GOD KREATE EVERITIN! Wen  
God kreate di first man, Adam, hin

wit hin wife, Eve. Dem dey perfectly  
happy as dem dey obey  
God and dey enjoy Hin  
presence until one day ...

"Na true sey God sey, 'Make una nor chop from all di tree wey dey di gardin?'" di snake ask di woman. "No o-o! Wi fit chop from all di fruit wey dey di gardin but wi nor fit chop one; di woman ansa. If wi chop or tosh dat fruit, wi go die. una nor go die," di snake tell di woman.

3

"Una go bi like God ensef." Wen di woman si sey di fruit wey di tree dey produce fine well-well and e good to chop; and e go make pesin get sense well-well, e kon take some of di fruit chop.

4

Afta di woman disobeys God. Still give some to en husband wey dey with am and e kon chop too. Adam suppose tok sey hin nor dey chop. Hin for sey "No hin nor go di word of God."

5

Wen Adam and Eve don sin, dem kon know sey dem nor wear anytin, so dem sew fig leaf togeda kon take am kover dia body so dem kon hide from di Oga wey bi dia God.

6

Oga God dey waka for di gardin wen evriwhere don kwayet for evening. Di woman wey Yu give mi bring some fruits from di tree and I kon chop am. Di woman ansa, "Di snake deceive mi and I kon chop from am." God kon curse di snake. God kon tell di woman, "Wen yu dey labor, I go make am pain yu well-well."

7

God tell Adam, "You obey yor wife kon chop from di tree wey I kommand yu sey, 'Make yu nor chop from.' Bikos you do dis, I curse di groun. You go work hard to make di groun bring food till you die."

8

So Oga God kon porshu man and en wife komot from Eden Gardin. Bikos dem don sin, na so dem dey separated from di life - giving God!

9

E kon put angels for di gate for di east side for di gardin with one swod wey dey bring fire. God use skin take make garment for Adam and en wife kon give dem make dem wear. Na Where God take di skin from?

10

As time dey pass, Adam sleep with Eve en wife and e get belle kon born. Abel dey kare for di animals, while Kain na farmer. Afta sometaim, Kain kon bring some fruit from di groun wey e won offa give Oga God. While Abel bring some of di first-born for en animals wey fat pass. God like wetin Abel bring.

11

But God nor like Kain and en ofrin. So Kain kon dey vex and e face kon shange. Den Oga God kon tok sey, Nor bi true sey if you do wetin dey write, body go sweet you?

12

Cain anger nor go away. Sometime later for inside di farm hin attack Abel - na so e kill am!

13

Den Oga God ask Kain. "Where your broda Abel dey?" Kain ansa, "I nor know! Na mi dey keep my broda?" You go dey waka anyhow for dis eart without house.

14

So Kain komot from di Oga God front.  
 Hin kon marry to one daughter of Adam  
 and Eve. Dem kom dey raise family.  
 Later, Cain shildren-shildren  
 and shildren-shildren-shildren

kon full di  
 city wey dem  
 found.

15

As e bi so, di family of Adam and Eve kon  
 grow quick-quick. For dose days, pipol  
 dey live long well-well dan nowadays.

16

Eve kon born boy, den Eve koll am  
 Seth, bikos e sey, "God don give mi  
 anoda pikin wey go take Abel place".  
 Seth na godly man hin live 912 years  
 and kon born many shildren.

17

For di world, pipol bicom more and more  
 wicked as one generation dey follow  
 another one. Finally, God kon decide  
 sey Hin go destroy human being and  
 all di animals and birds. God dey  
 sorry sey hin kreate  
 human being.

18

Di man na Noah. Him na Shidren-shidren of  
 Seth, Noah dey righteous and hin dey blameless.  
 He waka wit God. Hin also teach hin  
 shidren to obey God. Now God plan  
 sey hin go use Noah
