Wen di rain kon stop,  
even di mountains dey

get life for di eart kon die.

As di wota rise, di ark  
kon dey float on top  
wota. E fit bi sey e dey  
dark for inside, maybe  
dey bumpy, and maybe e  
even dey scary. But  
di ark bi shelter for  
Noah from di flood.

After five months of di wota,  
God kon send drying briz.  
Small-small, di boat kon stay  
on-top one mountin wey dem

Noah stay for inside  
for anoda forty days

Noah open di window wey e make for di boat kon send one bird go. Di dove nor si anywhere pesh put, bikos wota still kover di eart, so e kom meet Noah back for di boat.

Noah wait for anoda

di dove nor kom back.

Den God tell Noah, Make una kom out  
from di boat, both yu, yor wife,  
yor shidren and dia wife.

And bring out  
di animals.

Imagin how grateful Noah dey feel!  
Hin build altar  
and hin worship  
God wey save  
am and hin family  
from di terrible  
wota.

God kon

I go use rainbow  
as sign for di sky  
and e go bi sign for

Den Jesus kon kom back to life and kon go back to Heaven! If you believe inside Jesus and you kon ask Am to forgive your sins, Hin go do am! Hin go kom and live inside you now, and you go live wit Am foreva.
