Noah na pesin wey dey fear God. But evry oda pesin dey bad for di Oga God eye. So one day God kon tok sey wey shock everibodi. So God kon tell Noah, "I don sey I go kill

Pipol kon dey carri

Later di ark kon dey

Now di animal dem kom. God bring seven of

E bi like sey di pipol dey shout dey

Las-las,

God kon invite Noah.  
"You and your family."  
Noah, hin wife, hin three

Na so di rain

Di big wota

and villages dem. Wen di rain

dey under water. Evritin wey  
get life for di eart kon die.

As di wota rise, di ark kon  
dey float on top wota. E fit  
bi sey e dey dark for inside,  
maybe dey bumpy, and  
maybe e even dey scary.  
But di ark bi shelter for  
Noah from di flood.

After five months of di wota, God  
kon send drying briz. Small-small, di  
boat kon stay on-top one mountin wey  
dem dey koll Ararat. Noah stay for  
inside for anoda forty days as di  
wota dey  
go low.

Noah open di window wey e make for di boat kon send one bird go. Di dove nor si anywhere pesh put, bikos wota still kover di eart, so e kom meet Noah back for di boat.

---

Noah wait for anoda  
seven days, den e send  
di dove go again. Wen di  
dove kom back for evening,  
betta fresh olive tree leaf  
dey en mout! Noah kon know sey  
di wota don almost dry

time, di dove nor

Den God tell Noah, Make una kom out  
from di boat, both yu, yor wife, yor  
shidren and dia wife. And bring out  
di animals.

Imagin how grateful Noah dey feel! Hin build altar and hin worship God wey save am and hin family from di terrible wota.

God kon  
promise Noah.  
"I nor go ever  
curse di eart again,  
bikos of wetin human  
being do. I go use  
rainbow as

sign for di sky and  
e go bi sign for di  
kovenant wey I  
make with di eart."

Noah and his  
family kom start
