatsho
uJohanenkuHerodi.

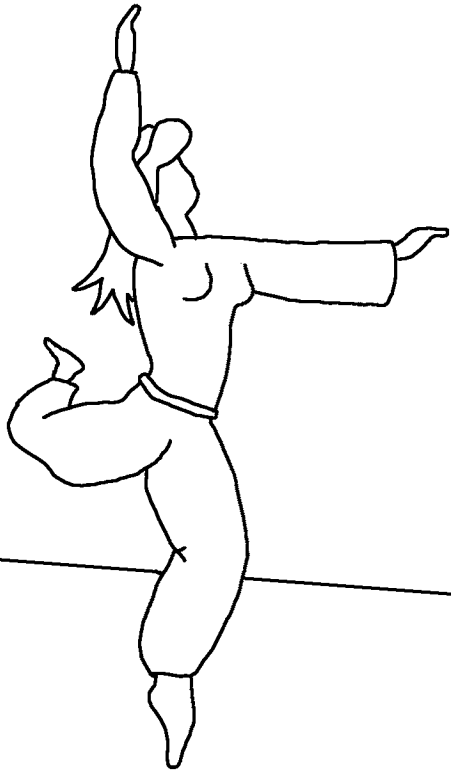

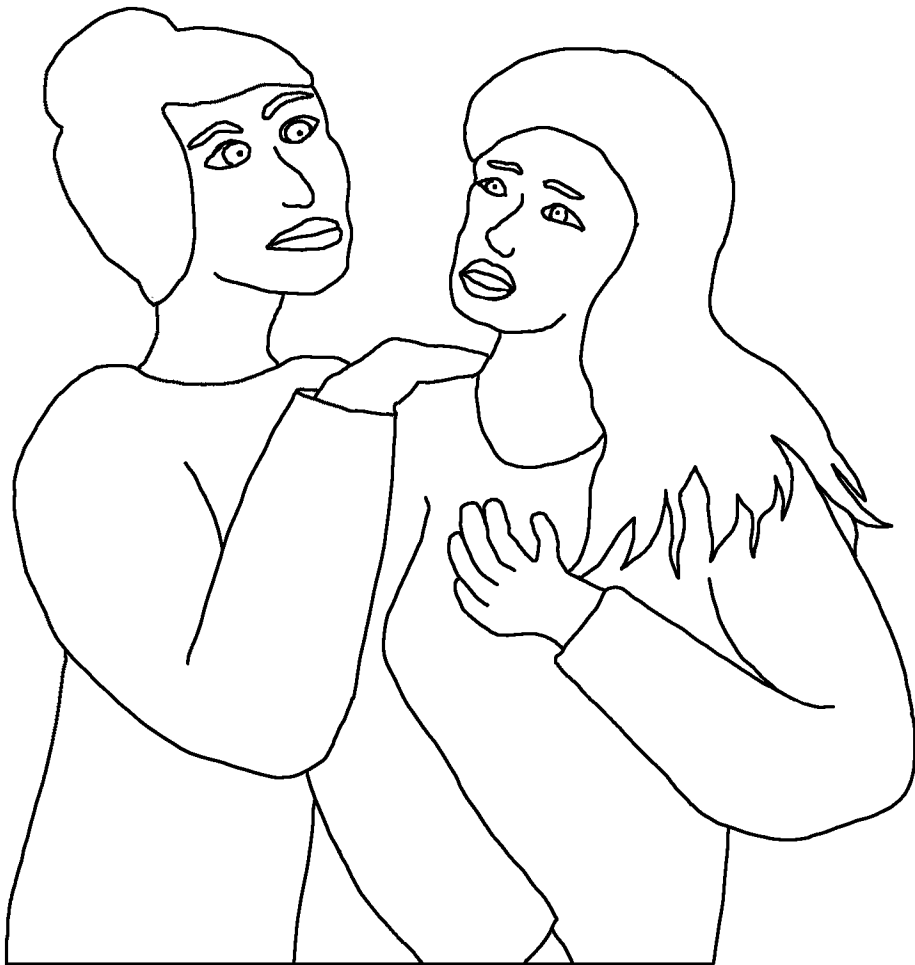

UHerodi wayesazi ukuthi uJohane ukhuluma iqiniso. Njalo esazi ukuthi uJohane wayeyinceku yeNkosi elungileyo. Kodwa uHerodi wayengafuna ukutshiyana lezono. Lokunjalo uJohane kazange wenqabe ukutshumayela iqiniso, loba esentolongweni.

UHerodi wabaledili elikhulu
ngosukulwakhe lokuzalwa. Indodakazi
kaHerodiyasi yangidela. Lokhu
kwamjabulisa kakhulu. "Ungacela
yiloba yini oyifunayo kimi,"
wamthembisa. "Loba
ingxenye yesizulu sami."

"Ngingacela ini?" indodakazi yazibuza. Umama wakhe uHerodiyasi owayelomoya omubi njalo ezonda uJohane wamxwayisa ukuthi aceleni! Kwakusesabisa!

"Linginikeze umganu olekhanda likamBhabhatizi uHerodi phakathi," yatsho indodakazi kuHerodi. Wezwa ubuhlungu uHerodi ngesithembiso sakhe kodwa wayezitshela kakhulu ukuthi engakija kuso.

"Qumanini ikhanda likaJohane libuye lalo," watsho uHerodi. Amabutho akhe atshetsha amhlonipha.

Ngokudabuka okukhulu abangani bakaJohane
bangcwaba isisebenzi sikaNkulunkulu esilesibindi,
singelakhanda. Umsebenzi
okaJohane akade ewenzela
uNkulunkulu
ubese wufezile
ngalokho.
Ingxenye
babesazi
ukuthi uJesu
uzabaduduza.
