Ilayisense: Ulelungelo lokulingisa kumbe ukucindezela
indatshana leyi nxa ungasoze uyithengise.

UJesu wathi
ebhabhathizwa,
uThixo wakhuluma.
Wathi yena, "Lowu
yiNdodana yami
engiyithandayo.
NgaKuye
ngiyaziqenya."
UMoya oYingcwele
okaNkulunkulu
wehlela phezulu
kukaJesu
njengejuba.

Emva kwalokho, uMoya
oNgcwele ukaNkulunkulu
wasumhugela uJesu
egangeni. Lapha uJesu
wayeyedwa.

UJesu wazila okwamalanga
angamatshumi amane. Lokhu
kutsho ukuthi akadlanga lutho.
Wabalendlala kakhulu.

Ibhayibhili lithi lenyamazana zasegangezi
zazikhona khonapho njalo.

USathani wasebuya ukuzolonga
uJesu. Kudala wake walinga
uAdamu loEva ukuthi badelele
uNkulunkulu besahlala engadini
yaseEDENI. Kathesi uJesu
kwakumele
amhlolise.

USathani engazama
ukulinga iNdodana
kaNkulunkulu,
uJesu.

“Nxa uyindodana kaNkulunkulu,”
kwatsho uSathani, “tshintsha
amatshe lawa abe yisinkwa.”

Wayesazi ukuthi uJesu wayelambile.
Njalo wayesazi ukuthi iNdodana
kaNkulunkulu iyenelisa ukutshintsha
amatshe abeyisinkwa. Kambe uJesu
wayemlalela uSathani?

Hatshi, uJesu akazange amlalele usathani.
Kodwa wahlonipha iLizwi likaNkulunkulu. "Umuntu
kayikuphila ngesinkwa sodwa, kodwa ngalolonke iLizwi
eliphuma emlonyeni kaNkulunkulu."

UJesu basebemkhokhela edolobheni elikhulu lase
Jerusalema, nguSathane, ethempelini elingcwele
lapho abantu ababethandaza uNkulunkulu bekhona.
Kambe wayezayenzani uSathane futhi?

“Nxa uyiNdodana
kaNkulunkulu, ziwisele
phansi,” kwatsho umlingi.
Izwi lakhe uThixo lithi
ingilosi zakhe zizakugama.

"Hatshi!" waphendula uJesu. "Kubhaliwe njalo ukuthi... 'Ungabolinga iNkosi yakho enguNkulunkulu wakho.'"

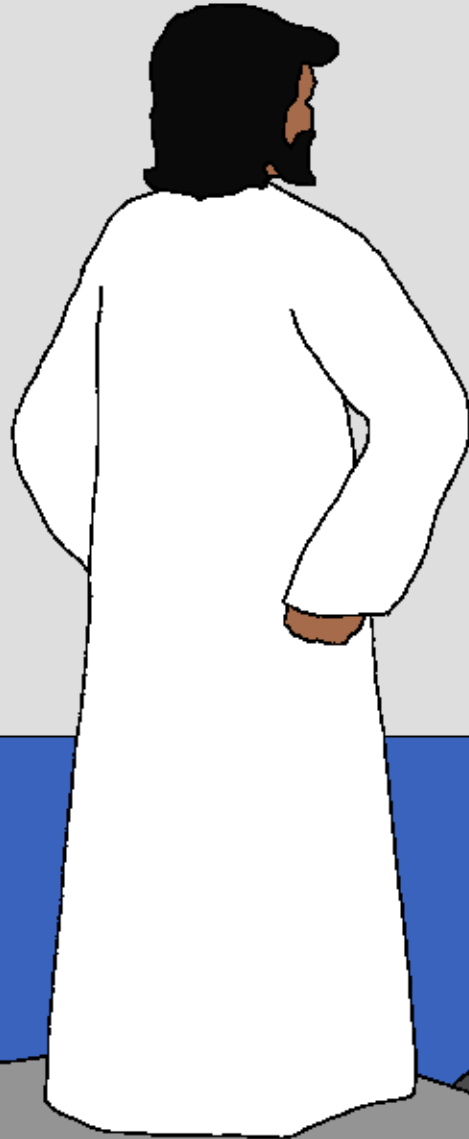

Umlingi onguSathane wazama futhi.
Wathatha uJesu wamusa phandle
kwedolobha entabeni ende kakhulu.

Emtshengisa uJesu ubuhle
bembusweni zomhlaba zonke,
umlingi wathi, "Ngizakunikeza
konke lokhu, uma ungadilikela
phansi ungidumise."

"Hamba ngemva kwami, Sathane!" kwatsho uJesu.
"Kubhaliwe... 'Uzakudumisa iNkosi uNkulunkulu
wakho njalo usebenzele yena yedwa.'"

USathane wasemtshayisa
ngomoya okwesikhatshana
uJesu. Kwasekwenzala
into enhle.

UNkulunkulu
wasehumela ingilosi
zakhe ukuthi
ziduduze njalo
zimnakekele
uJesu iNdodana
yakhe - yena
ongeke aze
ahloniphe
lokulalela
umlingi.

Isikhathi esibi esafikela uJesu

Indaba evela elizwini likaNkulunkulu, iBhayibhili

itholakala ku

Matthewu 4, Lukha 4

"Isango lamazwi akho lunika ukukhanya."

Amahubo 119:130

Isiphetho

Indaba leyi eyeBhayibhili isitshela ngokubukeka
kukaNkulunkulu owasidalayo njalo ofuna wena ubemazi.

UNkulunkulu uyakwazi ukuthi senze izinto ezimbi,
lezo azibiza ngokuthi yizono. Umjeziso wesono yikufa, kodwa
uNkulunkulu uyakuthanda kakhulu okokuthi Wakuthumela iNdodana
yakhe, yona eyiyo yodwa, uJesu, ukuze afele esiphambanweni
ejeziselwa izono zakho. UJesu wasevuka kwabafileyo wahamba ekhaya
eZulwini! Nxa ukholwa kuJesu njalo umcele ukuba akuthethelele izono
zakhe, Uzakwenza lokho! Uzabuya ahlale ngakuwe,
lawe uzahlala Laye ngokunaphakade.

Nxa ukholwa ukuthi lokhu kuliqiniso, tshono lokhu kuNkulunkulu:
Kuwe Jesu, ngiyakholwa ukuthi UnguNkulunkulu, njalo wabangumuntu
ukuze ufele izono zami njalo kathesi Uyaphila ngokunjalo. Ngicela
ungene enhlizweni yami ungithethelele izono zami, ukuze ngibe lempilo
entsha kathesi, kwelinye ilanga ngihambe ngiyokuba Lawe
ngokunaphakade. Ngiyacela ukuba ungingcedise ngiKuhloniphe
ngiKuphilele njengomntwana Wakho. Amen.
