A colorful illustration of a landscape. In the top left, a bright yellow sun with rays is partially obscured by a white cloud. The sun's rays are depicted as thick yellow and white beams that illuminate a white, multi-story ark-like structure on a dark grey, rocky shore. The ark has a curved roof and is surrounded by blue lines representing water. In the background, there are green and grey mountains under a clear blue sky. The overall style is simple and illustrative.
